

its discussions of this topic in December 2014. For the report of this session, see document A/CN.9/829, available at http://www.uncitral.org/uncitral/en/commission/working_groups/5Insolvency.html.

Also at its December 2014 session, Working Group V continued its efforts to address enterprise group insolvency issues. It plans to develop model legislative provisions that would facilitate the cross-border insolvency of enterprise group members, addressing topics such as provision of access to foreign courts for representatives and creditors of insolvency proceedings involving enterprise group members, provision of standing for group members to participate in the insolvency proceedings of other members, the use of synthetic proceedings, and appropriate forms of relief.

The purpose of the public meeting is to obtain the views of concerned stakeholders on draft instruments prepared by the UNCITRAL Secretariat on both topics: The recognition and enforcement of insolvency-related judgments and the insolvency of cross-border enterprise groups. The drafts will be posted by the Secretariat at http://www.uncitral.org/uncitral/en/commission/working_groups/5Insolvency.html

Time and Place: The meeting will take place on May 11, 2015, from 9:30 a.m. until 12:00 p.m. via a teleconference. Those who cannot participate but wish to comment are welcome to do so by email to Tim Schnabel at SchnabelTR@state.gov.

Public Participation: This meeting is open to the public. If you would like to participate by telephone, please email pil@state.gov to obtain the call-in number and other information.

Dated: April 9, 2015.

Timothy R. Schnabel,

Attorney-Adviser, Office of Private International Law, Office of Legal Adviser, Department of State.

Notice of Request To Release Airport Property

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice of Intent to Rule on Request to Release Airport Property at

the Colonel James Jabara Airport (AAO), Wichita, Kansas.

SUMMARY: The FAA proposes to rule and invites public comment on the release of land at the Colonel James Jabara Airport (AAO), Wichita, Kansas, under the provisions of 49 U.S.C. 47107(h)(2).

DATES: Comments must be received on or before May 21, 2015.

ADDRESSES: Comments on this application may be mailed or delivered to the FAA at the following address: Lynn D. Martin, Airports Compliance Specialist, Federal Aviation Administration, Airports Division, ACE-610C, 901 Locust Room 364, Kansas City, MO 64106.

In addition, one copy of any comments submitted to the FAA must be mailed or delivered to: John Oswald, Airport Engineer, Colonel James Jabara Airport, Wichita Airport Authority; 2173 Air Cargo Rd., Wichita, KS 67209, (316) 946-4700.

FOR FURTHER INFORMATION CONTACT:

Lynn D. Martin, Airports Compliance Specialist, Federal Aviation Administration, Airports Division, ACE-610C, 901 Locust Room 364, Kansas City, MO 64106, (816) 329-2644, lynn.martin@faa.gov. The request to release property may be reviewed, by appointment, in person at this same location.

SUPPLEMENTARY INFORMATION: The FAA invites public comment on the request to release approximately 1.358+ acres of airport property at the Colonel James Jabara Airport (AAO) under the provisions of 49 U.S.C. 47107(h)(2). On September 9, 2014, the City of Wichita's Airport Engineer requested from the FAA that approximately 1.358+ acres of property be released for sale to Sedgwick County Public Works for the purpose of road widening and utilities. On January 22, 2015, the FAA determined that the request to release property at Colonel James Jabara Airport (AAO) submitted by the Sponsor meets the procedural requirements of the Federal Aviation Administration and the release of the property does not and will not impact future aviation needs at the airport. The FAA may approve the request, in whole or in part, no sooner than thirty days after the publication of this Notice.

The following is a brief overview of the request:

Colonel James Jabara Airport (AAO) is proposing the release of a parcel, totaling 1.358+ acres. The release of land is necessary to comply with Federal Aviation Administration Grant Assurances that do not allow federally acquired airport property to be used for

non-aviation purposes. The sale of the subject property will result in the land at the Colonel James Jabara Airport (AAO) being changed from aeronautical to nonaeronautical use and release the surface lands from the conditions of the AIP Grant Agreement Grant Assurances, but retaining the mineral rights. In accordance with 49 U.S.C. 47107(c)(2)(B)(i) and (iii), the airport will receive fair market value for the property.

Any person may inspect, by appointment, the request in person at the FAA office listed above under **FOR FURTHER INFORMATION CONTACT**. In addition, any person may, upon appointment and request, inspect the application, notice and other documents determined by the FAA to be related to the application in person at the Colonel James Jabara Airport.

Issued in Kansas City, MO on April 14, 2015.

Jim A. Johnson,

Manager, Airports Division.

Notice of Scoping for Highway Project in Pierce County, Washington

AGENCY: Federal Highway Administration (FHWA), DOT.

ACTION: Notice of Scoping—Environmental Assessment/Environmental Impact Statement.

SUMMARY: The FHWA is issuing this notice to advise the public that

environmental impact scoping will be prepared for a proposed highway project in Pierce County, Washington. Based upon this scoping information, a decision will be made as to whether to prepare an environmental assessment or an environmental impact statement.

FOR FURTHER INFORMATION CONTACT:

Dean Moberg, Area Engineer, Federal Highway Administration, 711 South Capitol Way, Suite 501, Olympia, Washington 98501, Telephone: (360) 534–9344.

SUPPLEMENTARY INFORMATION: The FHWA, in cooperation with the Washington State Department of Transportation (WSDOT) will prepare either an Environmental Assessment (EA) or an Environmental Impact Statement (EIS) on a proposal to provide improvements along the I–5 corridor between the interchanges with Gravelly Lake Drive and Mounts Road to relieve chronic congestion and improve person and freight mobility. Improvements to the corridor are considered necessary to provide for the existing and projected traffic demand after receiving all public and private scoping comments and feedback on the project's impacts that will determine the appropriate environmental document.

Alternatives under consideration include: (1) Taking no action; (2) a two-phased proposed action, first phase to be built upon availability of funding. The second phase would be implemented in the future when warranted by traffic demand and resulting congestion. The first phase would add one HOV lane both northbound and southbound, rebuild three interchanges (Thorne Ln.; Berkely St.; and Steilacoom DuPont Rd.), and include other improvements. The future phase would add an additional managed lane both northbound and southbound and include revisions to other interchanges in the corridor.

FHWA and WSDOT are holding a public scoping meeting on May 5, 2015 from 4–7 p.m. at the McGavick Conference Center on the campus of Clover Park Technical College in Lakewood to solicit public comments regarding issues to be addressed in the EA or EIS. The meeting will use an informal, open-house format. Exhibits, maps, and other pertinent information about this project will be displayed. Staff will be present to answer questions as appropriate and as time permits.

Agencies, Tribes, and the public are encouraged to submit comments on the purpose and need and preliminary range of alternatives during the scoping period. Comments must be received by May 18, 2015 to be included in the
