(7 U.S.C. 1621–1627). In addition, the definition of “Act” is amended under section 63.1 to be consistent with the redesignated statutory authority, and amends the regulations by increasing the administrative cap for the use of the fund from 3 percent to 10 percent. This section also affirms information contained in the interim rule concerning Executive Orders 12866, 13563, 12988, 13175, 13132, and the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. Background Information

The NSIIC was initially authorized under the Consolidated Farm and Rural Development Act (Act). The Act, as amended, was passed as part of the 1996 Farm Bill (Pub. L. 104–127). The initial legislation included a provision that privatized the NSIIC 10 years after its ratification or once the full appropriation of \$50 million was disbursed. Subsequently, the NSIIC was privatized on September 30, 2006 (72 FR 28945).

In 2008, the NSIIC was re-established under Title XI of the Food, Conservation, and Energy Act of 2008 (Pub. L. 110–246), also known as the 2008 Farm Bill. Section 11009 of the 2008 Farm Bill repealed the requirement in section 375(e)(6) of the Act to privatize the NSIIC. Additionally, the 2008 Farm Bill provided for \$1,000,000 in mandatory funding for fiscal year 2008 from the Commodity Credit Corporation for the NSIIC to remain available until expended, as well as authorization for appropriations in the amount of \$10 million for each of fiscal years 2008 through 2012. In July 2010, the U.S. Department of Agriculture (USDA) promulgated rules and regulations establishing the NSIIC, consistent with the Food, Conservation, and Energy Act of 2008 (75 FR 43031). The rule established the NSIIC and a Board that will manage and be responsible for the general supervision of the activities of the NSIIC, with oversight from the USDA. The NSIIC is authorized to use funds to make grants to eligible entities in accordance with a strategic plan.

The authorizing legislation established in the United States Department of the Treasury the NSIIC Revolving Fund (Fund). The Fund was available to the NSIIC, without fiscal year limitation, to carry out the authorized programs and activities of the NSIIC. The law provides authority for amounts in the Fund to be used for direct loans, loan guarantees, cooperative agreements, equity interests, investments, repayable grants, and grants to eligible entities, either directly or through an intermediary, in accordance with a strategic plan submitted by the NSIIC to the Secretary. In accordance with the 2014 Farm Bill, AMS amends the NSIIC regulations at 7 CFR part 63 as provided for herein.

The current program authorizes a grant-only program administered by the NSIIC Board. Based on funding, the Board announces that proposals may be submitted to the Board for consideration from eligible entities. The Board determines how funds are allocated. Proposals submitted to the Board must be consistent with the purpose of the NSIIC.
