(c) *Regulations*. In accordance with the general regulations in 33 CFR

Vessel operators and persons given permission to enter or operate in a security zone must comply with all directions given to them by the First District Commander, the COTP, or the designated representative. Upon being hailed by a U.S. Coast Guard or other duly authorized law enforcement vessel (e.g. New York City police) by siren, radio, flashing lights, or other means, the operator of a vessel must proceed as directed and follow any instructions to anchor or moor up to a waterfront facility.

(d) *Enforcement Periods*. The security zone described in paragraph (a)(4) of this section is subject to enforcement at all times. All other security zones established by this section will only be enforced when necessary to protect dignitaries, as determined by the COTP New York.

As for the enforcement periods for the other security zones contained herein, the Coast Guard will rely on the methods described in 33 CFR 165.7 to notify the public of the time and duration of any enforcement period. The COTP New York may also notify the public about enforcement of these security zones via <http://homeport.uscg.mil/newyorkinformation>.

(f) *Contact Information*. Vessel operators desiring to enter or operate within a security zone established by this section shall telephone the COTP New York at 718-354-4356 or the designated representative via VHF channel 16 to obtain permission to do so.
