**Background**

On July 7, 2014, the Coast Guard published its annual technical amendment final rule (79 FR 38422) to make non-substantive changes to Title 33 of the Code of Federal Regulations.

**Need for Correction**

In attempting to amend 33 CFR 151.66(c)(3)(iv)(C) to reflect the correct mail stop for Commandant (CG-OES), we mistakenly referred to paragraph (d)(3)(iv)(C) in amendatory instruction 106 on page 79 FR 38435 of that rule. This rule corrects that error by amending the correct paragraph.

**List of Subjects in 33 CFR Part 151**

Administrative practice and procedure, Oil pollution, Penalties, Reporting and recordkeeping requirements, Water pollution control.

Accordingly, 33 CFR part 151 is corrected by making the following correcting amendment:

**PART 151—VESSELS CARRYING OIL, NOXIOUS LIQUID SUBSTANCES, GARBAGE, MUNICIPAL OR COMMERCIAL WASTE, AND BALLAST WATER**

■ 1. The authority citation for part 151 continues to read as follows:

**Safety Zone, Marine Week Seattle Seahawks Demonstration, Lake Washington; Seattle, WA**

**AGENCY:** Coast Guard, DHS.

**ACTION:** Temporary final rule.

**SUMMARY:** The Coast Guard is establishing a safety zone for the Marine Week Seattle Seahawks Demonstration area on Lake Washington, Seattle, WA. This event will occur on July 30, 2014 and July 31, 2014. This action is necessary to protect participants and the maritime public from the safety hazards associated with this event, which involves low flying aircraft, combat equipment, and other on-water displays, and will do so by prohibiting any person or vessel from entering or remaining in the safety zone unless authorized by the Captain of the Port (COTP) or a Designated Representative.

**DATES:** This rule is effective from July 30, 2014 through July 31, 2014.

**ADDRESSES:** Documents mentioned in this preamble are part of docket [USCG-2014-0574]. NPRM Notice of Proposed Rulemaking

**A. Regulatory History and Information**

The Coast Guard is issuing this temporary final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are "impracticable, unnecessary, or contrary to the public interest."

Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because to do so would be impracticable due to the insufficient time available for notice and opportunity to comment prior to the dates of the actual event and the inability for the event to be rescheduled.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delayed promulgation would eliminate the safety zone's effectiveness and usefulness in protecting event participants and the maritime public during the scheduled event.

**B. Basis and Purpose**

The legal basis for this temporary rule is 33 U.S.C. 1226, 1231; 46 U.S.C. Chapters 701, 3306, 3703; 50 U.S.C. 191, 195; 33 CFR 1.05-1, 6.04-1, 6.04-6 and 160.5; Public Law 107-295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1 which collectively authorize the Coast Guard to define and establish regulatory safety zones.

The Marine Corps will be conducting an aerial and on-water demonstration in support of Marine Week. The event involves low flying aircraft, combat equipment, and other on-water displays, which will take place immediately offshore from the Seattle Seahawks training facility on Lake Washington, Seattle, WA. The safety zone is necessary to protect event participants and the maritime public from the safety hazards associated with this event.

### C. Discussion of the Final Rule

The Coast Guard is establishing a safety zone on all waters encompassed by the following points: 47°32'19" N, 122°12'14" W, thence southeasterly to 47°32'11" N, 122°11'56" W, thence southwesterly along the shoreline to 47°31'58" N, 122°12'11" W, thence northwesterly to 47°32'01" N, 122°12'29" W, thence northeasterly back to the point of origin.

Vessels wishing to enter the safety zone must request permission for entry by contacting the Joint Harbor Operations Center at (206) 217-6175, or the on-scene patrol craft via VHF-FM Ch 13. If permission for entry is granted vessels must proceed at a minimum speed for safe navigation.

### D. Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes or executive orders.

#### 1. Regulatory Planning and Review

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, as supplemented by Executive Order 13563, Improving Regulation and Regulatory Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of Executive Order 12866 or under section 1 of Executive Order 13563. The Office of Management and Budget has not reviewed it under those Orders. This rule is not a significant regulatory action because it creates a safety zone that is minimal in size and short in duration.

#### 2. Impact on Small Entities

The Regulatory Flexibility Act of 1980 (RFA), 5 U.S.C. 601-612, as amended, requires federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities. This rule will affect the following entities, some of which may be small entities: The owners or operators of vessels intending to transit through the established safety zones during the times of enforcement. This rule will not have a significant economic impact on

a substantial number of small entities because the temporary safety zone is minimal in size and short in duration, maritime traffic will be able to transit around it and may be permitted to transit them with the permission from the Captain of the Port or a Designated Representative.

#### 3. Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104-121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT**, above.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1-888-REG-FAIR (1-888-734-3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

#### 4. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).

#### 5. Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and determined that this rule does not have implications for federalism.

#### 6. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without

jeopardizing the safety or security of people, places or vessels.

#### 7. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule would not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

#### 8. Taking of Private Property

This rule would not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

#### 9. Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

#### 10. Protection of Children From Environmental Health Risks

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and would not create an environmental risk to health or risk to safety that might disproportionately affect children.

#### 11. Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it would not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

#### 12. Energy Effects

This action is not a "significant energy action" under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use.

#### 13. Technical Standards

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

#### 14. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023-01 and Commandant Instruction M16475.ID, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA)(42 U.S.C. 4321-4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves the establishment of a temporary safety zone. This rule is categorically excluded from further review under paragraph 34(g) of Figure 2-1 of the Commandant Instruction. An environmental checklist supporting this determination and a Categorical Exclusion Determination are available in the docket where indicated under **ADDRESSES**. We seek any comments or information that may lead to the discovery of a significant environmental impact from this rule.

#### List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

#### PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

- 1. The authority citation for part 165 continues to read as follows:

**Authority:** 33 U.S.C. 1226, 1231; 46 U.S.C. Chapters 701, 3306, 3703; 50 U.S.C. 191, 195; 33 CFR 1.05-1, 6.04-1, 6.04-6, and 160.5; Pub. L. 107-295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1.

- 2. Add temporary § 165.T13-274 to read as follows:

#### § 165.T13-274 Safety Zone; Marine Week Seattle Seahawks Demonstration, Lake Washington; Seattle, WA.

(a) *Location.* The following area is designated as a safety zone: All waters encompassed by the following points: 47°32'19" N, 122°12'14" W, thence southeasterly to 47°32'11" N, 122°11'56" W, thence southwesterly along the shoreline to 47°31'58" N, 122°12'11" W, thence northwesterly to 47°32'01" N, 122°12'29" W, thence northeasterly back to the point of origin.

(b) *Regulations.* In accordance with the general regulations in 33 CFR part 165, subpart C, no person or vessel may enter or remain in the safety zone created by this section without the permission of the Captain of the Port or his designated representative.

Designated representatives are Coast Guard personnel authorized by the Captain of the Port to grant persons or vessels permission to enter or remain in the safety zone created by this section. See 33 CFR part 165, Subpart C, for additional information and requirements. Vessels wishing to enter the zone must request permission for entry by contacting the Joint Harbor Operations Center at (206) 217-6175, or the on-scene patrol craft via VHF-FM Ch 13. If permission for entry is granted vessels must proceed at a minimum speed for safe navigation.

(c) *Enforcement Period.* This rule is effective from 7:00 a.m. until 10:00 a.m. on July 30, 2014, and from 11:00 a.m. until 2:00 p.m. on July 31, 2014.

Dated: July 11, 2014.

#### Safety Zone; Columbus Road Bridge Installation, Cuyahoga River, Cleveland, OH

**AGENCY:** Coast Guard, DHS.

**ACTION:** Temporary final rule.

**SUMMARY:** The Coast Guard is establishing a temporary safety zone on the Cuyahoga River, Cleveland, OH. This temporary safety zone is intended to restrict vessels from a portion of the Cuyahoga River during the installation operation for the new Columbus Road Bridge spanning the Cuyahoga River. This temporary safety zone is necessary to protect mariners and vessels and construction crews from the navigational hazards associated with blocking the river for the large scale heavy lift of the bridge structure and securing it to the towers on either side of the river.

**DATES:** This rule is effective from 6 a.m. July 28, 2014 to 6 a.m. August 1, 2014.

NPRM Notice of Proposed Rulemaking  
§ Section

#### A. Regulatory History and Information

The Coast Guard is issuing this temporary final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are "impracticable, unnecessary, or contrary to the public interest." Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because doing so would be impracticable and contrary to the public interest. The final details for this event were not known to the Coast Guard until there was insufficient time remaining before the event to publish an NPRM. Thus, delaying the effective date of this rule to wait for a comment period to run would be both impracticable and contrary to the public interest because it would inhibit the Coast Guard's ability to protect vessels and mariners from the hazards associated with the demolition of a bridge across the span of a river.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this temporary rule effective less than 30 days after publication in the **Federal Register**. For the same reasons discussed in the preceding paragraph, waiting for a 30 day notice period to run would be impracticable and contrary to the public interest.
