SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-73409; File No. SR-CBOE-2014-015]

Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated; Notice of Designation of a Longer Period for Commission Action on a Proposed Rule Change Relating to Complex Orders

October 22, 2014.

On August 19, 2014, Chicago Board Options Exchange, Incorporated (the "Exchange" or "CBOE") filed with the Securities and Exchange Commission (the "Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change amending its rules relating to complex orders. The proposed rule change was published in the **Federal Register** on September 8, 2014.³ The Commission received no comments on the proposed rule change.

Section 19(b)(2) of the Act⁴ provides that within 45 days of the publication of notice of the filing of a proposed rule change, or within such longer period up to 90 days as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or as to which the self-regulatory organization consents, the Commission shall either approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether the proposed rule change should be disapproved. The 45th day for this filing is October 23, 2014. The Commission is extending this 45-day time period.

The Commission finds it appropriate to designate a longer period within which to take action on the proposed rule change so that it has sufficient time

to consider this proposed rule change. The proposed rule change, if approved, would, among other things, revise the definitions of complex orders and establish certain requirements for complex orders traded in open outcry to be eligible for complex order priority.

Accordingly, the Commission, pursuant to Section 19(b)(2) of the Act,⁵ designates December 5, 2014, as the date by which the Commission should either approve or disapprove, or institute proceedings to determine whether to disapprove, the proposed rule change (File No. SR-CBOE-2014-015).

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.⁶

Kevin M. O'Neill,
Deputy Secretary.
