

rights cannot be obtained, the grant recipient must follow the retention of qualified mineral interest requirements outlined in the Internal Revenue Service regulations (26 CFR 1.170A-14(g)(4)), which address both surface and subsurface minerals.

(4) Ensure that title to lands acquired conforms to title standards applicable to State land acquisitions where the land is located:

(i) Title to lands acquired using Community Forest Program funds must not be subject to encumbrances or agreements of any kind that would be contrary to the purpose of the Community Forest Program.

(ii) Title insurance must not be a substitute for acceptable title.

(5) The grant recipient must provide all necessary due diligence documentation to regional Forest Service program managers and allow at least 60 days for review and acceptance.

(b) At closing, record a Notice of Grant Requirement with the deed in the lands record of the local county or municipality. This document must:

(1) State that the property (including cost share tracts) was purchased with Community Forest Program funds;

(2) Provide a legal description;

(3) Identify the name and address of the grant recipient who is the authorized title holder;

(4) State the purpose of the Community Forest Program;

(5) Reference the Grant Agreement with the Forest Service (title and agreement number) and the address where it is kept on file;

(6) State that the grant recipient confirms its obligation to manage the interest in real property pursuant to the grant, the Community Forest Plan, and the purpose of the Community Forest Program;

(7) State that the Community Forest may not be sold and will not be conveyed or transferred to another eligible entity or encumbered in whole or in part, to another party without prior written permission and instructions from the Forest Service and when consistent with the purposes of the Community Forest Program; and

(8) State that the grant recipient will manage the interest in real property consistent with the purpose of the Community Forest Program.

§ 230.9 Ownership and use requirements.

(a) Grant recipients shall submit a final Community Forest Plan for Forest Service review within 120 days of the land acquisition and update the plan periodically to guide the management and use of the community forest.

(1) Grantees are encouraged to work with their State Forester or equivalent

official of their Indian tribe for technical assistance when developing or updating the Community Forest Plan. In addition, eligible entities are encouraged to work with technical specialists such as professional foresters, recreation specialists, wildlife biologists, and outdoor education specialists when developing Community Forest Plans.

(2) Reserved.

(b) Grant recipients shall provide public access in accordance with the Community Forest Plan.

(c) Recipients must manage the property in a manner consistent with the purposes of the Community Forest Program. In the event that a grant recipient sells or converts a parcel of land acquired under the Community Forest Program to nonforest uses or any use inconsistent with the purposes of the Community Forest Program, the grant recipient shall:

(1) Pay the United States an amount equal to the current sale price or the current appraised value of the parcel, whichever is greater. For the purposes of this calculation, the parcel's appraised value will be the parcel's full fair market value. The impact of subsequent encumbrances, such as the imposition of conservation easements consistent with the purposes of this program, will not be considered in appraising the parcel's fair market value; and

(2) Not be eligible for additional grants under the Community Forest Program.

(d) For Indian tribes, land acquired using a grant provided under the Community Forest Program must not be sold, converted to nonforest uses or a use inconsistent with the purpose of the Community Forest Program, or converted to land held in trust by the United States on behalf of any Indian tribe.

(e) Every five years, grant recipients shall submit a self-certifying statement to the regional Forest Service Program Manager confirming that the property has not been sold or converted to nonforest uses or a use inconsistent with the purpose of the Community Forest Program.

(f) Grant recipients are subject to periodic spot checks conducted by the Forest Service to verify that property acquired under the Community Forest Program has not been sold or converted to nonforest uses or any use inconsistent with the purpose of the Community Forest Program and that the current Community Forest Plan complies with defined minimum requirements in § 230.2.

§ 230.10 Technical assistance funds.

Community Forest Program technical assistance funds may be provided to State Foresters or equivalent officials of Indian tribes through an administrative grant to help implement projects funded through the Community Forest Program. These funds are separate from the project funds and do not have a cost share requirement. Section 7A (f) of the authorizing statute limits the funds allocated to State Foresters or equivalent officials of Indian tribes for program administration and technical assistance to no more than 10% of all funds made available to carry out the program for each fiscal year. Funds will only be provided to States or Indian tribes that:

(a) Have a Community Forest Program project funded within their jurisdiction, and

(b) Indicate the financial need and purpose of technical assistance in their Community Forest Program application.

ENVIRONMENTAL PROTECTION AGENCY

40 CFR Part 52

[EPA-R09-OAR-2015-0690; FRL-9937-28-Region 9]

Approval of California Air Plan Revisions, South Coast Air Quality Management District and Yolo-Solano Air Quality Management District

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: The Environmental Protection Agency (EPA) is proposing to approve revisions to the South Coast Air Quality Management District (SCAQMD) and Yolo-Solano Air Quality Management District (YSAQMD) portions of the California State Implementation Plan (SIP). These revisions concern volatile organic compound (VOC) emissions from motor vehicle and mobile equipment refinishing coating operations. We are proposing to approve local rules to regulate these emission sources under the Clean Air Act (CAA or the Act).

DATES: Any comments on this proposal must arrive by January 7, 2016.

ADDRESSES: Submit your comments, identified by Docket ID No. EPA-R09-OAR-2015-0690 at <http://www.regulations.gov>. Follow the online

instructions for submitting comments. Once submitted, comments cannot be edited or removed from Regulations.gov. The EPA may publish any comment received to its public docket. Do not submit electronically any information you consider to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Multimedia submissions (audio, video, etc.) must be accompanied by a written comment. The written comment is considered the official comment and should include discussion of all points you wish to make. The EPA will generally not consider comments or comment contents located outside of the primary submission (*i.e.* on the web, cloud, or other file sharing system). For additional submission methods, the full EPA public comment policy, information about CBI or multimedia submissions, and general guidance on making effective comments, please visit <http://www2.epa.gov/dockets/commenting-epa-dockets>.

FOR FURTHER INFORMATION CONTACT: Arnold Lazarus, EPA Region IX, (415) 972-3024, lazarus.arnold@epa.gov.

SUPPLEMENTARY INFORMATION: Throughout this document, “we,” “us” and “our” refer to the EPA. This proposal addresses the following local rules: SCAQMD Rule 1151, “Motor Vehicle and Mobile Equipment Non-Assembly Line Coating Operations,” and YSAQMD Rule 2.26, “Motor Vehicle and Mobile Equipment Coating Operations”. In the Rules and Regulations section of this **Federal Register**, we are approving these local rules in a direct final action without prior proposal because we believe these SIP revisions are not controversial. If we receive adverse comments, however, we will publish a timely withdrawal of the direct final rule and address the comments in subsequent action based on this proposed rule. Please note that if we receive adverse comment on a particular rule, we may adopt as final the rule that is not the subject of an adverse comment.

We do not plan to open a second comment period, so anyone interested in commenting should do so at this time. If we do not receive adverse comments, no further activity is planned. For further information, please see the direct final action.
