

AMSC Membership

The Boston AMSC has 38 members who represent Federal, State, local, and industry stakeholders from Massachusetts. We are seeking to fill 11 positions with this solicitation.

Applicants may be required to pass an appropriate security background check prior to appointment to the committee. Members' terms of office will be for 5 years; however, a member is eligible to serve additional terms of office. Members will not receive any salary or other compensation for their service on an AMSC.

Request for Applications

Those seeking membership are not required to submit formal applications to the local COTP. Because there is an obligation to ensure that a specific number of members have the prerequisite maritime security experience, however, the COTP encourages the submission of resumes highlighting experience in the maritime and security industries.

In support of the USCG policy on gender and ethnic nondiscrimination, we encourage qualified women and men of all racial and ethnic groups to apply.

Dated: August 1, 2014.

J.C. O'Connor III,

Captain, U.S. Coast Guard, Federal Maritime Security Coordinator Boston.

[Docket No. TSA-2006-26514]

Extension of Agency Information Collection Activity Under OMB Review: Rail Transportation Security

AGENCY: Transportation Security Administration, DHS.

ACTION: 30-day notice.

SUMMARY: This notice announces that the Transportation Security Administration (TSA) has forwarded the Information Collection Request (ICR), Office of Management and Budget (OMB) control number 1652-0051, abstracted below to OMB for review and approval of an extension of the currently approved collection under the Paperwork Reduction Act (PRA). The ICR describes the nature of the information collection and its expected burden. TSA published a **Federal Register** notice, with a 60-day comment period soliciting comments, of the

following collection of information on May 14, 2014, 79 FR 27630. The collection involves the submission of contact information of Rail Security Coordinators and alternate Rail Security Coordinators from freight railroad carriers; shippers and receivers of certain hazardous materials; and passenger railroad carriers, including each carrier operating light rail or heavy rail transit service on track that is part of the general railroad system of transportation; and rail transit systems. Also, these persons are required to report significant security concerns, including security incidents, suspicious activity, and any threat information. In addition, freight railroad carriers and the affected shippers and receivers of hazardous materials are required to document the transfer of custody of certain hazardous materials and provide location and shipping information for certain rail cars.

DATES: Send your comments by [Insert date 30 days after date of publication in the **Federal Register**]. A comment to OMB is most effective if OMB receives it within 30 days of publication.

ADDRESSES: Interested persons are invited to submit written comments on the proposed information collection to the Office of Information and Regulatory Affairs, OMB. Comments should be addressed to Desk Officer, Department of Homeland Security/TSA, and sent via electronic mail to oir_submission@omb.eop.gov or faxed to (202) 395-6974.

FOR FURTHER INFORMATION CONTACT:

Christina A. Walsh, TSA PRA Officer, Office of Information Technology (OIT), TSA-11, Transportation Security Administration, 601 South 12th Street, Arlington, VA 20598-6011; telephone (571) 227-2062; email TSAPRA@tsa.dhs.gov.

SUPPLEMENTARY INFORMATION:

Comments Invited

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The ICR documentation is available at <http://www.reginfo.gov>. Therefore, in preparation for OMB review and approval of the following information collection, TSA is soliciting comments to—

- (1) Evaluate whether the proposed information requirement is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- (2) Evaluate the accuracy of the agency's estimate of the burden;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including using appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Information Collection Requirement

Title: Rail Transportation Security.

Type of Request: Extension of a currently approved collection.

OMB Control Number: 1652-0051.

Form(s): N/A.

Affected Public: Rail and shippers/receivers of certain hazardous materials.

Abstract: TSA will continue to collect information from regulated parties on Rail Security Coordinators and significant security concerns. TSA further requires freight railroad carriers and certain facilities handling specified hazardous materials be able to report location and shipping information to TSA upon request. These regulated parties must also implement chain of custody and control requirements to ensure a positive and secure exchange of the specified hazardous materials listed in 49 CFR 1580.100(b), and make the reports available to TSA upon request.

Number of Respondents: 2,100.

Estimated Annual Burden Hours: An estimated 45,332 hours annually.

Dated: August 11, 2014.

Christina A. Walsh,

TSA Paperwork Reduction Act Officer, Office of Information Technology.

Information Collection Requirement

Title: Critical Facility Information of the Top 100 Most Critical Pipelines.

Type of Request: Extension of a currently approved collection.

OMB Control Number: [1652-0050].

Form(s): Critical Facility Security Review.

Affected Public: Pipeline companies.

Abstract: The 9/11 Act specifically tasked TSA to develop and implement a plan for inspecting critical facilities of the 100 most critical pipeline systems. See sec. 1557 of the 9/11 Act (Pub. L. 110-53 codified at 6 U.S.C. 1207). TSA will visit critical pipeline facilities and collect site-specific information from pipeline operators on facility security policies, procedures, and physical security measures. TSA will use the information to determine strengths and weaknesses at the nation's critical pipeline facilities, areas to target for risk reduction strategies, pipeline industry implementation of the TSA "Pipeline Security Guidelines," and operator implementation of recommendations made during TSA critical facility visits.
