**ACTION:** Notice of creation of a new system of records.

**SUMMARY:** Pursuant to the provisions of the Privacy Act of 1974, as amended, the Department of the Interior is issuing a public notice of its intent to create the Indian Arts and Crafts Board system of records. The system will assist the Department of the Interior's Indian Arts and Crafts Board in overseeing the implementation of the Indian Arts and Crafts Act of 1990, as amended, and managing Indian Arts and Crafts Board program activities. This newly established system will be included in the Department of the Interior's inventory of record systems.

Street NW., Mail Stop 5547 MIB, Washington, DC 20240; or emailing comments to [Privacy@ios.doi.gov](mailto:Privacy@ios.doi.gov).

**FOR FURTHER INFORMATION CONTACT:**

Director, Indian Arts and Crafts Board, U.S. Department of the Interior, 1849 C Street NW., Mail Stop 2528 MIB, Washington, DC 20240; or by telephone at 202–208–3773.

**SUPPLEMENTARY INFORMATION:**

**I. Background**

The Department of the Interior (DOI), Office of the Secretary is creating the Indian Arts and Crafts Board system of records. The system will assist the DOI Indian Arts and Crafts Board (IACB) in overseeing the implementation of the Indian Arts and Crafts Act of 1990, the investigation of individuals or organizations that offer or display for sale or sell any good, with or without a Government trademark, in a manner that falsely suggests it is Indian produced, an Indian product, or the product of a particular Indian or Indian tribe or Indian arts and crafts organization within the United States. The system also helps the IACB manage its program activities; promote the economic development of American Indians and Alaska Natives of federally recognized tribes through the expansion of the Indian arts and crafts market; provide promotional opportunities, general business advice, and information on the Indian Arts and Crafts Act to Native American artists, craftspeople, businesses, museums, and cultural centers of federally recognized tribes; manage museum exhibitions and activities; and produce the *Source Directory of American Indian and Alaska Native Owned and Operated Arts and Crafts Businesses*.

In a notice of proposed rulemaking, which is published separately in the **Federal Register**, the Department of the Interior is proposing to exempt particular records maintained in this system from certain provisions of the Privacy Act pursuant to 5 U.S.C. 552a(k)(2).

The system will be effective as proposed at the end of the comment period (the comment period will end 40 days after the publication of this notice in the **Federal Register**), unless comments are received that would require a contrary determination. DOI will publish a revised notice if changes are made based upon a review of the comments received.

**II. Privacy Act**

The Privacy Act of 1974, as amended, embodies fair information practice principles in a statutory framework

governing the means by which Federal Agencies collect, maintain, use, and disseminate individuals' personal information. The Privacy Act applies to records about individuals that are maintained in a "system of records." A "system of records" is a group of any records under the control of an agency for which information about an individual is retrieved by the name or by some identifying number, symbol, or other identifying particular assigned to the individual. The Privacy Act defines an individual as a United States citizen or lawful permanent resident. As a matter of policy, DOI extends administrative Privacy Act protections to all individuals. Individuals may request access to their own records that are maintained in a system of records in the possession or under the control of DOI by complying with DOI Privacy Act regulations located at 43 CFR part 2.

The Privacy Act requires each agency to publish in the **Federal Register** a description denoting the type and character of each system of records that the agency maintains and the routine uses of the information in each system in order to make agency record keeping practices transparent, notify individuals regarding the uses of their records, and assist individuals to more easily find such records within the agency. Below is the description of the Indian Arts and Crafts Board, DOI–24, system of records.

In accordance with 5 U.S.C. 552a(r), DOI has provided a report concerning this system of records to the Office of Management and Budget and to Congress.

**III. Public Disclosure**

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment, including your personal identifying information, may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Date: May 11, 2015.
