

Region III, 1650 Arch Street,  
Philadelphia, PA 19103–2029.

- Bureau of Safe Drinking Water,  
Pennsylvania Department of  
Environmental Protection, 11th Floor  
Rachel Carson State Office Building, 400  
Market Street, Harrisburg, PA 17101.

**FOR FURTHER INFORMATION CONTACT:**

Kelly Moran at the Philadelphia address  
given above, telephone (215) 814–2331,  
fax (215) 814–2302, or email  
[Moran.Kelly@epa.gov](mailto:Moran.Kelly@epa.gov).

**SUPPLEMENTARY INFORMATION:** All  
interested parties are invited to submit  
written comments on this determination  
and may request a public hearing. All  
comments will be considered; if  
necessary, EPA will issue a response.  
Frivolous or insubstantial requests for a  
hearing may be denied by the Regional  
Administrator. However, if a substantial  
request for a public hearing is made by  
January 29, 2015, a public hearing will  
be held. A request for public hearing  
shall include the following: (1) The  
name, address, and telephone number of  
the individual, organization, or other  
entity requesting a hearing; (2) a brief  
statement of the requesting person's  
interest in the Regional Administrator's  
determination and of information that  
the requesting person intends to submit  
at such a hearing; and (3) the signature  
of the individual making the request; or,  
if the request is made on behalf of an  
organization or other entity, the  
signature of a responsible official of the  
organization or other entity.

Dated: December 3, 2014.

**Shawn M. Garvin,**

*Regional Administrator, EPA, Region III.*

## ENVIRONMENTAL PROTECTION AGENCY

[FRL–9920–84–OA]

### Notification of a Joint Public Teleconference of the Chartered Science Advisory Board and the Board of Scientific Counselors and a Public Teleconference of the Chartered Science Advisory Board

**AGENCY:** Environmental Protection  
Agency.

**ACTION:** Notice.

**SUMMARY:** The Environmental Protection  
Agency (EPA) Science Advisory Board  
(SAB) Staff Office announces two public  
teleconferences: (1) A joint  
teleconference of the Chartered SAB and  
Board of Scientific Counselors (BOSC)  
to discuss a draft report providing  
advice on implementation of Office of

Research and Development's (ORD's)  
strategic directions for research; and (2)  
a teleconference of the Chartered SAB to  
discuss information provided in the  
agency's Fall 2013 and Spring 2014  
regulatory agenda and to review draft  
SAB reports on the EPA's draft web-  
based Report on the Environment and  
the EPA's draft Environmental Justice  
Technical Guidance.

**DATES:** The public teleconference for the  
Chartered SAB and the BOSC will be  
held on Tuesday, January 13, 2015, from  
3:00 p.m. to 5:00 p.m. (Eastern Time)  
and the public teleconference for the  
Chartered SAB will be held on Friday,  
January 23, 2015, from 1:00 p.m. to 4:30  
p.m. (Eastern Time).

**ADDRESSES:** The public teleconferences  
will be conducted by telephone only.

**FOR FURTHER INFORMATION CONTACT:** Any  
member of the public wishing to obtain  
information concerning the public  
teleconferences may contact Dr. Angela  
Nugent, Designated Federal Officer  
(DFO), EPA Science Advisory Board  
Staff Office (1400R), U.S. Environmental  
Protection Agency, 1200 Pennsylvania  
Avenue NW., Washington, DC 20460; by  
telephone/voice mail at (202) 564–2218  
or at [nugent.angela@epa.gov](mailto:nugent.angela@epa.gov). General  
information about the SAB as well as  
any updates concerning the  
teleconferences announced in this  
notice may be found on the EPA Web  
site at <http://www.epa.gov/sab>.

**SUPPLEMENTARY INFORMATION:** The SAB  
was established pursuant to the  
Environmental Research, Development,  
and Demonstration Authorization Act  
(ERDDAA), codified at 42 U.S.C. 4365,  
to provide independent scientific and  
technical advice to the Administrator on  
the technical basis for Agency positions  
and regulations. The BOSC was  
established by the EPA to provide  
advice, information, and  
recommendations regarding the ORD  
research program. The SAB and BOSC  
are federal advisory committees  
chartered under the Federal Advisory  
Committee Act (FACA), 5 U.S.C., App.  
2. Pursuant to FACA and EPA policy,  
notice is hereby given that: (1) The  
Chartered SAB and Chartered BOSC  
will hold a joint teleconference to  
discuss a draft report on future  
directions for ORD's research programs  
and (2) the Chartered SAB will hold a  
public teleconference for two purposes.  
The first purpose is to discuss  
information provided in the agency's  
Fall 2013 and Spring 2014 regulatory  
agenda, specifically planned actions and  
their supporting science. The second  
purpose is to review two draft SAB  
reports (on the EPA's draft web-based  
Report on the Environment and the

EPA's draft Environmental Justice  
Technical Guidance). The SAB and  
BOSC will comply with the provisions  
of FACA and all appropriate SAB Staff  
Office procedural policies.

*Joint SAB–BOSC teleconference on  
future directions for ORD's research  
programs.* On January 13, 2015, the  
Chartered SAB and Chartered BOSC  
will discuss a draft report entitled  
*Strategic Research Planning for 2016–  
2019: A Joint Report (11/20/14 Draft) of  
the SAB and ORD BOSC*. The draft  
report was developed as a result of  
deliberations at a joint SAB–BOSC  
meeting on July 24–25, 2014.  
Information about this advisory activity  
can be found on the Web at [http://  
yosemite.epa.gov/sab/sabproduct.nsf/  
fedrgstr\\_activites/ORD%20Strat%20  
Dir%202016-2019?OpenDocument](http://yosemite.epa.gov/sab/sabproduct.nsf/fedrgstr_activites/ORD%20Strat%20Dir%202016-2019?OpenDocument).

*Chartered SAB teleconference to  
discuss EPA planned actions and review  
two draft SAB reports.* On January 23,  
2015, the chartered SAB will hold a  
teleconference for two purposes. The  
first purpose is to discuss information  
provided in the agency's Fall 2013 and  
Spring 2014 regulatory agenda,  
specifically planned actions and their  
supporting science. The Chartered SAB  
will conclude discussions begun at an  
SAB public teleconference on June 11,  
2014 (79 FR 27604–27605) regarding the  
Fall 2013 Unified (Regulatory) Agenda  
and Regulatory Plan. Information about  
this advisory activity can be found on  
the Web at [http://yosemite.epa.gov/sab/  
sabproduct.nsf/fedrgstr\\_activites/  
SAB%20Fall%202013%20Agenda%20  
Disc?OpenDocument](http://yosemite.epa.gov/sab/sabproduct.nsf/fedrgstr_activites/SAB%20Fall%202013%20Agenda%20Disc?OpenDocument). The Chartered  
SAB will also discuss recommendations  
regarding the Spring 2014 Unified  
(Regulatory) Agenda and Regulatory  
Plan. Information about this advisory  
activity can be found on the Web at  
[http://yosemite.epa.gov/sab/sabproduct.  
nsf/fedrgstr\\_activites/SAB%20  
Spring%202014%20Agenda%20Disc?  
OpenDocument](http://yosemite.epa.gov/sab/sabproduct.nsf/fedrgstr_activites/SAB%20Spring%202014%20Agenda%20Disc?OpenDocument).

The second purpose of the call on  
January 23, 2015, is for the SAB to  
review two draft SAB reports. Quality  
review is a key function of the chartered  
SAB. Draft reports prepared by SAB  
committees, panels, or work groups  
must be reviewed and approved by the  
chartered SAB before transmittal to the  
EPA Administrator. Consistent with  
FACA, the chartered SAB makes a  
determination in a public meeting about  
each draft report and determines  
whether the report is ready to be  
transmitted to the EPA Administrator.

The first Chartered SAB review will  
focus on a draft report on the scientific  
and technical merit of the EPA's draft  
Web-based Report on the Environment  
with particular attention to its adoption

of a sustainability framework and new sustainability indicators, as well as the online format as a tool to communicate to scientists, policy makers and public audiences. The SAB undertook this review at the request of the EPA's Office of Research and Development. Information about this advisory activity can be found on the Web at [http://yosemite.epa.gov/sab/sabproduct.nsf/fedrgstr\\_activites/ROE%202014?OpenDocument](http://yosemite.epa.gov/sab/sabproduct.nsf/fedrgstr_activites/ROE%202014?OpenDocument).

The second Chartered SAB review will focus on an SAB draft report reviewing the EPA's draft Environmental Justice Technical Guidance. The EPA developed the guidance to assist agency staff on how to assess disproportionate environmental and public health impacts of proposed rules and actions on minority, low income and indigenous populations in a variety of regulatory contexts. The EPA's Office of Policy requested the SAB's assessment of the appropriateness and scientific soundness of the technical guidance. Information about this advisory activity can be found on the Web at [http://yosemite.epa.gov/sab/sabproduct.nsf/fedrgstr\\_activites/EJ%20Technical%20Guidance?OpenDocument](http://yosemite.epa.gov/sab/sabproduct.nsf/fedrgstr_activites/EJ%20Technical%20Guidance?OpenDocument).

**Availability of Meeting Materials:** The agendas and materials in support of these teleconferences will be available on the EPA Web site at <http://www.epa.gov/sab> in advance of the teleconferences.

**Procedures for Providing Public Input:** Public comment for consideration by EPA's federal advisory committees and panels has a different purpose from public comment provided to EPA program offices. Therefore, the process for submitting comments to a federal advisory committee is different from the process used to submit comments to an EPA program office.

Federal advisory committees and panels, including scientific advisory committees, provide independent advice to EPA. Members of the public can submit comments for a federal advisory committee to consider as it develops advice for EPA. Input from the public to the SAB will have the most impact if it provides specific scientific or technical information or analysis for SAB panels to consider or if it relates to the clarity or accuracy of the technical information. Members of the public wishing to provide comment should contact the Designated Federal Officer as noted above.

**Oral Statements:** In general, individuals or groups requesting an oral presentation at a teleconference will be limited to three minutes. Each person making an oral statement should

consider providing written comments as well as their oral statement so that the points presented orally can be expanded upon in writing. Interested parties should contact Dr. Angela Nugent, DFO, in writing (preferably via email) at the contact information noted above one week before each of the teleconferences to be placed on the list of public speakers.

**Written Statements:** Written statements should be supplied to the DFO, preferably via email, at the contact information noted above one week before each of the teleconferences so that the information may be made available to the Board members for their consideration. It is the SAB Staff Office general policy to post written comments on the Web page for the advisory meeting or teleconference. Submitters are requested to provide an unsigned version of each document because the SAB Staff Office does not publish documents with signatures on its Web sites. Members of the public should be aware that their personal contact information, if included in any written comments, may be posted to the SAB Web site. Copyrighted material will not be posted without explicit permission of the copyright holder.

**Accessibility:** For information on access or services for individuals with disabilities, please contact Dr. Angela Nugent at (202) 564-2218 or [nugent.angela@epa.gov](mailto:nugent.angela@epa.gov). To request accommodation of a disability, please contact Dr. Nugent preferably at least ten days prior to the teleconference to give EPA as much time as possible to process your request.

Dated: December 15, 2014.

**Thomas H. Brennan,**  
Deputy Director, EPA Science Advisory Staff Office.

## ENVIRONMENTAL PROTECTION AGENCY

[FRL-9921-07-Region 6]

### Draft National Pollutant Discharge Elimination System (NPDES) General Permit for Discharges From Horse, Cattle and Dairy Concentrated Animal Feeding Operations (CAFOs) in New Mexico (Except Indian Country)

**AGENCY:** Environmental Protection Agency.

**ACTION:** Notice of proposed permit reissuance.

**SUMMARY:** Environmental Protection Agency (EPA) Region 6 Water Quality

Protection Division is today proposing for public comment the reissuance of a National Pollutant Discharge Elimination System general permit (NMG010000) for discharges from eligible owners/operators of existing concentrated animal feeding operations (CAFOs), in New Mexico, except those discharges on Indian Country. CAFOs discharging on Indian Country would be required to apply for an individual permit.

This permit was originally issued with an effective date of September 3, 2009, and an expiration date of September 2, 2014. Conditions from the 2009 permit are continued with the following changes proposed as part of this reissuance: (1) Removing eligibility for coverage for "New sources" under the proposed permit, (2) adding on-site rainfall measurement and record keeping, and (3) adding requirement for paperless submittal of application documents (NOIs and NMPs).

**DATES:** Comments must be submitted in writing to EPA on or before March 2, 2015.

**ADDRESSES:** Comments should be submitted to Ms. Evelyn Rosborough via email: [rosborough.evelyn@epa.gov](mailto:rosborough.evelyn@epa.gov), or may be mailed to Ms. Evelyn Rosborough, Environmental Protection Agency, Water Quality Protection Division (6WQ-NP), 1445 Ross Ave., Suite 1200, Dallas, TX 75202.

**DATES: Public Meeting:** An informal public meeting is scheduled. The meeting will include a presentation on the proposed permit followed by the opportunity for questions and answers. Written, but not oral, comments for the administrative record will be accepted at the public meeting.

**Date:** February 10, 2015.

**Time:** 2 p.m. to 4 p.m.

**Place:** Eastern New Mexico State University—Roswell, Occupational Technology Center, Seminar Room 124, 20 West Mathis, Roswell, New Mexico 88202-6000.

**Public Hearings:** No public hearing is scheduled at this time; however, interested persons may request a public hearing pursuant to 40 CFR 124.12 concerning the proposed permit. Requests for a public hearing must be sent or delivered in writing to the same address as provided above for public comments prior to the close of the comment period. Requests for a public hearing must state the nature of the issues proposed to be raised in the hearing. Pursuant to 40 CFR 124.12, EPA shall hold a public hearing if it finds, on the basis of requests, a significant degree of public interest in a public hearing on the proposed permit.
