

enforcement.trade.gov/frn/2013/1304frn/2013-08227.txt, prior to submitting factual information in this segment. To the extent that other regulations govern the submission of factual information in a segment (such as 19 CFR 351.218), these time limits will continue to be applied.

Revised Extension of Time Limits Regulation

On September 20, 2013, the Department modified its regulation at 19 CFR 351.302(c) concerning the extension of time limits for submissions in antidumping and countervailing duty proceedings: *Extension of Time Limits*, 78 FR 57790 (September 20, 2013). The modification clarifies that parties may request an extension of time limits before a time limit established under part 351 of the Department's regulations expires, or as otherwise specified by the Secretary. In general, an extension request will be considered untimely if it is filed after the time limit established under part 351 expires. For submissions which are due from multiple parties simultaneously, an extension request will be considered untimely if it is filed after 10:00 a.m. on the due date. Under certain circumstances, the Department may elect to specify a different time limit by which extension requests will be considered untimely for submissions which are due from multiple parties simultaneously. In such a case, the Department will inform parties in the letter or memorandum setting forth the deadline (including a specified time) by which extension requests must be filed to be considered timely. This modification also requires that an extension request must be made in a separate, stand-alone submission, and clarifies the circumstances under which the Department will grant untimely-filed requests for the extension of time limits. These modifications are effective for all segments initiated on or after October 21, 2013. Review the final rule, available at <http://www.gpo.gov/fdsys/pkg/FR-2013-09-20/html/2013-22853.htm>, prior to submitting factual information in these segments.

Letters of Appearance and Administrative Protective Orders

Pursuant to 19 CFR 351.103(d), the Department will maintain and make available a public service list for these proceedings. Parties wishing to participate in any of these five-year reviews must file letters of appearance as discussed at 19 CFR 351.103(d)). To facilitate the timely preparation of the public service list, it is requested that those seeking recognition as interested parties to a proceeding submit an entry

of appearance within 10 days of the publication of the Notice of Initiation.

Because deadlines in Sunset Reviews can be very short, we urge interested parties who want access to proprietary information under administrative protective order ("APO") to file an APO application immediately following publication in the **Federal Register** of this notice of initiation. The Department's regulations on submission of proprietary information and eligibility to receive access to business proprietary information under APO can be found at 19 CFR 351.304–306.

Information Required From Interested Parties

Domestic interested parties, as defined in section 771(9)(C), (D), (E), (F), and (G) of the Act and 19 CFR 351.102(b), wishing to participate in a Sunset Review must respond not later than 15 days after the date of publication in the **Federal Register** of this notice of initiation by filing a notice of intent to participate. The required contents of the notice of intent to participate are set forth at 19 CFR 351.218(d)(1)(ii). In accordance with the Department's regulations, if we do not receive a notice of intent to participate from at least one domestic interested party by the 15-day deadline, the Department will automatically revoke the order without further review.⁴

If we receive an order-specific notice of intent to participate from a domestic interested party, the Department's regulations provide that *all parties* wishing to participate in a Sunset Review must file complete substantive responses not later than 30 days after the date of publication in the **Federal Register** of this notice of initiation. The required contents of a substantive response, on an order-specific basis, are set forth at 19 CFR 351.218(d)(3). Note that certain information requirements differ for respondent and domestic parties. Also, note that the Department's information requirements are distinct from the Commission's information requirements. Consult the Department's regulations for information regarding the Department's conduct of Sunset Reviews. Consult the Department's regulations at 19 CFR part 351 for definitions of terms and for other general information concerning antidumping and countervailing duty proceedings at the Department.

This notice of initiation is being published in accordance with section 751(c) of the Act and 19 CFR 351.218(c).

⁴ See 19 CFR 351.218(d)(1)(iii).

SUMMARY: On July 3, 2014, the Department of Commerce (the Department) published its notice of initiation and preliminary results of a changed circumstances review (CCR) of the countervailing duty order on certain lined paper products from India.¹ The Department preliminarily determined that Navneet Education Limited (Navneet Education) is the successor-in-interest to Navneet Publications (India) Ltd. (Navneet Publications). No parties submitted comments. For these final results we continue to find that Navneet Education is the successor-in-interest to Navneet Publications.

DATES: Effective October 1, 2014.

SUPPLEMENTARY INFORMATION:

Background

On October 17, 2013, Navneet Education submitted a request for a CCR asking the Department to find that Navneet Education is the successor-in-interest to Navneet Publications.² On

² See Navneet Education's March 17, 2014, letter to the Department, Request for Changed Circumstances Review Navneet Publications (India) Ltd. (CCR Request) at 2.

May 16, 2014, Navneet Education submitted a revised CCR request updating the period covered by the original CCR request for purposes of determining countervailing duties liability as a result of the *CLPP Order*.³ On July 3, 2014, the Department published its *Preliminary Results*, in which it preliminarily determined that Navneet Education is the successor-in-interest to Navneet Publications for purposes of the Department's countervailing duty proceeding on certain lined paper products from India.⁴ The Department invited interested parties to comment on the *Preliminary Results*.⁵ We received no comments or requests for a hearing from interested parties.

Scope of the Order

The merchandise covered by the *CLPP Order* is certain lined paper products, typically school supplies (for purposes of this scope definition, the actual use of or labeling these products as school supplies or non-school supplies is not a defining characteristic) composed of or including paper that incorporates straight horizontal and/or vertical lines on ten or more paper sheets (there shall be no minimum page requirement for looseleaf filler paper). The products are currently classified under the following Harmonized Tariff Schedule of the United States (HTSUS) subheadings: 4811.90.9035, 4811.90.9080, 4820.30.0040, 4810.22.5044, 4811.90.9050, 4811.90.9090, 4820.10.2010, 4820.10.2020, 4820.10.2030, 4820.10.2040, 4820.10.2050, 4820.10.2060, and 4820.10.4000. Although the HTSUS numbers are provided for convenience and customs purposes, the written product description remains dispositive.⁶

Final Results of Changed Circumstances Review

Because no parties submitted comments opposing the Department's *Preliminary Results*, and because there is no other information or evidence on the record that calls into question the *Preliminary Results*, the Department continues to find that Navneet Education is the successor-in-interest to Navneet Publications for the purpose of determining countervailing duty liability.

⁴ See *Preliminary Results*, 79 FR at 38011.

⁶ For a complete description of the scope of the *CLPP Order*, see the *Preliminary Results*.

Instructions to U.S. Customs and Border Protection

As a result of this determination, we find that Navneet Education should retain the cash deposit rate previously assigned to Navneet Publications (*i.e.*, the 8.76 percent cash deposit rate currently assigned to Navneet Publications) in the most recently completed review of the countervailing duty order on certain lined paper products from India for Navneet Publications.⁷ However, because cash deposits are only estimates of the amount of countervailing duties to be assessed, changes in cash deposit rates are not made retroactively.⁸ Therefore, as stated in the *Preliminary Results*, no retroactive change will be made to Navneet Education's cash deposit rate, as Navneet Education requested.⁹ Consequently, the Department will instruct U.S. Customs and Border Protection to collect estimated countervailing duties for all shipments of subject merchandise exported by Navneet Education and entered, or withdrawn from warehouse, for consumption on or after the publication date of this notice in the **Federal Register** at the current cash deposit rate for Navneet Publications. This cash deposit requirement shall remain in effect until further notice.

Notification

This notice serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.306. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

⁹ Navneet Education argued that the determination as successor-in-interest should be made effective as of the date of the name change, *i.e.*, September 30, 2013. See CCR Request at 8 and see *Preliminary Results*, 79 FR at 38012.

This notice is published in accordance with sections 751(b)(1) and 777(i) of the Tariff Act of 1930, as amended, and 19 CFR 351.216(e).
