DEPARTMENT OF COMMERCE

Bureau of Industry and Security

In the Matter of: Peter Gromacki, 88 White Bridge Road, Middletown, NY 10940; Respondent; JEN Fibers, LLC, 88 White Bridge Road, Middletown, NY 10940; Performance Engineered Nonwovens, LLC, 88 White Bridge Road, Middletown, NY 10940; Related Persons

Order Denying Export Privileges

A. Denial of Export Privileges of Peter Gromacki

On November 26, 2013, in the U.S. District Court for the Southern District of New York, Peter Gromacki ("Gromack"), was convicted of violating the International Emergency Economic Powers Act (50 U.S.C. 1701, *et seq.* (2006 & Supp. IV 2010)) ("IEEPA"). Specifically, Gromacki unlawfully, willfully and knowingly exported, and caused to be exported from the United States T700 carbon fiber, an item subject to the Export Administration

Regulations, to China without obtaining the required approval from BIS. Gromacki was sentenced to three months of imprisonment, three years of supervised release, a \$300 assessment, and a \$5,000.00 criminal fine.

Section 766.25 of the Export Administration Regulations ("EAR" or "Regulations")¹ provides, in pertinent part, that "[t]he Director of the Office of Exporter Services, in consultation with the Director of the Office of Export Enforcement, may deny the export privileges of any person who has been convicted of a violation of the EAA, the EAR, of any order, license or authorization issued thereunder; any regulation, license, or order issued under the International Emergency Economic Powers Act (50 U.S.C. 1701-1706); 18 U.S.C. 793, 794 or 798; section 4(b) of the Internal Security Act of 1950 (50 U.S.C. 783(b)), or section 38 of the Arms Export Control Act (22 U.S.C. 2778)." 15 CFR 766.25(a); *see also* Section 11(h) of the EAA, 50 U.S.C. app. 2410(h). The denial of export privileges under this provision may be for a period of up to ten (10) years from the date of the conviction. 15 CFR 766.25(d); *see also* 50 U.S.C. app. 2410(h). In addition, Section 750.8 of the Regulations states that the Bureau of Industry and Security's Office of Exporter Services may revoke any Bureau of Industry and Security ("BIS") licenses previously issued in which the person had an interest in at the time of his conviction.

BIS received notice of Gromacki's conviction for violating the IEEPA, and has provided notice and an opportunity for Gromacki to make a written submission to BIS, as provided in Section 766.25 of the Regulations. BIS received a submission from Gromacki. Based upon my review and consideration of that submission, and consultations with BIS's Office of Export Enforcement, including its Director, and the facts available to BIS, I have decided to deny Gromacki's export privileges under the Regulations for a period of ten (10) years from the date of Gromacki's conviction. I have also decided to revoke all licenses issued pursuant to the Act or

Regulations in which Gromacki had an interest at the time of his conviction.

B. Denial of Export Privileges of Related Persons JEN Fibers LLC and Performance Engineered Nonwovens, LLC

Pursuant to Sections 766.25(h) and 766.23 of the Regulations, the Director of BIS's Office of Exporter Services, in consultation with the Director of BIS's Office of Export Enforcement, may, in order to prevent evasion of a denial order, make a denial order applicable not only to the respondent, but also to other persons related to the respondent by ownership, control, position of responsibility, affiliation, or other connection in the conduct of trade or business.

As provided in Section 766.23 of the Regulations, BIS gave notice to JEN Fibers, LLC ("JEN Fibers") and Performance Engineered Nonwovens, LLC ("Performance Engineered") that its export privileges under the Regulations could be denied for up to ten (10) years due to its relationship with Gromacki and that BIS believed that naming JEN Fibers and Performance Engineered as persons related to Gromacki would be necessary to prevent evasion of a denial order imposed against Gromacki. In providing such notice, BIS gave JEN Fibers and Performance Engineered an opportunity to oppose their addition to the Gromacki Denial Order as related parties.

Having received and reviewed a submission from Gromacki, I have decided, following consideration of that submission and consultations with BIS's Office of Export Enforcement, including its Director, to include name JEN Fibers and Performance Engineered as Related Persons and make this Denial Order applicable to JEN Fibers and Performance Engineered, thereby denying their export privileges for ten (10) years from the date of Gromacki's conviction. I have also decided to revoke all licenses issued pursuant to the Act or Regulations in which JEN Fibers and Performance Engineered had an interest at the time of Gromacki's conviction. The 10-year denial period is scheduled to end on November 26, 2023.

Gromacki is the owner of JEN Fibers and Performance Engineered and operates both businesses from his home. Therefore, JEN Fibers and Performance Engineered are related to Gromacki within the meaning of Section 766.23. BIS also has reason to believe that JEN Fibers and Performance Engineered should be added as a related persons in order to prevent evasion of this Denial Order.

¹ The Regulations are currently codified in the Code of Federal Regulations at 15 CFR parts 730-774 (2015). The Regulations are issued pursuant to the Export Administration Act of 1979 (50 U.S.C. app. 2401-2420 (2000)) ("the EAA" or "the Act"). Since August 21, 2001, the EAA has been in lapse and the President, through Executive Order 13222 of August 17, 2001 (3 CFR, 2001 Comp. 783 (2002)), which has been extended by successive Presidential Notices, the most recent being that of August 7, 2014 (79 FR 46959 (August 11, 2014)), has continued the Regulations in effect under the International Emergency Economic Powers Act (50 U.S.C. 1701, *et seq.* (2006 & Supp. IV 2010)).
