SUPPLEMENTARY INFORMATION:

Background

On April 30, 2014, based on a timely request for review by Hubei Xingfa Chemicals Group Co., Ltd. (“Hubei Xingfa”),¹ the Department published in the **Federal Register** a notice of initiation of an administrative review of the antidumping duty order on sodium hexametaphosphate from the People’s Republic of China covering the period March 1, 2013, through February 28, 2014.² The review covers only Hubei Xingfa.³ On July 2, 2014, Hubei Xingfa withdrew its request for an administrative review.⁴ No other party requested a review of this company or any other exporter of subject merchandise.

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review, in whole or in part, if the party that requested the review withdraws its request within 90 days of the publication of the notice of initiation of the requested review. In this case, Hubei Xingfa timely withdrew its request by the 90-day deadline, and no other party requested an administrative review of the antidumping duty order. As a result, pursuant to 19 CFR 351.213(d)(1), we are rescinding the administrative review of sodium hexametaphosphate from the People’s Republic of China for the period March 1, 2013, through February 28, 2014, in its entirety.

Assessment

The Department will instruct CBP to assess antidumping duties on all appropriate entries. Because the Department is rescinding this administrative review in its entirety, the

entries subject to this administrative review shall be assessed antidumping duties at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions to CBP 15 days after the publication of this notice in the **Federal Register**.

Notifications

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department’s presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

This notice also serves as a final reminder to parties subject to administrative protective order (“APO”) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with section 751(a)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: July 22, 2014.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

We have not made changes to our margin calculations for the final results of this review. The final dumping margins for this review are listed in the “Final Results of the Review” section below.

DATES: Effective July 28, 2014.

SUPPLEMENTARY INFORMATION:

Background

Following the *Preliminary Results*, on March 26, 2014, the Department issued an additional supplemental questionnaire to Ambica Steels Limited (Ambica), the only respondent in this administrative review. Ambica responded on April 2, 2014. We received a case brief from Ambica.

Scope of the Order

The merchandise subject to the order is SSB. The SSB subject to the order is currently classifiable under subheadings 7222.10.00, 7222.11.00, 7222.19.00, 7222.20.00, 7222.30.00 of the Harmonized Tariff Schedule of the United States (HTSUS). The HTSUS subheadings are provided for convenience and customs purposes. The written description is dispositive.

A full description of the scope of the order is contained in the memorandum from Christian Marsh, Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, to Paul Piquado, Assistant Secretary for Enforcement and Compliance, “Issues and Decision Memorandum for the Final Results of the Antidumping Duty Administrative Review of Stainless Steel Bar from India” dated concurrently with this notice (Issues and Decision Memorandum), which is hereby adopted by this notice. Analysis of Comments Received

A list of the issues raised and to which we have responded in the Issues and Decision Memorandum, is attached to this notice as an Appendix.

Final Results of the Review

As a result of this review, we determine the following weighted-average dumping margin exists for the respondent for the period February 1, 2012, through January 31, 2013.

Producer/exporter	Weighted-Average Dumping Margin (Percent)
Ambica Steels Limited	0.00

Assessment Rates

Pursuant to section 751(a)(2)(A) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.212(b), the Department determines, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of this review. The Department intends to issue assessment instructions to CBP 15 days after the date of publication of these final results of review.

For assessment purposes, because Ambica's weighted-average dumping margin remains zero or *de minimis* (i.e., less than 0.5 percent) in these final results, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties in accordance with 19 CFR 351.106(c)(2). Our instructions will be on an importer-specific basis, where the importer is known, or on a customer-specific basis, where the importer is not known.

The Department clarified its "automatic assessment" regulation on May 6, 2003. This clarification will apply to entries of subject merchandise during the POR produced by Ambica for which it did not know its merchandise was destined for the United States. In such instances, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the

intermediate company(ies) involved in the transaction. For a full discussion of this clarification, see *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003).

Cash Deposit Requirements

The following deposit requirements will be effective upon publication of the notice of final results of administrative review for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication as provided by section 751(a)(2) of the Act: (1) The cash deposit rate for Ambica will be the rate established in the final results of this administrative review; (2) for merchandise exported by manufacturers or exporters not covered in this review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding in which that manufacturer or exporter participated; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation but the manufacturer is, the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the manufacturer of subject merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 12.45 percent, the "all others" rate established in the order.² These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notifications

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials, or

conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

These final results of administrative review are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(5).

Dated: July 22, 2014.
