A. General

The Privacy Act of 1974, (5 U.S.C. 552a) as amended by the Computer Matching and Privacy Protection Act of 1988, (Pub. L. 100–503), requires a Federal agency participating in a computer matching program to publish a notice in the **Federal Register** for all matching programs.

The Privacy Act, as amended, regulates the use of computer matching by Federal agencies when records contained in a Privacy Act System of Records are matched with other Federal or non-Federal agency records. It requires Federal agencies involved in computer matching programs to:

- (1) Negotiate written agreements with the other agency or agencies participating in the matching programs;

- (3) Publish notice of the computer matching program in the **Federal Register**;
- (4) Furnish detailed reports about matching programs to Congress and OMB;
- (5) Notify applicants and beneficiaries that their records are subject to matching; and
- (6) Verify match findings before reducing, suspending, terminating, or

denying a person's benefits or payments.

Notice of Computer Matching Program: RRB and Commercial Employment Verification Providers

A. Name of Participating Agencies

Railroad Retirement Board (RRB) and Commercial Employment Verification Providers.

B. Purpose of the Matching Program

The purpose of the RRB conducting matches with commercial employment verification providers is to ensure beneficiaries applying for and/or receiving benefits are entitled to them. We will conduct two types of matches. The first match will be daily online queries submitted when individuals apply for benefits under either the Railroad Retirement Act (RRA) or the Railroad Unemployment Insurance Act (RUIA). The second match will be batch processing (frequency to be determined) of those individuals who have applied for, or are receiving RRA or RUIA benefits.

C. Authority for Conducting the Match

The Railroad Retirement Board is authorized by the Railroad Retirement Act (RRA) of 1974, 45 U.S.C. 231(f), et. seq. and the Railroad Unemployment Insurance Act (RUIA), 45 U.S.C. 362, et. seq. to administer these benefit programs by paying benefits only to qualified beneficiaries.

D. Categories of Records and Individuals Covered

The RRB will provide a list of beneficiary social security numbers to the commercial employment verification provider to conduct the match. If there is a match, the commercial employment verification provider will notify the RRB with earnings and employment related information, specifically: Matched employees name, employer information (name, address, and identification number), and employer reported earnings.

The applicable RRB Privacy Act Systems of Records and their **Federal Register** citation used in the matching program are:

1. RRB–21, Railroad Unemployment and Sickness Insurance Benefit Systems; 80 FR 28016 (May 15, 2015), and

The matching program will continue for 18 months after the effective date and may be extended for an additional 12 months, if the conditions specified in 5 U.S.C. 552a(o)(2)(D) have been met.

Dated: September 3, 2015.
