SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-72857; File No. SR-NYSEMKT-2014-68]

Self-Regulatory Organizations; NYSE MKT LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Amending Section 332 of the NYSE MKT Company Guide To Provide That Listed Companies Should Pay Listing Fees Due in Connection With the Listing of Additional Securities in the Manner Specified in the Exchange's Invoice

August 18, 2014.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the "Act")² and Rule 19b-4 thereunder,³ notice is hereby given that on August 12, 2014, NYSE MKT LLC (the "Exchange" or "NYSE MKT") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Section 332 of the NYSE MKT Company Guide (the [sic] Company Guide") to provide that listed companies should pay listing fees due in connection with the listing of additional securities in the manner specified in the Exchange's invoice. The text of the proposed rule change is available on the Exchange's Web site at www.nyse.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below,

of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange charges listed companies fees in connection with the listing of additional shares of a class of listed securities. The rates at which those fees are charged are established by Section 142 of the Company Guide. Section 332 of the Company guide specifies that the submission of a listing application in connection with the listing of additional securities must be accompanied by a check in the amount of the applicable listing fee pursuant to Section 142. The Exchange proposes to amend Section 332 to provide that, rather than having a listed company submit a check in connection with a listing application, the Exchange will send an invoice to the listed company upon receipt of the listing application. The invoice will specify the amount of the applicable listing fee and will provide instructions as to how the company should submit its payment. It is the Exchange's expectation for the foreseeable future that its invoices will provide instructions for companies to submit payment by wire transfer. The Exchange wishes to make this change as a matter of internal administrative efficiency and to avoid any inconvenience to listed companies in the event that checks are lost. The Exchange does not believe that the change in policy will impose any significant additional burden on listed companies.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b)⁴ of the Act, in general, and furthers the objectives of Section 6(b)(5) of the Act,⁵ in particular in that it is designed to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. The Exchange believes that the proposed amendment is consistent with the goal of Section 6(b)(5) to remove

impediments to and perfect the mechanisms of a free and open market because it simply increases the administrative efficiency with which the Exchange processes listing applications without substantively increasing the burden on listed companies.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule changes will impose any burden on competition that is not necessary or appropriate in furtherance of the purpose of the Act. The proposed rule change will have no impact on competition as it simply permits a change in the manner in which listing fees are collected, without changing the amount of those fees.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act⁶ and Rule 19b-4(f)(6) thereunder.⁷ Because the proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6)(iii) thereunder.⁸

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

⁷ 17 CFR 240.19b-4(f)(6).

⁸ 17 CFR 240.19b-4(f)(6)(iii). As required under Rule 19b-4(f)(6), the Exchange provided the Commission with written notice of its intent to file the proposed rule change, along with a brief description and the text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change.
