I. General Information

What should I consider as I prepare my data for EPA?

1. *Submitting Confidential Business Information (CBI).* Do not submit CBI to EPA through <http://www.regulations.gov> or email. Clearly mark the part or all of the information that you claim to be CBI. For CBI information on a disk or CD ROM that you mail to EPA, mark the outside of the disk or CD ROM as CBI and then identify electronically within the disk or CD ROM the specific information that is claimed as CBI. In addition to one complete version of the data that includes information claimed as CBI, a copy of the data that does not contain the information claimed as CBI must be submitted for inclusion in the public docket. Information so marked will not be disclosed except in accordance with procedures set forth in 40 CFR part 2.

2. *Tips for preparing your data.* When submitting data, remember to:

- Identify the notice by docket number and other identifying information (subject heading, **Federal Register**, date, and page number);
- Follow directions and organize your data;
- Describe any assumptions and provide any technical information and/or QA/QC that you used;
- Make sure to submit your data by the deadline identified
