## DELETION

### JS008CSD

Joint Protection Enterprise Network (September 26, 2003, 68 FR 55593).

#### REASON:

Based on a review of JS008CSD, Joint Protection Enterprise Network, it has been determined that this system of records was transferred to USNORTHCOM and the system was subsequently terminated and records were deleted due to lack of funding in July 2006. This is confirmed by the DoD Inspector General Report, Subject: The Threat and Local Observation Notice (TALON) Report Program (Report No. 07-INTEL-09), dated June 27, 2007. Therefore, the JS008CSD system of records notice can be deleted.

Such subcommittees will not work independently of the Board and will report all of their recommendations and advice solely to the Board for full and open deliberation and discussion.
