The Council meets in formal session three to four times each year in various locations throughout the California Desert District. Council members serve without compensation other than travel expenses. Members serve three-year terms and may reapply to be nominated for reappointment to an additional three-year term.

Section 309 of the Federal Land Policy and Management Act directs the Secretary of the Interior to involve the public in planning and issues related to management of BLM-administered lands. The Secretary also selects Council nominees consistent with the requirements of the Federal Advisory Committee Act (FACA), which requires nominees appointed to the Council be balanced in terms of points of view and representative of the various interests concerned with the management of the public lands.

The Council also is balanced geographically, and the BLM will try to find qualified representatives from areas throughout the California Desert District. The District covers portions of eight counties, and includes more than 10 million acres of public land in the California Desert Conservation Area of Mono, Inyo, Kern, Los Angeles, San Bernardino, Riverside, and Imperial counties, as well as 300,000 acres of scattered parcels in San Diego, western Riverside, western San Bernardino, and Los Angeles counties (known as the South Coast).

Public notice begins with the publication date of this notice and nominations will be accepted for 45 days from the date of this notice. The six positions to be filled include one elected official, one representative of non-renewable resources groups or organizations, one representative of recreation groups or organizations, one representative of wildlife groups or organizations, and two representatives of the public-at-large. These six positions become vacant on Dec. 7, 2014.

Any group or individual may nominate a qualified person, based upon education, training, and knowledge of the BLM, the California Desert, and the issues involving BLM-administered public lands throughout Southern California. Qualified individuals may also nominate themselves.

The nomination form may be found on the Desert Advisory Council Web

page: <http://www.blm.gov/ca/st/en/info/rac/dac.html>. The following must accompany the form for all nominations:

- Any other information that addresses the nominee's qualifications.

Nominees unable to download the nomination form may contact the BLM California Desert District External Affairs staff at (951) 697-5217 to request a copy. Advisory Council members are appointed by the Secretary of the Interior. The Obama Administration prohibits individuals who are currently federally registered lobbyists to serve on all FACA and non-FACA boards, committees or councils.
