DEPARTMENT OF HEALTH AND HUMAN SERVICES

Health IT Policy Committee and Health IT Standards Committee; Call for Applications

AGENCY: Office of the National Coordinator for Health Information Technology, HHS.

ACTION: Call for applications.

SUMMARY: The Office of the National Coordinator for Health Information Technology (ONC) is seeking applications to the Health Information Technology Policy Committee (HITPC) and the Health Information Technology Standards Committee (HITSC).

Name of Committees: Health IT Standards Committee and Health IT Policy Committee.

General Function of the Committees:

The HITPC is charged to provide recommendations to the National Coordinator on a policy framework for the development and adoption of a nationwide health information technology infrastructure that permits the electronic exchange and use of health information as is consistent with the Federal Health IT Strategic Plan and that includes recommendations on the areas in which standards, implementation specifications, and certification criteria are needed.

The HITSC is charged to provide recommendations to the National Coordinator on standards, implementation specifications, and certification criteria for the electronic exchange and use of health information for purposes of adoption, consistent with the implementation of the Federal Health IT Strategic Plan, and in accordance with policies developed by the Health IT Policy Committee.

Date and Time: Applications must be received by 12:00 p.m. on Friday, September 11, 2015.

Contact Person: Michelle Consolazio, phone: (202) 341–6144, email: michelle.consolazio@hhs.gov.

Background: The Health IT Policy Committee was established under the American Recovery and Reinvestment Act 2009 (ARRA)(P.L. 111–5), section 13101, new Section 3002. Members of the Health IT Policy Committee are appointed in the following manner: 3 members appointed by the Secretary, HHS; 4 members appointed by Congress; 13 members appointed by the Comptroller General of the United States; and other federal members appointed by the President.

Applications are being accepted for one of the three members appointed by the Secretary of HHS. Nominees of the HITPC should have experience promoting the meaningful use of health information technology and be knowledgeable in privacy and security issues related to health information.

The Health IT Standards Committee was established under the American Recovery and Reinvestment Act 2009 (ARRA) (Pub. L. 111–5), section 13101, new Section 3003. Members of the Health IT Standards Committee are appointed by the Secretary, HHS and shall at least reflect providers, ancillary healthcare workers, consumers, purchasers, health plans, technology vendors, researchers, relevant Federal agencies, and individuals with technical expertise on health care quality, privacy and security, and on the electronic

exchange and use of health information. Nominees of the HITSC should have experience promoting the meaningful use of health information technology and be knowledgeable in areas such as: small innovative health care providers, providers participating in payment reform initiatives, accountable care organizations, pharmacists, behavioral health professionals, home health care, purchaser or employer representatives, patient safety, health information technology security, big data, consumer e-health, personal health records, and mobile health applications.

Members will be selected in order to achieve a balanced representation of viewpoints, areas of experience, subject matter expertise, and representation of the health care system. Terms will be three (3) years from the appointment date to either the HITSC or HITPC. Members on both Committees serve without pay. However, members will be provided per diem and travel costs for Committee services.

The HITPC will be seeking applications for the following area of expertise:

- Consumer/Patient Representative

The HITSC will be seeking applications for the following areas of expertise:
