

(as described in greater detail in the application); and (iii) the Regulated Fund's Board is provided on a quarterly basis with a list of all dispositions made in accordance with this condition. In all other cases, the Adviser will provide its written recommendation as to the Regulated Fund's participation to the Eligible Directors, and the Regulated Fund will participate in such disposition solely to the extent that a Required Majority determines that it is in the Regulated Fund's best interests.

(d) Each Affiliated Private Fund and each Regulated Fund will bear their own expenses in connection with any such disposition.

8. (a) If any Affiliated Private Fund or any Regulated Fund desires to make a Follow-On Investment in a portfolio company whose securities were acquired in a Co-Investment Transaction, the applicable Advisers will:

(i) notify each Regulated Fund that participated in the Co-Investment Transaction of the proposed transaction at the earliest practical time; and

(ii) formulate a recommendation as to the proposed participation, including the amount of the proposed Follow-On Investment, by each Regulated Fund.

(b) A Regulated Fund may participate in such Follow-On Investment without obtaining prior approval of the Required Majority if: (i) The proposed participation of each Regulated Fund and each Affiliated Private Fund in such investment is proportionate to its outstanding investments in the issuer immediately preceding the Follow-On Investment; and (ii) the Regulated Fund's Board has approved as being in the best interests of the Regulated Fund the ability to participate in Follow-On Investments on a pro rata basis (as described in greater detail in the application). In all other cases, the Adviser will provide its written recommendation as to the Regulated Fund's participation to the Eligible Directors, and the Regulated Fund will participate in such Follow-On Investment solely to the extent that a Required Majority determines that it is in the Regulated Fund's best interests.

(c) If, with respect to any Follow-On Investment:

(i) the amount of the opportunity is not based on the Regulated Funds' and the Affiliated Private Funds' outstanding investments immediately preceding the Follow-On Investment; and

(ii) the aggregate amount recommended by the applicable Adviser to be invested by each Regulated Fund in the Follow-On Investment, together with the amount proposed to be

invested by the participating Affiliated Private Funds in the same transaction, exceeds the amount of the opportunity, then the amount invested by each such party will be allocated among them pro rata based on each party's Available Capital, up to the amount proposed to be invested by each.

(d) The acquisition of Follow-On Investments as permitted by this condition will be considered a Co-Investment Transaction for all purposes and subject to the other conditions set forth in the application.

9. The Independent Directors of each Regulated Fund will be provided quarterly for review all information concerning Potential Co-Investment Transactions and Co-Investment Transactions, including investments made by other Regulated Funds or the Affiliated Private Funds that the Regulated Fund considered but declined to participate in, so that the Independent Directors may determine whether all investments made during the preceding quarter, including investments that the Regulated Fund considered but declined to participate in, comply with the conditions of the Order. In addition, the Independent Directors will consider at least annually the continued appropriateness for the Regulated Fund of participating in new and existing Co-Investment Transactions.

10. Each Regulated Fund will maintain the records required by section 57(f)(3) of the Act as if each of the Regulated Funds were a BDC and each of the investments permitted under these conditions were approved by the Required Majority under section 57(f).

11. No Independent Director of a Regulated Fund will also be a director, general partner, managing member or principal, or otherwise an "affiliated person" (as defined in the Act), of any of the Affiliated Private Funds.

12. The expenses, if any, associated with acquiring, holding or disposing of any securities acquired in a Co-Investment Transaction (including, without limitation, the expenses of the distribution of any such securities registered for sale under the Securities Act) will, to the extent not payable by the Advisers under their investment advisory agreements with the Regulated Funds and the Affiliated Private Funds, be shared by the Regulated Funds and the Affiliated Private Funds in proportion to the relative amounts of the securities held or be acquired or disposed of, as the case may be.

13. Any transaction fee (including break-up or commitment fees but excluding broker's fees contemplated by section 17(e) or 57(k) of the Act, as

applicable) received in connection with a Co-Investment Transaction will be distributed to the participating Regulated Funds and the Affiliated Private Funds on a pro rata basis based on the amounts they invested or committed, as the case may be, in such Co-Investment Transaction. If any transaction fee is to be held by an Adviser pending consummation of the transaction, the fee will be deposited into an account maintained by the Adviser at a bank or banks having the qualifications prescribed in section 26(a)(1) of the Act, and the account will earn a competitive rate of interest that will also be divided pro rata among the participating Regulated Funds and the Affiliated Private Funds based on the amounts they invest in such Co-Investment Transaction. None of the Affiliated Private Funds, the Advisers, the other Regulated Funds, or any affiliated person of the Regulated Funds or the Affiliated Private Funds will receive additional compensation or remuneration of any kind as a result of or in connection with a Co-Investment Transaction (other than (a) in the case of the Regulated Funds and the Affiliated Private Funds, the pro rata transaction fees described above and fees or other compensation described in condition 2(c)(iii)(C) and (b) in the case of an Adviser, investment advisory fees paid in accordance with the respective agreements between the Adviser and the Regulated Funds or the Affiliated Private Funds).

14. If the Holders own in the aggregate more than 25% of the outstanding Shares of a Regulated Fund, then the Holders will vote such Shares as directed by an independent third party (such as the trustee of a voting trust or a proxy adviser) when voting on (1) the election of directors; (2) the removal of one or more directors; or (3) any matters requiring approval by the vote of a majority of the outstanding voting securities, as defined in section 2(a)(42) of the Act.

For the Commission, by the Division of Investment Management, under delegated authority.

Robert W. Errett,
Deputy Secretary.

OFFICE OF THE UNITED STATES TRADE REPRESENTATIVE

Generalized System of Preferences (GSP): Results of the GSP Limited Product Review, Including Actions Related to Competitive Need Limitations (CNLs)

AGENCY: Office of the United States Trade Representative.

ACTION: Notice.

SUMMARY: This notice announces the results of the GSP Limited Product Review launched in July 2015, including: (1) The designation of certain cotton products as eligible for GSP benefits when imported from least-developed beneficiary developing countries (LDBDCs), and (2) the results of the review of CNL-related issues arising from 2014 import data, including CNL waivers, CNL waiver revocations, requests for redesignation of certain products, and *de minimis* CNL waivers.

FOR FURTHER INFORMATION CONTACT: Aimee Larsen, Director for GSP, Office of the United States Trade Representative. The telephone number is (202) 395-2974, the fax number is (202) 395-9674, and the email address is ALarsen@ustr.eop.gov.

SUPPLEMENTARY INFORMATION: The GSP program provides for the duty-free treatment of designated articles when imported from beneficiary developing countries. The GSP program is authorized by Title V of the Trade Act of 1974 (19 U.S.C. 2461 *et seq.*), as amended, and is implemented in accordance with Executive Order 11888 of November 24, 1975, as modified by subsequent Executive Orders and Presidential Proclamations.

The GSP program expired on July 31, 2013. GSP was reauthorized on June 29, 2015, by the Trade Preferences Extension Act of 2015. The GSP program is now effective through December 31, 2017, with retroactive effect through July 31, 2013. Pursuant to the Trade Preferences Extension Act of 2015, exclusions from GSP duty-free treatment where CNLs have been exceeded for calendar year 2014 will be effective October 1, 2015, unless granted a waiver by the President.

Results of the GSP Limited Product Review

Pursuant to Section 203 of the Trade Preferences Extension Act of 2015, the Trade Policy Staff Committee (TPSC) conducted a limited GSP review encompassing products that, based on full-year 2014 import data, are subject to CNL-related actions, including exclusions, waivers, and revocation of waivers, as well as redesignations. As part of this review, the TPSC considered: (1) Petitions to waive CNLs for two products from Thailand; (2) revocation of CNL waivers for three products from beneficiary countries where 2014 imports exceeded certain statutory limits; (3) requests for redesignation of products previously excluded from GSP eligibility for certain beneficiary countries; and (4) products eligible for *de minimis* waivers of CNLs. As part of this review, the TPSC also considered the possible designation of certain cotton products for eligibility for GSP benefits when imported from LDBDCs under the GSP program.

In a Presidential Proclamation dated September 30, 2015, the President implemented his decisions regarding GSP product eligibility issues arising out of this GSP product review, including CNL waivers and CNL revocations. This notice provides further information on the results of the GSP Limited Product Review. These results, comprising five lists, are available for the public to view at <http://www.regulations.gov> in docket USTR-2015-0007, under "Supporting and Related Materials" and at <https://ustr.gov/issue-areas/preference-programs/generalized-system-preferences-gsp/current-reviews/gsp-20142015>.

Specific Results

The President designated five upland cotton fiber products as eligible for duty-free treatment under GSP when imported from LDBDCs. See List I (Products Added to the List of Eligible Products for GSP for Least Developed Beneficiary Developing Countries). This designation is pursuant to the authority granted to the President in Section 202 of the Trade Preferences Extension Act of 2015 and consistent with USTR's December 2011 announcement of trade initiatives intended to enable least-developed countries to benefit more fully from global trade.

The President granted petitions for waivers of CNLs for two products from Thailand: (1) Coconuts otherwise prepared or preserved (HTS 2008.19.15) and (2) copper alloys (other than brass, cupro-nickel or nickel-silver), wire,
