Title: Arrival and Departure Record, Nonimmigrant Visa Waiver Arrival/Departure, and Electronic System for Travel Authorization (ESTA).

OMB Number: 1651–0111.

Form Numbers: I–94 and I–94W.

Abstract: CBP Forms I–94 (Arrival/Departure Record) and I–94W (Nonimmigrant Visa Waiver Arrival/Departure Record) are used to document a traveler's admission into the United States. These forms are filled out by aliens and are used to collect information on citizenship, residency, and contact information. The data elements collected on these forms enable the DHS to perform its mission related to the screening of alien visitors for potential risks to national security, and the determination of admissibility to the United States. The Electronic System for Travel Authorization (ESTA) applies to aliens traveling to the United States under the Visa Waiver Program (VWP) and requires that VWP travelers provide information electronically to CBP before embarking on travel to the United States. Travelers who are entering under the VWP in the air or sea environment, and who have a travel authorization obtained through ESTA, are not required to complete the paper Form I–94W.

Pursuant to an interim final rule published on March 27, 2013 in the **Federal Register** (78 FR 18457) related to Form I–94, CBP has partially automated the Form I–94 process. CBP now gathers data previously collected

on the paper Form I–94 from existing automated sources in lieu of requiring passengers arriving by air or sea to submit a paper I–94 upon arrival. Passengers can access and print their electronic I–94 via the Web site at www.cbp.gov/I94.

ESTA can be accessed at http://www.cbp.gov/xp/cgov/travel/id_visa/esta/. Samples of CBP Forms I–94 and I–94W can be viewed at: <http://www.cbp.gov/document/forms/form-i-94-arrivaldeparture-record> and <http://www.cbp.gov/document/forms/form-i-94w-visa-waiver-arrivaldeparture-record>.

Current Actions: This submission is being made to extend the expiration date with a change to the burden hours resulting from revised estimates of the number of respondents using ESTA and filing Form I–94W. There are no changes to the information collected on Form I–94, Form I–94W, ESTA or the I–94 Web site.
