[B-86-2014]

Foreign-Trade Zone (FTZ) 57—Charlotte, North Carolina Notification of Proposed Export Production Activity Gildan Yarns, LLC (Cotton, Cotton/Polyester Yarns) Salisbury, North Carolina

The Charlotte Regional Partnership, Inc., grantee of FTZ 57, submitted a notification of proposed export production activity to the FTZ Board on behalf of Gildan Yarns, LLC (Gildan), located in Salisbury, North Carolina. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on December 8, 2014.

The Gildan facility is located within Site 19 of FTZ 57. The activity at the facility would involve the production of spun cotton and cotton/polyester yarns for export (no shipments for U.S. consumption would occur). Pursuant to 15 CFR 400.14(b), FTZ activity would be limited to the specific foreign-status materials and components and specific finished products described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt Gildan from customs duty payments on the foreign status material used in export production. The sole foreign-origin material to be used in the export production is polyester staple fiber (duty rate: 4.3%). Customs duties also could possibly be deferred or reduced on foreign status production equipment or the foreign material scrapped or destroyed under U.S. Customs and Border Protection procedures.

Public comment is invited from interested parties. Submissions shall be addressed to the FTZ Board's Executive Secretary at the address below. The closing period for their receipt is January 27, 2015.

A copy of the notification will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230-0002, and in the "Reading Room" section of the FTZ Board's Web site, which is accessible via www.trade.gov/ftz.

I. Abstract

Title III of the Export Trading Company Act (hereinafter "the Act") of 1982 (Pub. L. 97-290, 15 U.S.C. 4001 *et seq.*), authorizes the Secretary of Commerce to issue, with the concurrence of the Attorney General, an Export Trade Certificate of Review to any person that establishes that its proposed export trade, export trade activities, and methods of operation meet the four standards found in Section 303(a) of the Act, 15 U.S.C. 4001 *et seq.* An Export Trade Certificate of Review provides the certificate holder and its members with limited antitrust immunity for specified export-related activities. Application for an Export Trade Certificate of Review is voluntary.

The information to be collected is found at 15 CFR part 325.3—Export Trade Certificates of Review. The collection of information is necessary for both the Departments of Commerce and Justice to conduct an analysis, in order to determine whether the applicant and its members are eligible to receive the protection of an Export Trade Certificate of Review and whether the applicant's proposed export-related conduct meets the standards in Section 303(a) of the Act. The collection of information constitutes the essential basis of the statutory determinations to be made by the Secretary of Commerce and the Attorney General.

The Department of Commerce conducts its economic and legal analysis of the information supplied by applicants through the Office of Trade and Economic Analysis and the Office of the General Counsel. In the Department of Justice, analysis is conducted by the Antitrust Division.

Title III was enacted to reduce uncertainty regarding the application of U.S. antitrust laws to export activities. An Export Trade Certificate of Review provides its holder and members named in the Certificate with (a) protection from government actions under state and federal antitrust laws for the export conduct specified in the Certificate, and (b) certain protection from private suits, by limiting liability in private actions to actual damages when the challenged activities are covered by an Export Trade Certificate of Review.

Certain Frozen Warmwater Shrimp From the People's Republic of China: Final Results of Antidumping Duty Administrative Review; 2013–2014

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: On September 12, 2014, the Department of Commerce (the “Department”) published the *Preliminary Results* of the 2013–2014 administrative review on certain frozen warmwater shrimp (“shrimp”) from the People's Republic of China (“PRC”), covering the period of review (“POR”) from February 1, 2013, through January 31, 2014.¹ We gave interested parties an opportunity to submit comments on the *Preliminary Results*, but none were received. Therefore, these final results are unchanged from the *Preliminary Results*, and we continue to find that Shantou Yuexing Enterprise Company (“SYEC”), and Zhanjiang Regal Integrated Marine Resources Co., Ltd. (“Regal”) did not have reviewable entries during this POR. Additionally, we continue to find that Rizhao Smart Foods Co., Ltd. (“Smart Foods”) is not eligible for a separate rate, and we will continue to treat it as part of the PRC-wide entity.

DATES: *Effective Date:* December 18, 2014.

SUPPLEMENTARY INFORMATION:

Background

On September 14, 2014, the Department published the *Preliminary Results* of this administrative review. SYEC, Smart Foods, and Regal² submitted “no shipment certifications” to the Department.³ In response to the Department's query, U.S. Customs and Border Protection (“CBP”) did not provide any evidence that contradicted SYEC or Regal's claims of no shipments. The Department received no comments from interested parties concerning the results of the CBP queries. Therefore, based on SYEC and Regal's certifications and our analysis of CBP information, we preliminarily determined that SYEC and Regal did not have any reviewable entries during the POR.⁴ With regard to Smart Foods, we noted that because it was previously found to be part of the PRC-wide entity, and continues to be part of the PRC-wide entity for this review, we were not making a determination regarding its no shipments certification.⁵ In the *Preliminary Results* we determined that 58 companies in total should be treated as part of the PRC-wide entity.⁶ We invited interested parties to comment on the *Preliminary Results*. We received no comments from interested parties.

Scope of the Order

The scope of the order includes certain frozen warmwater shrimp and prawns, whether wild-caught (ocean harvested) or farm-raised (produced by

² In the *Initiation Notice*, we stated that because the order was revoked with respect to subject merchandise produced and exported by Regal, this administrative review covers all subject merchandise exported by Regal and manufactured by any company other than Regal.
