[Public Notice 8809]

Provision of Certain Temporary and Limited Sanctions Relief in Order To Implement the Joint Plan of Action of November 24, 2013 Between the P5+1 and the Islamic Republic of Iran, as Extended Through November 24, 2014

AGENCY: Department of State.

ACTION: Notice.

SUMMARY: On November 24, 2013, the United States and its partners in the P5+1 (France, the United Kingdom, Russia, China, and Germany) and the EU reached an initial understanding with Iran, outlined in a Joint Plan of Action (JPOA), that halts progress on its nuclear program and rolls it back in key respects. In return, the P5+1 committed to provide limited, temporary, and targeted sanctions relief to Iran. The JPOA was scheduled to expire after July 20, 2014.

The JPOA was renewed by mutual consent of the P5+1, EU, and Iran on July 19, 2014, extending the temporary sanctions relief provided under the JPOA through November 24, 2014 (the Extended JPOA Period), in order to continue to negotiate a long-term comprehensive solution to prevent Iran from acquiring a nuclear weapon and to ensure that Iran’s nuclear program will be exclusively peaceful.

This Notice outlines the U.S. government actions taken to implement the sanctions relief aspects of this understanding.

DATES: *Effective Date:* The effective dates of these waiver actions are as described in the determinations set forth below.

FOR FURTHER INFORMATION CONTACT: On general issues: John Hughes, Office of Economic Sanctions Policy and Implementation, Department of State, Telephone: (202) 647–7489.

SUPPLEMENTARY INFORMATION: To implement this limited sanctions relief, the U.S. government has executed temporary, partial waivers of certain statutory sanctions and has issued guidance regarding the suspension of sanctions under relevant Executive Orders and regulations. All U.S. sanctions not explicitly waived or suspended pursuant to the JPOA as extended remain fully in force, including sanctions on transactions with individuals and entities on the SDN List unless otherwise specified.

Furthermore, U.S. persons and foreign entities owned or controlled by U.S. persons (“U.S.-owned or -controlled foreign entities”) continue to be

generally prohibited from conducting transactions with Iran, including any transactions of the types permitted pursuant to the JPOA as extended, unless licensed to do so by the Office of Foreign Assets Control (OFAC). The U.S. government will continue to enforce U.S. sanctions laws and regulations against those who engage in sanctionable activities that are not covered by the suspensions and temporary waivers pursuant to the JPOA as extended.

All suspended sanctions are scheduled to resume on November 25, 2014 unless further action is taken by the P5+1 and Iran and subsequent waivers and guidance are issued by the U.S. government. Companies engaging in activities covered by the temporary sanctions relief described in this fact sheet should expect sanctions to apply to any activities that extend beyond the current end date of the Extended JPOA Period, November 24, 2014. The temporary suspension of sanctions applies only to activities that begin and end during the period January 20, 2014 to November 24, 2014. Except as specified below with respect to payments for insurance claims, the suspension does not apply to any related, otherwise sanctionable conduct, including shipping and financial activities, undertaken before that period or after that period, even if they are undertaken pursuant to contracts entered into during the JPOA period or Extended JPOA Period. For example, deliveries of goods or services after the Extended JPOA Period would be sanctionable even if relevant contracts were entered into during the JPOA Period or Extended JPOA Period.

To the extent that the provision of insurance or reinsurance is an associated service of an activity for which the JPOA provides temporary relief, the provision of such insurance or reinsurance by a non-U.S. person not otherwise subject to the Iranian Transactions and Sanctions Regulations (ITSR) during the Extended JPOA Period would not be sanctionable.

Insurance payments for claims arising from incidents that occur during the JPOA Period and/or Extended JPOA Period may be paid after November 24, 2014, so long as the underlying transactions and activities conform to all other aspects of the sanctions remaining in place and the terms of the sanctions relief provided in the JPOA. Insurance and reinsurance companies should contact the U.S. government directly with any inquiries.

U.S. persons and their foreign subsidiaries remain prohibited from participating in the provision of

insurance or reinsurance services to or for the benefit of Iran or sanctioned entities, including with respect to all elements of the sanctions relief provided pursuant to the JPOA, unless specifically authorized by OFAC.

The Secretary of State took the following action:

Acting under the authorities vested in me as Secretary of State, including through the applicable delegations of authority, I hereby make the following determinations and certifications:
