

DEPARTMENT OF DEFENSE**Office of the Secretary****Renewal of Department of Defense Federal Advisory Committees**

AGENCY: Department of Defense.

ACTION: Renewal of Federal Advisory Committee.

SUMMARY: The Department of Defense (DoD) is publishing this notice to announce that it is renewing the charter for the Defense Policy Board (“the Board”).

FOR FURTHER INFORMATION CONTACT: Jim Freeman, Advisory Committee Management Officer for the Department of Defense, 703-692-5952.

SUPPLEMENTARY INFORMATION: This committee’s charter is being renewed in accordance with the Federal Advisory Committee Act (FACA) of 1972 (5 U.S.C., Appendix, as amended) and 41 CFR 102-3.50(a).

The Board is a discretionary Federal advisory committee that, through the Under Secretary of Defense for Policy (USD(P)), provides the Secretary of Defense, independent, informed advice and opinions concerning matters of defense policy in response to specific tasks from the Secretary of Defense, the Deputy Secretary of Defense, or the USD(P). Specifically, the Board focuses on issues central to strategic DoD planning; policy implications of U.S. force structure and force modernization on DoD’s ability to execute U.S. defense strategy; U.S. regional defense policies; and any other topics raised by the Secretary of Defense, the Deputy Secretary of Defense, or the USD(P).

The DoD, through the Office of the USD(P), shall provide support for the Board’s performance and shall ensure compliance with the requirements of the FACA, the Government in the Sunshine Act of 1976 (“the Sunshine Act”) (5 U.S.C. 552b, as amended), governing Federal statutes and regulations, and established DoD policies and procedures.

The Board shall be composed of no more than 35 members who have distinguished backgrounds in defense and national security affairs.

Board members appointed by the Secretary of Defense or the Deputy Secretary of Defense, who are not full-time or permanent part-time Federal employees, shall be appointed as experts or consultants pursuant to 5 U.S.C. 3109 to serve as special government employee (SGE) members. Board members who are full-time or permanent part-time Federal officers or

employees will be appointed pursuant to 41 CFR 102-3.130(a) to serve as regular government employee (RGE) members. Board members shall serve a term of service of one-to-four years on the Board, subject to annual renewals. No member may serve more than two consecutive terms of service without Secretary of Defense or Deputy Secretary of Defense approval.

The Secretary of Defense has approved the appointment of the Chairs of the Defense Business Board and the Defense Science Board to serve as non-voting ex-officio members of the Board, whose appointments shall not count toward the Board’s total membership.

The Chair will be appointed by the Secretary of Defense or in accordance with DoD policy from among those Board members previously appointed by the Secretary of Defense and permitted to vote.

With the exception of reimbursement of official Board-related travel and per diem, members of the Board serve without compensation.

The USD(P), pursuant to DoD policies and procedures and as deemed necessary, may appoint, non-voting subject matter experts (SMEs) to assist the Board or its subcommittees on an ad hoc basis. These non-voting SMEs are not members of the Board or its subcommittees and will not engage or participate in any deliberations by the Board or its subcommittees. These non-voting SMEs, if not full-time or permanent part-time Federal officers or employees, will be appointed as experts or consultants pursuant to 5 U.S.C. 3109 to serve on an intermittent basis to address specific issues under consideration by the Board.

DoD, when necessary and consistent with the Board’s mission and DoD policies and procedures, may establish subcommittees, task forces, or working groups to support the Board. Establishment of subcommittees will be based upon a written determination, to include terms of reference, by the Secretary of Defense, the Deputy Secretary of Defense, or the USD(P), as the DoD Sponsor.

Such subcommittees shall not work independently of the Board and shall report all of their recommendations and advice solely to the Board for full and open deliberation and discussion. Subcommittees, task forces, or working groups have no authority to make decisions and recommendations, verbally or in writing, on behalf of the Board. No subcommittee or any of its members can update or report, verbally or in writing, on behalf of the Board, directly to the DoD or any Federal officer or employee.

Each subcommittee member, based upon his or her individual professional experience, provides his or her best judgment on the matters before the Board, and he or she does so in a manner that is free from conflict of interest. All subcommittee members will be appointed by the Secretary of Defense or the Deputy Secretary of Defense for a term of service of one-to-four years, with annual renewals, even if the individual in question is already a member of the Board. Subcommittee members will not serve more than two consecutive terms of service, unless authorized by the Secretary of Defense or the Deputy Secretary of Defense.

Subcommittee members who are not full-time or permanent part-time Federal officers or employees will be appointed as experts or consultants pursuant to 5 U.S.C. 3109 to serve as SGE members. Subcommittee members who are full-time or permanent part-time Federal officers or employees will be appointed pursuant to 41 CFR 102-3.130(a) to serve as RGE members. With the exception of reimbursement of official travel and per diem related to the Board or its subcommittees, subcommittee members will serve without compensation.

All subcommittees operate under the provisions of FACA, the Sunshine Act, governing Federal statutes and regulations, and established DoD policies and procedures.

The Board’s Designated Federal Officer (DFO) must be a full-time or permanent part-time DoD officer or employee, appointed in accordance with established DoD policies and procedures. The Board’s DFO is required to attend at all meetings of the Board and its subcommittees for the entire duration of each and every meeting. However, in the absence of the Board’s DFO, a properly approved Alternate DFO, duly appointed to the Board according to established DoD policies and procedures, must attend the entire duration of all meetings of the Board and its subcommittees.

The DFO, or the Alternate DFO, calls all meetings of the Board and its subcommittees; prepares and approves all meeting agendas; and adjourns any meeting when the DFO, or the Alternate DFO, determines adjournment to be in the public interest or required by governing regulations or DoD policies and procedures.

Pursuant to 41 CFR 102-3.105(j) and 102-3.140, the public or interested organizations may submit written statements to Board membership about the Board’s mission and functions. Written statements may be submitted at

any time or in response to the stated agenda of planned meeting of the Board.

All written statements shall be submitted to the DFO for the Board, and this individual will ensure that the written statements are provided to the membership for their consideration. Contact information for the Board's DFO can be obtained from the GSA's FACA Database—<http://www.facadatabase.gov/>.

The DFO, pursuant to 41 CFR 102–3.150, will announce planned meetings of the Board. The DFO, at that time, may provide additional guidance on the submission of written statements that are in response to the stated agenda for the planned meeting in question.

Availability of Work Plan Chemical Problem Formulation and Initial Assessment and Data Needs Assessment Documents for Flame Retardant Clusters; Notice and Public Comment Periods

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: EPA is announcing the availability and opening of a 60-day public comment period for TSCA Work Plan Chemical problem formulation and initial assessment documents for three flame retardant clusters. EPA is also making available and opening a 120-day public comment period for the TSCA Work Plan Chemical data needs assessment document for the Brominated Phthalates flame retardant cluster. Based on experience in conducting TSCA Work Plan Chemical assessments and public input, starting in 2015 EPA will publish a problem formulation and initial assessment, or a data needs assessment, for each TSCA Work Plan assessment as a stand-alone document to facilitate public input prior to conducting further risk analysis. EPA believes publishing problem formulation and initial assessment documents for TSCA Work Plan assessments will increase transparency about EPA's thinking and analysis process, provide opportunity for the public to comment on EPA's approach, and give EPA the opportunity to receive additional information/data prior to EPA conducting detailed risk analysis
