In accordance with 39 U.S.C. 3642 and 39 CFR 3020.30 *et seq.*, and Order No. 2513,¹ the Postal Service filed a formal request and associated supporting information to add Global Expedited Package Services–Non-Published Rates Contract 7 (GEPS–NPR 7) to the competitive product list.² The Postal Service states the addition of GEPS–NPR 7 to the competitive product list is necessary due to its creation of both a Management Analysis of the Prices and Methodology for Determining Prices for Negotiated Service Agreements under Global Expedited Package Services–Non-Published Rates 7 (GEPS–NPR 7 Management Analysis), and an accompanying financial model that revises the previously filed GEPS–NPR 6 Management Analysis and its financial model. Request at 2–3.

To support its Request, the Postal Service filed the following attachments:

- Attachment 1, an application for non-public treatment of materials filed under seal;
- Attachment 2A, a redacted version of Governors' Decision No. 11–6;
- Attachment 2B, a revised version of the Mail Classification Schedule section 2510.8 GEPS–NPR;
- Attachment 2C, a redacted version of GEPS–NPR 7 Management Analysis;
- Attachment 2D, Maximum and Minimum Prices for Priority Express Mail International (PMEI), Priority Mail International (PMI), and Global Express Guaranteed (GXG);
- Attachment 2E, the certified statement concerning the prices for applicable negotiated service agreements under GEPS–NPR 7, required by 39 CFR 3015.5(c)(2);
- Attachment 3, a Statement of Supporting Justification, which is filed pursuant to 39 CFR 3020.32; and
- Attachment 4, a redacted version of the GEPS–NPR 7 model contract.

In a Statement of Supporting Justification, Giselle Valera, Managing Director and Vice President, Global Business, asserts the product is designed to increase efficiency of the

Postal Service's process, as well as enhance its ability to compete in the marketplace. Request, Attachment 3 at 1. She contends GEPS–NPR 7 belongs on the competitive product list as it is part of a market over which the Postal Service does not exercise market dominance,³ is not subsidized by market dominant products, covers costs attributable to it, and does not cause competitive products as a whole to fail to make the appropriate contribution to institutional costs. Request at 1, 3.

The Postal Service included a redacted version of the GEPS–NPR 7 model contract with the Request. *Id.* Attachment 4. The Postal Service represents the GEPS–NPR 7 model contract is a slight modification of the GEPS–NPR 6 model contract approved by the Commission in Order No. 2513. Request at 4.

The Postal Service represents it will notify each GEPS–NPR 7 customer of the contract's effective date no later than 30 days after receiving the signed agreement from the customer. *Id.* Attachment 4 at 4. Each contract will expire the later of one year from the effective date or the last day of the month which falls one calendar year from the effective date, unless terminated sooner. *Id.* The Postal Service represents that the contract is consistent with 39 U.S.C. 3633(a). Request at 4, 8; *id.* Attachment 3.

The Postal Service filed much of the supporting materials, including an unredacted model contract, under seal. Request, Attachment 1. It maintains that the redacted portions of the materials should remain confidential as sensitive business information. Request at 4. This information includes sensitive commercial information concerning the incentive discounts and their formulation, applicable cost coverage, non-published rates, as well as some customer-identifying information in future signed agreements. *Id.* The Postal Service asks the Commission to protect customer-identifying information from public disclosure for ten years after the date of filing with the Commission, unless an order is entered to extend the duration of that status. *Id.* at 11.

II. Notice of Commission Action

The Commission establishes Docket Nos. MC2015–55 and CP2015–83 to consider the Request pertaining to the

proposed GEPS–NPR 7 product and the related model contract, respectively.

The Commission invites comments on whether the Postal Service's filings in the captioned dockets are consistent with the policies of 39 U.S.C. 3632, 3633, or 3642, 39 CFR part 3015, and 39 CFR part 3020, subpart B. Comments are due no later than June 29, 2015. The public portions of these filings can be accessed via the Commission's Web site (<http://www.prc.gov>).

The Commission appoints Lyudmila Y. Bzhilyanskaya to serve as Public Representative in these dockets.

RAILROAD RETIREMENT BOARD

Proposed Collection; Comment Request

SUMMARY: In accordance with the requirement of section 3506 (c)(2)(A) of the Paperwork Reduction Act of 1995 which provides opportunity for public comment on new or revised data collections, the Railroad Retirement Board (RRB) will publish periodic summaries of proposed data collections.

Comments are invited on: (a) Whether the proposed information collection is necessary for the proper performance of the functions of the agency, including whether the information has practical utility; (b) the accuracy of the RRB's estimate of the burden of the collection of the information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden related to the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.

¹ Docket Nos. MC2015–23 and CP2015–65, Order Approving Changes in Prices and Model Contract and Adding Redesignated Global Expedited Package Services–Non-Published Rates 6 to the Competitive Product List, May 27, 2015 at 7–8 (Order No. 2513).

² Request of the United States Postal Service to Add Global Expedited Package Services–Non-Published Rates 7 (GEPS–NPR 7) to the Competitive Product List and Notice of Filing GEPS–NPR 7 Model Contract and Application for Non-Public Treatment of Materials Filed Under Seal, June 19, 2015 (Request).

³ The Postal Service claims it does not exercise sufficient market power to set the price of PMEI, PMI, and GXG substantially above costs, raise prices significantly, decrease quality, or decrease output, without risk of losing a significant level of business to other firms offering similar products. *Id.* at 3–4; 39 U.S.C. 3642(b).

1. *Title and purpose of information collection:* Nonresident Questionnaire; OMB 3220–0145. Under Public Law 98–21 and 98–76, benefits under the Railroad Retirement Act payable to annuitants living outside the United States may be subject to taxation under United States income tax laws. Whether the social security equivalent and non-social security equivalent portions of Tier I, Tier II, vested dual benefit, or supplemental annuity payments are subject to tax withholding, and whether

the same or different rates are applied to each payment, depends on a beneficiary's citizenship and legal residence status, and whether exemption under a tax treaty between the United States and the country in which the beneficiary is a legal resident has been claimed. To effect the required tax withholding, the Railroad Retirement Board (RRB) needs to know a nonresident's citizenship and legal residence status.

To secure the required information, the RRB utilizes Form RRB–1001, *Nonresident Questionnaire*, as a supplement to an application as part of the initial application process, and as an independent vehicle for obtaining the needed information when an annuitant's residence or tax treaty status changes. Completion is voluntary. One response is requested of each respondent. The RRB proposes no changes to Form RRB–1001.

2. *Title and purpose of information collection:* Statement of Claimant or Other Person; OMB 3220–0183.

To support an application for an annuity under section 2 of the Railroad Retirement Act (RRA) or for unemployment benefits under section 2 of the Railroad Unemployment Insurance Act (RUIA), pertinent information and proofs must be furnished for the RRB to determine benefit entitlement. Circumstances may require an applicant or other person(s) having knowledge of facts relevant to the applicant's eligibility for an annuity

or benefits to provide written statements supplementing or changing statements previously provided by the applicant. Under the railroad retirement program these statements may relate to a change in an annuity beginning date(s), date of marriage(s), birth(s), prior railroad or non-railroad employment, an applicant's request for reconsideration of an unfavorable RRB eligibility determination for an annuity or various other matters. The statements may also be used by the RRB to secure a variety of information needed to determine eligibility to unemployment and

sickness benefits. Procedures related to providing information needed for RRA annuity or RUIA benefit eligibility determinations are prescribed in 20 CFR parts 217 and 320 respectively.

The RRB utilizes Form G–93, *Statement of Claimant or Other Person*, to obtain from applicants or other persons, the supplemental or corrective information needed to determine applicant eligibility for an RRA annuity or RUIA benefits. Completion is voluntary. One response is requested of each respondent. The RRB proposes no changes to Form G–93.
