Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Designation of a Longer Period for Commission Action on Proposed Rule Change Adopting New Equity Trading Rules Relating to Orders and Modifiers and the Retail Liquidity Program To Reflect the Implementation of Pillar, the Exchange's New Trading Technology Platform

September 1, 2015.

On July 7, 2015, NYSE Arca, Inc. (the “Exchange” or “NYSE Arca”) filed with the Securities and Exchange Commission (“Commission”), pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”) ¹ and Rule 19b–4 thereunder,² a proposed rule change adopting new equity trading rules relating to orders and modifiers and the Retail Liquidity Program to reflect the implementation of Pillar, the Exchange's new trading technology platform. The proposed rule change was published for comment in the **Federal Register** on July 28, 2015.³

Section 19(b)(2) of the Act⁴ provides that within 45 days of the publication of notice of the filing of a proposed rule change, or within such longer period up to 90 days as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or as to which the self-regulatory organization consents, the Commission shall either approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether the proposed rule change should be disapproved. The 45th day for this filing is September 11, 2015. The Commission is extending this 45-day time period.

The Commission finds it appropriate to designate a longer period within which to take action on the proposed rule change, so that it has sufficient time to consider this proposed rule change.

Order Granting Greenbacker Renewable Energy Company LLC a Limited Exemption

September 1, 2015.

By letter dated September 1, 2015 (the “Letter”), as supplemented by conversations with the staff of the Division of Trading and Markets, counsel for Greenbacker Renewable Energy Company LLC (the “Company”) requested that the Commission grant an exemption from Rule 102(a) of Regulation M to permit the Company to effect repurchases of shares of its common stock pursuant to its proposed share repurchase program (the “Repurchase Program”).

As a consequence of the continuous offering of the Company's shares, the Company will be engaged in a distribution of shares of its common stock pursuant to Rule 102 of Regulation M. As a result, bids for or purchases of shares of its common stock or any reference security by the Company or any affiliated purchaser of the Company are prohibited during the restricted period specified in Rule 102, unless specifically excepted by or exempted from Rule 102.

Based on the representations and facts presented in its Letter, we find that it is appropriate in the public interest and consistent with the protection of investors to grant a conditional exemption from Rule 102 of Regulation M to permit the Company to repurchase shares of its common stock under its Repurchase Program while the Company is engaged in a distribution of shares of its common stock. In granting this exemption, we considered the following representations and facts, among others:

- There is no trading market for the Company's common stock;
- The Company will terminate its Repurchase Program in the event a secondary market for its common stock develops;
