

notice.<sup>7</sup> Requests should contain: (1) the party's name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case briefs.

The Department intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any written briefs, not later than 120 days after the date of publication of this notice, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h).

#### Assessment Rates

Upon completion of the administrative review, the Department shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries in accordance with 19 CFR 351.212(b)(1). We intend to issue instructions to CBP 15 days after the date of publication of the final results of this review.

If Nan Ya's weighted-average dumping margin is not zero or *de minimis* (i.e., less than 0.5 percent) in the final results of this review, we will calculate importer-specific assessment rates on the basis of the ratio of the total amount of dumping calculated for the importer's examined sales and the total entered value of the sales in accordance with 19 CFR 351.212(b)(1). We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific assessment rate calculated in the final results of this review is above *de minimis*. Where the respondent's weighted-average dumping margin is zero or *de minimis*, or an importer-specific assessment rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.

The Department clarified its "automatic assessment" regulation on May 6, 2003. This clarification will apply to entries of subject merchandise during the POR produced by each respondent for which they did not know that their merchandise it sold to a reseller was destined for the United States. In such instances, we will instruct CBP to liquidate unreviewed entries at the all-others rate of 2.40

percent<sup>8</sup> if there is no rate for the intermediate company(ies) involved in the transaction.<sup>9</sup>

#### Cash Deposit Requirements

The following deposit requirements will be effective for all shipments of PET Film from Taiwan entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review, as provided for by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for the company under review will be the rate established in the final results of this review (except, if the rate is zero or *de minimis*, no cash deposit will be required); (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the less-than-fair-value investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters is 2.40 percent.<sup>10</sup> These cash deposit requirements, when imposed, shall remain in effect until further notice.

#### Notification to Interested Parties

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213(h)(1).

#### SUPPLEMENTARY INFORMATION:

##### Background

On April 17, 2014, the Department of Commerce (the Department) initiated the antidumping duty (AD) investigation of sugar from Mexico.<sup>1</sup> Currently, the preliminary determination is due no later than September 4, 2014.

#### Postponement of Preliminary Determination

later than 140 days after the date on which the Department initiated the investigation. However, section 733(c)(1)(A) of the Act permits the Department to postpone making the preliminary determination until no later than 190 days after the date on which it initiated the investigation if the petitioner makes a timely request for an extension. In the instant investigation, the American Sugar Coalition and its individual members (collectively, Petitioners) made a timely request on August 11, 2014 that we postpone the preliminary AD determination.<sup>2</sup>

The Department finds no compelling reason to deny the request. Therefore, pursuant to section 733(c)(1)(A) of the Act, the Department is hereby postponing the due date for the preliminary AD determination to no later than 190 days after the day on which the investigation was initiated. As a result of this postponement, the deadline for completion of the preliminary determination is now October 24, 2014.

This notice is issued and published pursuant to section 733(c)(2) of the Act and 19 CFR 351.205(f)(1).
