

the public with minimal burden that may be approved by OMB.

Results from information gathered pursuant to this Generic ICR will assist program managers in evaluating the positive and negative social and economic effects of collaborative project implementation. Results will also inform the adaptive management process required by the FLRA; results of these efforts will assist USFS and BLM forest planners in meeting the collaborative and public input requirement of the 2012 Forest Planning Rule. Through the collection of this information, managers and planners will obtain valuable information to inform future decisions. Agency public affairs staff, social scientists, and economists may also use this information, and Agency, academic, and other researchers may use or cite the results or data collected in publications.

Without the collection of this information, the USFS and/or the BLM will be unable to determine whether it is meeting the requirements of the Forest Landscape Restoration Act, nor if they are fully incorporating partner and public input into forest project, implementation, monitoring and/or planning processes as required by law.

Type of Respondents: Stakeholders of large-scale landscape restoration projects, such as neighboring land owners, State, local, and Tribal government representatives, businesses, interest groups, and nonprofit organizations.

Estimated Annual Number of Respondents: 48,000.

Estimated Annual Number of Responses per Respondent: 1.

Estimated Total Annual Burden hours on Respondents: 38,000 hours.

Comment is Invited:

Comment is invited on: (1) Whether this collection of information is necessary for the stated purposes and the proper performance of the functions of the Agency, including whether the information will have practical or scientific utility; (2) the accuracy of the Agency's estimate of the burden of the collection of information, including the validity of the methodology and assumptions used; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on respondents, including the use of automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

All comments received in response to this notice, including names and addresses when provided, will be a

matter of public record. Comments will be summarized and included in the submission request toward Office of Management and Budget approval.

Dated: August 12, 2014.

Gregory C. Smith,

Acting Associate Deputy Chief, National Forest System.

Welded Carbon Steel Standard Pipe and Tube Products From Turkey: Partial Rescission of Antidumping Duty Administrative Review; 2013-2014

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) is partially rescinding the administrative review of the antidumping duty order on welded carbon steel standard pipe and tube products from Turkey covering the period of review (POR) May 1, 2013, through April 30, 2014.

DATES: *Effective Date:* August 21, 2014.

FOR FURTHER INFORMATION CONTACT: Steve Bezirganian, AD/CVD Operations, Office VI, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-1131.

Background

On May 1, 2014, the Department published in the **Federal Register** a notice of opportunity to request an administrative review of the antidumping duty order on welded carbon steel standard pipe and tube products from Turkey for the POR.¹ On June 27, 2014, the Department published in the **Federal Register** a notice of initiation of an administrative review of the antidumping duty order on welded carbon steel standard pipe and tube products from Turkey covering the POR.² The review covers six companies: Borusan Group; Borusan Istikbal Ticaret T.A.S.; Borusan Mannesmann Boru Sanayi ve Ticaret A.S.; ERBOSAN Erciyas Boru Sanayi ve Ticaret A.S.; Tosyali Dis Ticaret A.S.; and Toscelik Profil ve Sac Endustrisi.³ Wheatland Tube Company (Petitioner) requested a review of all six companies.⁴ Borusan Istikbal Ticaret T.A.S. and Borusan Mannesmann Boru Sanayi ve Ticaret A.S. requested a review of themselves.⁵

On July 18, 2014, Petitioner withdrew its request for an administrative review of Borusan Group.⁶

Partial Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review, in whole or in part, if the party that requested a review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review. Petitioner withdrew its review request with respect to Borusan Group within the 90-day deadline and, therefore, the withdrawal request is timely. Accordingly, in accordance with 19 CFR 351.213(d)(1), we are rescinding this review with respect to Borusan Group. However, because the relevant parties have not withdrawn their requests for

review of the other companies for which a review has been initiated, the instant review will continue with respect to those companies.

Assessment

The Department will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. For Borusan Group, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions directly to CBP 15 days after the date of publication of this notice in the **Federal Register**.

Notification to Importers

This notice serves as the only reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement may result in the presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification Regarding Administrative Protective Order

This notice also serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

Notification to Interested Parties

This notice is issued and published in accordance with sections 751 and 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: August 13, 2014.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Purified Carboxymethylcellulose From the Netherlands: Preliminary Results of Antidumping Duty Administrative Review; 2012-2013

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) is conducting an administrative review of the antidumping duty order on purified carboxymethylcellulose (purified CMC) from the Netherlands. The period of review (POR) is July 1, 2012, through June 30, 2013. The review covers one producer/exporter of the subject merchandise, Akzo Nobel Functional Chemicals, B.V. (Akzo Nobel).

We preliminarily determine that sales of subject merchandise by Akzo Nobel were not made at less than normal value during the POR. Interested parties are invited to comment on these preliminary results.

DATES: *Effective Date:* August 21, 2014.

FOR FURTHER INFORMATION CONTACT: Ericka Ukrow or Angelica Mendoza, AD/CVD Operations, Office VI, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-0405 or (202) 482-3019, respectively.

SUPPLEMENTARY INFORMATION:

Scope of the Order

The merchandise covered by the order is all purified CMC. The merchandise subject to the order is currently classified in the Harmonized Tariff Schedule of the United States at subheading 3912.31.00. This tariff classification is provided for convenience and Customs purposes; however, the written description of the scope of the order is dispositive. A full description of the scope of the order is contained in the memorandum from Christian Marsh, Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, to Ronald K. Lorentzen, Acting Assistant Secretary for Enforcement and Compliance, titled "Decision Memorandum for Preliminary Results of Antidumping Duty Administrative Review: Purified Carboxymethylcellulose from the Netherlands" (Preliminary Decision Memorandum), which is issued
