The TMAC must collect these recommendations and present them to the FEMA Administrator in a Future Conditions Risk Assessment and Modeling Report (hereafter, Future Conditions Report). Further, in accordance with the *Homeowner Flood Insurance Affordability Act of 2014*, the TMAC must develop a review report related to flood mapping in support of the National Flood Insurance Program (NFIP).

Agenda: On December 9, 2015, there will be a review of the final Annual, and Future Conditions Reports. The final reports were voted upon and approved by the TMAC, subject to amendments agreed upon by the Council at the previous TMAC meeting, which was held on October 20 and 21, 2015. After a review of the content of the reports, a motion will be entertained to formally submit each report with executive summaries to the FEMA Administrator. On December 10, FEMA's Flood Mapping Integrated Project Team will brief the TMAC on the status of FEMA's mapping program. This briefing is intended to help the TMAC prepare for the review report required by the *Homeowner Flood Insurance Affordability Act of 2014*. A brief public comment period will take place at the beginning of the meeting each day. A more detailed agenda will be posted by December 4, 2015, at <http://www.fema.gov/TMAC>.

SUPPLEMENTARY INFORMATION:

A. Background

This Notice announces that HUD has posted on its Web site the CY 2015 administrative fee rates and provides the Department's methodology used to determine the fee rates by area, which the Office of Housing Voucher Programs (OHVP) will use to compensate public housing agencies (PHAs) for administering the HCV programs. PIH Notice 2015-03, entitled "Implementation of the Federal Fiscal Year (FY) 2015 Funding Provisions for the Housing Choice Voucher Program," (2015 HCV Funding Implementation Notice) issued on February 27, 2015, describes the advance and settlement processes for this compensation, which are a result of the mandate enacted in the "Consolidated and Further Continuing Appropriations Act, 2015" (Pub. L. 113-235), referred to hereinafter as "the Act," enacted on December 16, 2014. PIH Notice 2015-03 can be found at: <http://portal.hud.gov/hudportal/documents/huddoc?id=15-03pihn.pdf>.

B. CY 2015 Methodology

For CY 2015, in accordance with the Act, administrative fees will be earned on the basis of vouchers leased as of the first day of each month. This data will be extracted from the Voucher Management System (VMS) at the close of each reporting cycle and validated prior to use.

Two fee rates are provided for each PHA. The first rate, Column A, applies to the first 7200 voucher unit months leased in CY 2015. The second rate, Column B, applies to all remaining voucher unit months leased in CY 2015. In years prior to 2010, a Column C rate was also established, which applied to all voucher unit months leased in dwelling units owned by the PHA. For CY 2015, as in recent years, there are no Column C administrative fee rates. Fees for leasing HA-owned units will be earned in the same manner and at the
