

and as such do not require an environmental assessment. The exemption from the requirement to have an STA in place is eligible for categorical exclusion under 10 CFR 51.22(c)(25)(vi)(H), which provides that exemptions from surety, insurance, or indemnification requirements are categorically excluded if the exemption would not result in any significant hazards consideration; change or increase in the amount of any offsite effluents; increase in individual or cumulative public or occupational radiation exposure; construction impacts; or increase in the potential for or consequence from radiological accidents. The staff finds that the STA exemption involves surety, insurance and/or indemnity requirements and that granting Uranerz this temporary exemption from the requirement of establishing a STA would not result in any significant hazards or increases in offsite effluents, radiation exposure, construction impacts, or potential radiological accidents. Therefore, an environmental assessment is not required.

IV. Conclusions

Accordingly, the NRC has determined that, pursuant to 10 CFR 40.14(a), the temporary exemption is authorized by law, will not present an undue risk to the public health and safety, is consistent with the common defense and security, and is in the public interest. Therefore, the NRC hereby grants Uranerz a temporary exemption from the requirement in 10 CFR part 40, appendix A, Criterion 9, to set up an STA to receive funds in the event the NRC or the State regulatory agency exercises is right to collect the surety. This exemption will expire on December 31, 2016. At that time, Uranerz will be required to ensure that its financial assurance arrangement is in compliance with the NRC's STA requirements.

Dated at Rockville, Maryland, this 28th day of August 2014.

Deputy Director, Decommissioning and Uranium Recovery Licensing Directorate, Division of Waste Management and Environmental Protection, Office of Federal and State Materials and Environmental Management Programs.

Applicants’ Representations:

1. The Company, a Delaware corporation, is an externally managed, non-diversified, closed-end management investment company that has elected to be regulated as a business development company (“BDC”) under the Act.¹ The Company’s investment objective is to provide its stockholders with both current income and capital appreciation primarily through debt investments and, to a lesser extent, equity investments. Garrison Adviser, a Delaware limited liability company, is the investment adviser to the Company. The Investment Adviser is registered under the Investment Advisers Act of 1940, as amended.

2. Garrison SBIC, a Delaware limited partnership, has received a “green light letter” from the Small Business Administration (“SBA”) and intends to submit an application to the SBA for a small business investment company (“SBIC”) license to operate under the Small Business Investment Act of 1958 (“SBIA”). Garrison SBIC expects to rely on the exclusion from the definition of investment company contained in section 3(c)(7) of the Act. The Company currently owns a 99% limited partnership interest in Garrison SBIC. The General Partner, a Delaware limited liability company, is the general partner of Garrison SBIC. The General Partner owns 1% of Garrison SBIC in the form of a general partner interest. The Company currently holds 100 percent of the shares of Holdco, which holds a one

percent membership interest in the General Partner.

Applicants’ Legal Analysis:

1. The Company requests an exemption pursuant to section 6(c) of the Act from the provisions of sections 18(a) and 61(a) of the Act to permit it to adhere to a modified asset coverage requirement with respect to any direct or indirect wholly-owned subsidiary of the Company that is licensed by the SBA to operate under the SBIA as a SBIC and relies on Section 3(c)(7) for an exemption from the definition of “investment company” under the 1940 Act (each, a “SBIC Subsidiary”).² Applicants state that companies operating under the SBIA, such as the SBIC Subsidiary, will be subject to the SBA’s substantial regulation of permissible leverage in their capital structure.

2. Section 18(a) of the Act prohibits a registered closed-end investment company from issuing any class of senior security or selling any such security of which it is the issuer unless the company complies with the asset coverage requirements set forth in that section. Section 61(a) of the Act makes section 18 applicable to BDCs, with certain modifications. Section 18(k) exempts an investment company operating as an SBIC from the asset coverage requirements for senior securities representing indebtedness that are contained in section 18(a)(1)(A) and (B).

3. Applicants state that the Company may be required to comply with the asset coverage requirements of section 18(a) (as modified by section 61(a)) on a consolidated basis because the Company may be deemed to be an indirect issuer of any class of senior security issued by Garrison SBIC or another SBIC Subsidiary. Applicants state that applying section 18(a) (as modified by section 61(a)) on a consolidated basis generally would require that the Company treat as its own all assets and any liabilities held directly either by itself, by Garrison SBIC, or by another SBIC Subsidiary. Accordingly, the Company requests an order under section 6(c) of the Act exempting the Company from the provisions of section 18(a) (as modified by section 61(a)), such that senior securities issued by each SBIC Subsidiary that would be excluded from the SBIC Subsidiary’s asset coverage ratio by section 18(k) if it were itself a BDC would also be excluded from the

Company’s consolidated asset coverage ratio.

4. Section 6(c) of the Act, in relevant part, permits the Commission to exempt any transaction or class of transactions from any provision of the Act if and to the extent that such exemption is necessary or appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the Act. Applicants state that the requested relief satisfies the section 6(c) standard. Applicants contend that, because the SBIC Subsidiary would be entitled to rely on section 18(k) if it were a BDC itself, there is no policy reason to deny the benefit of that exemption to the Company.

Applicants’ Condition:

Applicants agree that any order granting the requested relief will be subject to the following condition:

The Company shall not issue or sell any senior security, and the Company shall not cause or permit Garrison SBIC or any other SBIC Subsidiary to issue or sell any senior security of which the Company, Garrison SBIC or any other SBIC Subsidiary is the issuer except to the extent permitted by section 18 (as modified for BDCs by section 61) of the Act; provided that, immediately after the issuance or sale by any of the Company, Garrison SBIC or any other SBIC Subsidiary of any such senior security, the Company, individually and on a consolidated basis, shall have the asset coverage required by section 18(a) of the Act (as modified by section 61(a)). In determining whether the Company has the asset coverage on a consolidated basis required by section 18(a) of the Act (as modified by section 61(a)), any senior securities representing indebtedness of a SBIC Subsidiary if that SBIC Subsidiary has issued indebtedness that is held or guaranteed by the SBA shall not be considered senior securities and, for purposes of the definition of “asset coverage” in section 18(h), shall be treated as indebtedness not represented by senior securities.

For the Commission, by the Division of Investment Management, pursuant to delegated authority.

Kevin M. O’Neill,

Deputy Secretary.
