SUMMARY: NHTSA and its partners at the Departments of Health and Human Services (HHS) and Homeland Security (DHS) are soliciting applications for appointment or reappointment to DOT's NEMSAC. The purpose of NEMSAC, a nationally recognized council of emergency medical services representatives and consumers, is to advise and consult with DOT and the Federal Interagency Committee on EMS (FICEMS) on matters relating to emergency medical services (EMS). More information on NEMSAC, including its previous recommendations, its charter, and its current membership is available at www.EMS.gov/NEMSAC.htm.

DATES: Application packages as described below must be received by NHTSA on or before December 1, 2014.

ADDRESSES: If you wish to apply for membership, your application package should be submitted by:

- Email: NEMSAC@dot.gov;
- Fax: (202) 366–7149; or

• Mail: Use only overnight mail such as UPS or FedEx to: U.S. Department of Transportation, National Highway Traffic Safety Administration, Office of Emergency Medical Services, Attn: Noah Smith, 1200 New Jersey Avenue SE., NTI–140, Washington, DC 20590.

Any person needing accessibility accommodations should contact Noah Smith at (202) 366–5030.

FOR FURTHER INFORMATION CONTACT: The Designated Federal Officer, Drew Dawson, Director, Office of Emergency Medical Services at (202) 366–9966; or Noah Smith at (202) 366–5030 or via email at NEMSAC@dot.gov.

SUPPLEMENTARY INFORMATION: Notice of this call for applications is given under the Federal Advisory Committee Act, Public Law 92–463, as amended (5 U.S.C. App. 2). The NEMSAC is authorized under Section 31108 of the Moving Ahead with Progress in the 21st Century Act of 2012.

The National Highway Traffic Safety Administration is hereby soliciting nominations for members of the NEMSAC. The Secretary of Transportation, in coordination with HHS and DHS, will appoint 25 Council members on or around April 22, 2015. Members will be selected with a view toward achieving a varied and balanced perspective on emergency medical services. The Council will be composed of non-Federal experts representing various sectors of the EMS community. To the extent reasonable, one member will be appointed to represent the perspectives of each of the following 24 particular sectors of EMS:

- EMS Practitioners
- Volunteer EMS
- Fire-based (career) EMS
- Private (career non-fire) EMS
- Hospital-based EMS
- Tribal EMS
- Air Medical EMS
- Local EMS service director/administrators
- EMS Medical Directors
- Emergency Physicians
- Trauma Surgeons
- Pediatric Emergency Physicians
- State EMS Directors
- State Highway Safety Directors
- EMS Educators
- Public Safety Call-taker/Dispatcher (911)
- EMS Data Managers
- EMS Researchers
- Emergency Nurses
- Hospital Administration
- Public Health
- Emergency Management
- Consumers (not directly affiliated with an EMS or healthcare organization)
- State or local legislative bodies (e.g. city/county councils; State legislatures)

The Council's broad-based membership will assure that it has sufficient EMS system expertise and geographic and demographic diversity to accurately reflect the EMS community as a whole. Applications for members within the EMS community will be solicited from a wide array of national organizations and the public. These members will be selected for their individual expertise and to assure balanced representation from across the EMS community, but no member will represent a specific organization or association. Membership balance is not static and may change, depending on the work of the Council.

Council members serve for a term of 2 years and may be reappointed for one additional successive term. The Chair and Vice Chair of the Council are

elected annually from among the selected members, and the Council is expected to meet approximately three times per year or as necessary in Washington, DC. Members serve in a "representative" capacity on NEMSAC and not as Special Government Employees. Members are unpaid; however, the NHTSA Office of EMS sponsors the associated costs for members to travel to Washington, DC.

Process and Deadline for Submitting New Applications: Individuals must self-nominate and must apply to represent specific sectors of EMS as outlined above. Applicants may apply to represent more than one sector. There is no standard application. Instead, to be considered for the NEMSAC, applicants must submit the following information in a single package:

(1) A cover letter addressed to the Designated Federal Officer, Drew Dawson, that includes:

- a. The applicant's full name, title, home address, phone number, and email address;

- b. Under the heading "SECTOR(S) OF EMS" a listing of which sectors of EMS the applicant is applying to represent from the list of 24 above; and

- c. An explanation of why the applicant is applying to be a NEMSAC member and how their experience and/or education qualifies them to represent each sector for which they are applying to represent;

- (2) A resume or curriculum vitae;
- (3) A short biography of the applicant including professional and academic credentials not to exceed 150 words;

- (4) Up to four (4) letters of support or recommendation from a company, union, trade association, non-profit organization or individual on letterhead containing a brief description why the applicant should be considered for appointment; and

- (5) An affirmative statement that the applicant is not a federally registered lobbyist, and that the applicant understands that if appointed, the applicant will not be allowed to continue to serve as a Council member if the applicant becomes a federally registered lobbyist;

Please do not send company, trade association, or organization brochures or any other information. Should more information be needed, DOT staff will contact the applicant, obtain information from their past affiliations, or obtain information from publicly available sources, such as the Internet.

It is preferred that application packages be emailed to NEMSAC@dot.gov, but they may also be faxed to the attention of Noah Smith at (202) 366–7149, or mailed to the U.S.

Department of Transportation, National Highway Traffic Safety Administration, Office of Emergency Medical Services, Attn: Noah Smith, 1200 New Jersey Avenue SE., NTI-140, Washington, DC, 20590. If mailing, please use only overnight mail such as UPS or FedEx. Applications must be received on or before December 1, 2014. Applications selected for appointment to the NEMSAC will be notified by email and by a letter of appointment.

Process and Deadline for Current NEMSAC Members to Apply for Reappointment: The NEMSAC charter stipulates a two-term limit for appointees, thus currently appointed members of NEMSAC in their first terms are eligible to apply for reappointment. Current NEMSAC members in their first term may apply for reappointment by submitting a cover letter addressed to the Designated Federal Officer, Drew Dawson with an explanation of why the member is seeking reappointment and an updated resume or curriculum vitae. The deadline and methods for submission are the same as above for new applicants.

Issued in Washington, DC, on September 16, 2014, under authority delegated in 49 CFR part 1.95.

Associate Administrator for Research and Program Development.

Surface Transportation Board

[Docket No. AB 933 (Sub-No. 1X)]

Dakota, Missouri Valley and Western Railroad, Inc.—Discontinuance of Service Exemption—in Burke County, ND

On August 29, 2014, Dakota, Missouri Valley and Western Railroad, Inc. (DMVW) filed with the Surface Transportation Board (Board) a petition under 49 U.S.C. 10502 for exemption from the provisions of 49 U.S.C. 10903 to discontinue rail service over two connecting lines in Burke County, N.D. The first line, known as the Flaxton-Stampede Line, is approximately 17 miles long and consists of segments between: (1) Milepost 541.0 at Flaxton and milepost 549.64 at Rival; (2) milepost 549.64 and milepost 550.8 at Lignite Junction; and (3) milepost 550.8 and milepost 558.0 near Stampede.¹ The

second line, known as the Lignite Line, is approximately 9.96 miles long and extends from milepost 550.8 (previously Burlington Northern Santa Fe (BNSF) milepost 56.96) at Lignite Junction to the end of Soo Line Railroad Company d/b/a Canadian Pacific Railway Company's ownership (previously BNSF milepost 47).² The Flaxton-Stampede Line and Lignite Line (collectively, Lines) traverse U.S. Postal Service Zip Codes 58737, 58722, 58752, 58727, and 58721.³

DMVW states that the Lines do not contain any federally granted rights-of-way. Any documentation in petitioner's possession will be made available promptly to those requesting it.

The interest of railroad employees will be protected by the conditions set forth in *Oregon Short Line Railroad—Abandonment Portion Goshen Branch Between Firth & Ammon, in Bingham & Bonneville Counties, Idaho*, 360 I.C.C. 91 (1979).

By issuance of this notice, the Board is instituting an exemption proceeding pursuant to 49 U.S.C. 10502(b). A final decision will be issued by December 17, 2014.

Because this is a discontinuance proceeding and not an abandonment proceeding, trail use/rail banking and public use conditions are not appropriate. Similarly, no environmental or historic documentation is required under 49 CFR 1105.6(c)(2) and 1105.8.

Any offer of financial assistance (OFA) under 49 CFR 1152.27(b)(2) to subsidize continued rail service will be due no later than December 26, 2014, or 10 days after service of a decision granting the petition for exemption, whichever occurs sooner. Each offer must be accompanied by a \$1,600 filing fee. *See* 49 CFR 1002.2(f)(25).

All filings in response to this notice must refer to Docket No. AB 933 (Sub-No. 1X) and must be sent to: (1) Surface Transportation Board, 395 E Street SW., Washington, DC 20423-0001; and (2) Edward J. Fishman, K&L Gates LLP, 1601 K St. NW., Washington, DC 20006-1600. Replies to the petition are due on or before October 8, 2014.

Company (CP). *See Dakota, Missouri Valley and W. R.R.—Lease and Oper. Exemption—Soo Line R.R.*, FD 31720 (ICC served Sept. 19, 1990).

² DMVW has been operating over the Lignite Line since 2007 pursuant to a lease from CP. *See Dakota, Missouri Valley & W. R.R.—Lease and Oper. Exemption—Soo Line R.R. d/b/a Canadian Pac. Ry.*, FD 35055 (STB served Aug. 10, 2007).

³ In June 2014, CP notified DMVW that it was removing the Lines from the parties' lease agreement so that CP could take over common carriage operations on the Lines. DMVW will retain the right to operate over the Lines for the sole purpose of exchanging railcars with CP at Flaxton.

Persons seeking further information concerning discontinuance procedures may contact the Board's Office of Public Assistance, Governmental Affairs, and Compliance at (202) 245-0238 or refer to the full abandonment and discontinuance regulations at 49 CFR part 1152. Questions concerning environmental issues may be directed to the Board's Office of Environmental Analysis (OEA) at (202) 245-0305. [Assistance for the hearing impaired is available through the Federal Information Relay Service (FIRS) at 1-800-877-8339.]

Board decisions and notices are available on our Web site at "www.stb.dot.gov."

Decided: September 15, 2014.

By the Board, Rachel D. Campbell, Director, Office of Proceedings.

Jeffrey Herzig,

Clearance Clerk.
