(3) *Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection:* Form Number: 1122-0007. U.S. Department of Justice, Office on Violence Against Women.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* The affected public includes the approximately 200 grantees of the Legal Assistance for Victims Grant Program (LAV Program) whose eligibility is determined by statute. In the Violence Against Women Act of 2000, Congress statutorily authorized the LAV Program. 42 U.S.C. 3796gg-6 and amended the statutory in 2005 and 2013. The LAV Program is intended to increase the availability of legal assistance necessary to provide effective aid to victims of domestic violence, stalking, or sexual assault who are seeking relief in legal matters arising as a consequence of that abuse or violence. The LAV Program awards grants to law school legal clinics, legal aid or legal services programs, domestic violence victims' shelters, bar associations, sexual assault programs, private nonprofit entities, and Indian tribal governments. These grants are for providing direct legal services to victims of domestic violence, sexual assault, and stalking in matters arising from the abuse or violence and for providing enhanced training for lawyers representing these victims. The goal of the Program is to develop innovative,

collaborative projects that provide quality representation to victims of domestic violence, sexual assault, and stalking.

An LAV Program grantee will only be required to complete the sections of the form that pertain to its own specific activities.

(6) *An estimate of the total public burden (in hours) associated with the collection:* The total annual hour burden to complete the data collection forms is 400 hours, that is 200 grantees completing a form twice a year with an estimated completion time for the form being one hour.

Notice of Charter Establishment

AGENCY: Federal Bureau of Investigation, DOJ.

ACTION: Notice of Charter Establishment of the Executive Advisory Board of the National Domestic Communications Assistance Center.

SUMMARY: Pursuant to Title 41 of the U.S. Code of Federal Regulations, section 102-3.65, notice is hereby given that the Charter for the National Domestic Communications Assistance Center (NDCAC) Executive Advisory Board (EAB) was filed on August 1, 2014. The Charter is on file with the General Services Administration. However, the EAB has not met nor conducted any business since its establishment. The Attorney General determined that the NDCAC EAB is necessary and in the public interest in

connection with the performance of duties of the Department of Justice and these duties can best be performed through the advice and counsel of this group. This determination followed consultation with the Committee Management Secretariat, General Services Administration.

The purpose of the EAB is to provide advice and recommendations to the Attorney General or designee, and to the Director of the NDCAC that promote public safety and national security by advancing the NDCAC's core functions: law enforcement coordination with respect to technical capabilities and solutions, technology sharing, industry relations, and implementation of the Communications Assistance for Law Enforcement Act (CALEA).

FOR FURTHER INFORMATION CONTACT:

Alice Bardney-Boose, Designated Federal Officer, National Domestic Communications Assistance Center, Department of Justice, by email at Alice.Bardney-Boose@ic.fbi.gov or by phone at (540) 361-2330.

SUPPLEMENTARY INFORMATION: The EAB consists of 15 voting members composed of Representative members, Regular Government Employees and/or Special Government Employees. The membership includes representatives from Federal, State, local and tribal law enforcement agencies. Additionally, there are two non-voting members as follows: a federally-employed attorney assigned full time to the NDCAC to serve as a legal advisor to the EAB, and the DOJ Chief Privacy Officer or designee to ensure that privacy and civil rights and civil liberties issues are fully considered in the EAB's recommendations. The Board is composed of eight State, local, and/or tribal representatives and seven federal representatives. Any future changes to the voting membership of the EAB will maintain the continued majority of State, local, and/or tribal representatives by one seat.

The membership of the entire EAB includes active executive level officials (e.g., agency heads for State, local, or tribal representatives; and members of the Senior Executive Service for Federal agencies) having responsibility for, or being substantially engaged in, the management of electronic surveillance capabilities, evidence collection on communication devices, and technical location capabilities from Federal, State, local and/or tribal law enforcement agencies from across the country. EAB members serve two-year terms, and are eligible for reappointment if the Charter is renewed.
