[Release No. 34-75068; File No. SR-ICC-2015-007]

Self-Regulatory Organizations; ICE Clear Credit LLC; Notice of Filing of Amendment No. 1 and Order Granting Accelerated Approval of Proposed Rule Change, as Modified by Amendment No. 1, To Provide for the Clearance of an Additional Western European Sovereign Single Name Credit Default Swap Contract

May 29, 2015.

I. Introduction

On April 7, 2015, ICE Clear Credit LLC (“ICC”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change SR-ICC-2015-007 pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder.² The proposed rule change was published for comment in the **Federal Register** on April 15, 2015.³ The Commission did not receive comments on the proposed rule change. On May 27, 2015, ICC filed Amendment No. 1 to the proposed rule change.⁴ The Commission is publishing this notice to solicit comments on Amendment No. 1 from interested persons and is approving the proposed rule change, as modified by Amendment No. 1, on an accelerated basis.

II. Description of the Proposed Rule Change

A. Description of the Initial Rule Filing

In the Initial Rule Filing, ICC proposed changes to its Clearing Rules (“Rules”) to provide the basis for ICC to clear additional Standard Western European Sovereign credit default swap (“CDS”) contracts (collectively, “SWES Contracts”). ICC currently clears six SWES Contracts: the Republic of Ireland, the Italian Republic, the Portuguese Republic, the Kingdom of Spain, the Kingdom of Belgium, and the Republic of Austria. The proposed changes to the ICC Rules would have provided for the clearance of additional SWES Contracts referencing the

Kingdom of the Netherlands, the Republic of Finland, the Kingdom of Sweden, and the Kingdom of Denmark using either the 2003 or the 2014 ISDA Credit Derivatives Definitions. These additional SWES Contracts have terms consistent with the six SWES Contracts approved for clearing at ICC and governed by Subchapter 26I of the ICC Rules. Specifically, ICC proposed to revise Rule 26I-102 to include the Kingdom of the Netherlands, the Republic of Finland, the Kingdom of Sweden, and the Kingdom of Denmark in the list of specific Eligible SWES Reference Entities to be cleared by ICC.

Additionally, ICC proposed changes to its Risk Management Framework in connection with the General Wrong Way Risk (“GWWR”) methodology related to the clearance of additional SWES Contracts. The proposed changes to the ICC Risk Management Framework would have extended the GWWR framework to the portfolio level. ICC’s risk methodology does not currently incorporate a Clearing Participant-level cumulative GWWR requirement in the Jump-to-Default calculations. Currently, the uncollateralized wrong-way risk (“WWR”) exposure of a particular Risk Factor needs to exceed its corresponding WWR threshold in order to trigger WWR collateralization. In the Initial Rule Filing, ICC proposed to introduce an enhancement to this calculation to account for the potential accumulation of portfolio WWR through Risk Factor specific WWR exposures. Under the proposed approach, if the cumulative uncollateralized exposure exceeded a pre-determined portfolio GWWR threshold, the amount above the threshold would be collateralized.

B. Description of Amendment No. 1

On May 27, 2015, ICC filed Amendment No. 1 to the proposed rule change. The purpose of the amendment was to remove the Republic of Finland, the Kingdom of Sweden, and the Kingdom of Denmark from the proposed list of additional SWES Contracts to be cleared. Additionally, Amendment No. 1 removed from the proposed rule change the proposed revisions to the ICC Risk Management Framework related to the GWWR methodology submitted in the Initial Rule Filing. Accordingly, the proposed rule change, as amended, seeks approval only to revise Rule 26I-102 to provide for the clearing of one additional SWES Contract, specifically the Kingdom of the Netherlands.

III. Discussion and Commission Findings

Section 19(b)(2)(C) of the Act⁵ directs the Commission to approve a proposed rule change of a self-regulatory organization if the Commission finds that such proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to such self-regulatory organization. Section 17A(b)(3)(F) of the Act⁶ requires, among other things, that the rules of a clearing agency are designed to promote the prompt and accurate clearance and settlement of securities transactions and, to the extent applicable, derivative agreements, contracts, and transactions, to assure the safeguarding of securities and funds which are in the custody or control of the clearing agency or for which it is responsible and, in general, to protect investors and the public interest.

The Commission finds that the proposed rule change is consistent with the requirements of Section 17A of the Act⁷ and the rules and regulations thereunder applicable to ICC. The proposed rule change, as amended, will provide for the clearing of an additional SWES Contract referencing the Kingdom of the Netherlands, which is similar to the other SWES Contracts currently cleared by ICC, using ICC’s existing clearing arrangements and related financial safeguards, protections and risk management procedures. The Commission therefore finds that the proposed rule change is designed to promote the prompt and accurate clearance and settlement of securities transactions and, to the extent applicable, derivative agreements, contracts, and transactions, and to assure the safeguarding of securities and funds which are in the custody or control of the clearing agency or for which it is responsible.

IV. Accelerated Approval of Proposed Rule Change as Modified by Amendment No. 1

As discussed above, ICC submitted Amendment No. 1 to the proposed rule change to remove the Republic of Finland, the Kingdom of Sweden, and the Kingdom of Denmark from the proposed list of contracts to be cleared and to remove proposed changes to the ICC Risk Management Framework related to its GWWR methodology from the proposed rule change. The Commission believes that the modification by Amendment No. 1 to

⁴ ICC filed Amendment No. 1 to remove the Republic of Finland, the Kingdom of Sweden, and the Kingdom of Denmark from the proposed list of contracts to be cleared and to remove proposed changes to the ICC Risk Management Framework from the proposed rule change, as further described below.
