

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-75478; File No. SR-EDGX-2015-34]

Self-Regulatory Organizations; EDGX Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change Related to Fees for Use of EDGX Exchange, Inc.

July 17, 2015.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on July 14, 2015, EDGX Exchange, Inc. (the “Exchange” or “EDGX”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II and III below, which Items have been prepared by the Exchange. The Exchange has designated the proposed rule change as one establishing or changing a member due, fee, or other charge imposed by the Exchange under Section 19(b)(3)(A)(ii) of the Act³ and Rule 19b-4(f)(2) thereunder,⁴ which renders the proposed rule change effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange filed a proposal to amend its schedule of fees and rebates applicable to Members⁵ and non-Members of the Exchange pursuant to EDGX Rule 15.1(a) and (c) (“Fee Schedule”) to correct a typographical error on the Fee Schedule and to make additional changes intended to improve the Fee Schedule.

The text of the proposed rule change is available at the Exchange’s Web site at www.batstrading.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements

concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

(A) Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange submitted a proposed rule change with the Commission, for effectiveness on July 6, 2015, to modify the Exchange’s Fee Schedule.⁶ Pursuant to the filing, the Exchange removed various footnotes, including footnotes 11 and 12 from the prior Fee Schedule, and also added back in a new footnote 11. In connection with this change, the Exchange erroneously appended footnote 12 to a new fee code, fee code HI, even though there is no longer a footnote 12. The Exchange proposes to eliminate the reference to footnote 12 with respect to fee code HI.

In addition to deleting the reference to footnote 12, the Exchange proposes to append footnote 11 to fee code HA. Fee code HA is appended to orders with a Non-Displayed⁷ instruction that add liquidity. New footnote 11 that was added as of July 6, 2015, provides additional information to readers of the Fee Schedule regarding the application of the liquidity code to the Reserve Quantity⁸ of orders as well as orders with a Discretionary Range⁹ instruction, making clear that pricing applicable to added non-displayed liquidity does not apply to such orders. The Exchange proposes to also append this new footnote to fee code HA, which also relates to orders with a Non-Displayed instruction.

The Exchange also proposes to modify footnote 11, which, as noted above, was recently added by the Exchange. The current footnote states that the “fee” for adding non-displayed liquidity does not apply to the Reserve Quantity of an order or an order with a Discretionary Range instruction. In this case, the Exchange intended the term “fee” to mean “pricing.” However, to avoid confusion, given that the current pricing for adding non-displayed liquidity yielding either fee code HA or HI is

either without fee or results in a rebate, the Exchange proposes to amend the footnote to read that the “fee or rebate” for adding non-displayed liquidity does not apply to the Reserve Quantity of an order or an order with a Discretionary Range instruction.

Finally, the Exchange notes that each of the above proposed changes do not amend the amount or application of any fee or rebate.

Implementation Date

The Exchange proposes to implement these amendments to its Fee Schedule immediately.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the objectives of Section 6 of the Act,¹⁰ in general, and furthers the objectives of Section 6(b)(4),¹¹ in particular, as it is designed to provide for the equitable allocation of reasonable dues, fees and other charges among its Members and other persons using its facilities. Specifically, the Exchange believes it is equitable, reasonable and non-discriminatory to delete fee reference to footnote 12, append footnote 11 to fee code HA, and modify footnote 11 as described above because each of these changes are designed to avoid investor confusion and improve the Exchange’s Fee Schedule.

(B) Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition. The proposed rule change corrects a typographical error recently introduced to the Fee Schedule and also provides additional information to readers of the Fee Schedule by appending footnote 11 to fee code HA and modifying footnote 11 as described above. The proposed changes do not amend the amount or application of any fee or rebate.

(C) Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from Members or other interested parties.

The text of these statements may be examined at the places specified in Item IV below. A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange currently has two pilot programs related to its PIM (collectively, the "PIM Pilot Programs" or "Pilot Programs").³ The current Pilot Period provided in paragraphs .03 and .05 of the Supplementary Material to Rule 723 is set to expire on July 17, 2015.⁴ Paragraph .03 provides that there is no minimum size requirement for orders to be eligible for the Price Improvement Mechanism. In accordance with the Approval Order, the Exchange has continually submitted certain data in support of extending the current Pilot Programs.
