Additional Terms That Are Part of the Official Rules, Terms, and Conditions

Please review the Luminary Lightbox™ Terms of Service at www.LuminaryLightbox.com/terms for additional rules that apply to participation in the Challenge and more generally to use of the Challenge Web page. Such Terms of Service are incorporated by reference into these *Official Rules, Terms, and Conditions*. If there is a conflict between the Terms of Service and these *Official Rules, Terms, and Conditions*, the latter terms shall control with respect to this Challenge only.

Participation in the Challenge constitutes an entrant's full and unconditional agreement to these *Official Rules, Terms, and Conditions*. By entering, an entrant agrees that all decisions related to the Challenge that are made pursuant to these *Official Rules, Terms, and Conditions* are final and binding, and that all such decisions are at the sole discretion of the Department and/or Luminary Labs.

Luminary Labs collects personal information from entrants to the Challenge. The information collected is subject to the privacy policy located here: www.LuminaryLightbox.com/privacy.

List of Award Recipients/Official Rules/Contact

To obtain a list of award recipients (after the conclusion of the Challenge) or a copy of these *Official Rules, Terms, and Conditions*, send a self-addressed envelope with the proper postage affixed to: Luminary Labs, 30 West 22nd St., Floor 6, New York, NY, 10010. Please specify "Awards List" or "Official Rules" and the name of the specific Challenge in this request.

Please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section of this notice, should you have any comments or questions about these *Official Rules, Terms, and Conditions*.

X. Other Information

Accessible Format: Individuals with disabilities can obtain this document and a copy of the application package in an accessible format (e.g., braille, large print, audiotope, or compact disc) on request to the program contact person listed under **FOR FURTHER INFORMATION CONTACT** in this notice.

Electronic Access to This Document: The official version of this document is the document published in the **Federal**

Register. Free Internet access to the official edition of the **Federal Register** and the Code of Federal Regulations is available via the Federal Digital System at: www.gpo.gov/fdsys. At this site you can view this document, as well as all other documents of this Department published in the **Federal Register**, in text or Portable Document Format (PDF). To use PDF you must have Adobe Acrobat Reader, which is available free at the site.

You may also access documents of the Department published in the **Federal Register** by using the article search feature at: www.federalregister.gov. Specifically, through the advanced search feature at this site, you can limit your search to documents published by the Department.

Dated: March 3, 2016.

Johan E. Uvin,

Deputy Assistant Secretary Delegated the Duties of the Assistant Secretary for Career, Technical, and Adult Education.

BILLING CODE 4000-01-P

DEPARTMENT OF ENERGY

[OE Docket No. EA-216-D]

Application To Export Electric Energy; TransAlta Energy Marketing (U.S.) Inc.

AGENCY: Office of Electricity Delivery and Energy Reliability, DOE.

ACTION: Notice of application.

SUMMARY: TransAlta Energy Marketing (U.S.) Inc. (Applicant or TEMUS) has applied to renew its authority to transmit electric energy from the United States to Canada pursuant to section 202(e) of the Federal Power Act.

DATES: Comments, protests, or motions to intervene must be submitted on or before April 8, 2016.

ADDRESSES: Comments, protests, motions to intervene, or requests for more information should be addressed to: Office of Electricity Delivery and Energy Reliability, Mail Code: OE-20, U.S. Department of Energy, 1000 Independence Avenue SW., Washington, DC 20585-0350. Because of delays in handling conventional mail, it is recommended that documents be transmitted by overnight mail, by electronic mail to Electricity.Exports@hq.doe.gov, or by facsimile to 202-586-8008.

SUPPLEMENTARY INFORMATION: Exports of electricity from the United States to a foreign country are regulated by the Department of Energy (DOE) pursuant to sections 301(b) and 402(f) of the

Department of Energy Organization Act (42 U.S.C. 7151(b), 7172(f)) and require authorization under section 202(e) of the Federal Power Act (16 U.S.C. 824a(e)).

On May 17, 2011, DOE issued Order No. EA-216-C to TEMUS, which authorized the Applicant to transmit electric energy from the United States to Canada as a power marketer for a five-year term using existing international transmission facilities. That authority expires on May 17, 2016. On February 29, 2016, TEMUS filed an application with DOE for renewal of the export authority contained in Order No. EA-216 for an additional five-year term.

In its application, TEMUS states that it does not own or operate any electric generation or transmission facilities, and it does not have a franchised service area. The electric energy that TEMUS proposes to export to Canada would be surplus energy purchased from third parties such as electric utilities and Federal power marketing agencies pursuant to voluntary agreements. The existing international transmission facilities to be utilized by TEMUS have previously been authorized by Presidential permits issued pursuant to Executive Order 10485, as amended, and are appropriate for open access transmission by third parties.

Procedural Matters: Any person desiring to be heard in this proceeding should file a comment or protest to the application at the address provided above. Protests should be filed in accordance with Rule 211 of the Federal Energy Regulatory Commission's (FERC) Rules of Practice and Procedures (18 CFR 385.211). Any person desiring to become a party to these proceedings should file a motion to intervene at the above address in accordance with FERC Rule 214 (18 CFR 385.214). Five copies of such comments, protests, or motions to intervene should be sent to the address provided above on or before the date listed above.

Comments and other filings concerning TEMUS's application to export electric energy to Canada should be clearly marked with OE Docket No. EA-216-D. An additional copy is to be provided directly to Steve Lincoln, TransAlta Energy Marketing (U.S.) Inc., 222 SW Columbia Street, Suite 1105, Portland, OR 97201 and to both Catherine P. McCarthy and Tracey L. Bradley, Bracewell LLP, 2000 K Street NW., Suite 500, Washington, DC 20006.

A final decision will be made on this application after the environmental impacts have been evaluated pursuant to DOE's National Environmental Policy Act Implementing Procedures (10 CFR part 1021) and after a determination is

made by DOE that the proposed action will not have an adverse impact on the sufficiency of supply or reliability of the U.S. electric power supply system.

Copies of this application will be made available, upon request, for public inspection and copying at the address provided above, by accessing the program Web site at <http://energy.gov/node/11845>, or by emailing Angela Troy at Angela.Troy@hq.doe.gov.

Issued in Washington, DC, on March 3, 2016.

Brian Mills,

Senior Planning Advisor, Office of Electricity Delivery and Energy Reliability.
