### Call for Applications for the International Buyer Program Calendar Year 2017

**AGENCY:** International Trade Administration, Department of Commerce.

**ACTION:** Notice and Call for Applications.

**SUMMARY:** In this notice, the U.S. Department of Commerce (DOC) International Trade Administration (ITA) announces that it will begin accepting applications for the

International Buyer Program (IBP) for calendar year 2017 (January 1, 2017, through December 31, 2017). The announcement also sets out the objectives, procedures and application review criteria for the IBP. The purpose of the IBP is to bring international buyers together with U.S. firms in industries with high export potential at leading U.S. trade shows. Specifically, through the IBP, the ITA selects domestic trade shows which will receive ITA assistance in the form of global promotion in foreign markets, provision of export counseling to exhibitors, and provision of matchmaking services at the trade show. This notice covers selection for IBF participation during calendar year 2017. **DATES:** Applications for the IBP must be received by Friday, January 8, 2016. **ADDRESSES:** The application form can be found at www.export.gov/ibp. Applications may be submitted by any of the following methods: (1) Mail/Hand Delivery Service: International Buyer Program, Trade Promotion Programs, International Trade Administration, U.S. Department of Commerce, Ronald Reagan Building, 1300 Pennsylvania Ave. NW., Suite 800M—Mezzanine Level—Atrium North, Washington, DC 20004; (2) Facsimile: (202) 482-7800; or (3) email: IBP2017@trade.gov. Facsimile and email applications will be accepted as interim applications, but must be followed by a signed original application that is received by the program no later than five (5) business days after the application deadline. To ensure that applications are received by the deadline, applicants are strongly urged to send applications by express delivery service (e.g., U.S. Postal Service Express Delivery, Federal Express, UPS, etc.).

### FOR FURTHER INFORMATION CONTACT:

Vidya Desai, Acting Director, International Buyer Program, Trade Promotion Programs, International Trade Administration, U.S. Department of Commerce, 1300 Pennsylvania Ave. NW., Ronald Reagan Building, Suite 800M—Mezzanine Level—Atrium North, Washington, DC 20004; Telephone (202) 482–2311; Facsimile: (202) 482–7800; Email: IBP2017@trade.gov.

SUPPLEMENTARY INFORMATION: The IBP was established in the Omnibus Trade and Competitiveness Act of 1988 (Pub. L. 100–418, codified at 15 U.S.C. 4724) to bring international buyers together with U.S. firms by promoting leading U.S. trade shows in industries with high export potential. The IBP emphasizes cooperation between the DOC and trade show organizers to benefit U.S. firms

exhibiting at selected events and provides practical, hands-on assistance such as export counseling and market analysis to U.S. companies interested in exporting. Shows selected for the IBP will provide a venue for U.S. companies interested in expanding their sales into international markets.

Through the IBP, ITA selects U.S. trade shows with participation by U.S. firms interested in exporting that ITA determines to be leading international trade shows, for promotion in overseas markets by U.S. Embassies and Consulates. The DOC is authorized to provide successful applicants with assistance in the form of overseas promotion of the show; outreach to show participants about exporting; recruitment of potential buyers to attend the events; and staff assistance in setting up international trade centers at the events. Worldwide promotion is executed through ITA officers at U.S. Embassies and Consulates in more than 70 countries representing the United States' major trading partners, and also in Embassies in countries where ITA does not maintain offices.

The International Trade
Administration (ITA) is accepting
applications from trade show organizers
for the IBP for trade events taking place
between January 1, 2017, and December
31, 2017. Selection of a trade show is
valid for one event, *i.e.*, a trade show
organizer seeking selection for a
recurring event must submit a new
application for selection for each
occurrence of the event. For events that
occur more than once in a calendar year,
the trade show organizer must submit a
separate application for each event.

For the IBP in calendar year 2017, the ITA expects to select approximately 20 events from among the applicants. The ITA will select those events that are determined to most clearly meet the statutory mandate in 15 U.S.C. 4721 to promote U.S. exports, especially those of small- and medium-sized enterprises, and the selection criteria articulated below.

There is no fee required to submit an application. If accepted into the program for calendar year 2017, a participation fee of \$9,800 is required for shows of five days or fewer. For trade shows more than five days in duration, or requiring more than one International Trade Center, a participation fee of \$15,000 is required. For trade shows ten days or more in duration, and/or requiring more than two International Trade Centers, the participation fee will be determined by DOC and stated in the written notification of acceptance. It would be calculated on a full cost recovery basis.
