Project Leader Karl Tsuji (202-205-3434 or karl.tsuji@usitc.gov) for information specific to this investigation. For information on the legal aspects of these investigations, contact William Gearhart of the Commission's Office of the General Counsel (202-205-3091 or william.gearhart@usitc.gov). The media should contact Margaret O'Laughlin, Office of External Relations (202-205-1819 or margaret.olaughlin@usitc.gov). Hearing-impaired individuals may obtain information on this matter by contacting the Commission's TDD terminal at 202-205-1810. General information concerning the Commission may also be obtained by accessing its Internet server (<http://www.usitc.gov>). Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202-205-2000.

Background: As requested by the Committee, the investigation will cover unwrought (e.g., primary and secondary) and wrought (e.g., semi-finished) aluminum products. The Commission's report will provide, to the extent that information is available:

- An overview of the aluminum industry in the United States and other major global producing and exporting countries, including production, production capacity, capacity utilization, employment, wages, inventories, supply chains, domestic demand, and exports;
- Information on recent trade trends and developments in the global market for aluminum, including U.S. and other major foreign producer imports and exports, and trade flows through third countries for further processing and subsequent exports;
- A comparison of the competitive strengths and weaknesses of aluminum production and exports in the United States and other major producing and exporting countries, including such factors as producer revenue and production costs, industry structure, input prices and availability, energy

costs and sources, production technology, product innovation, exchange rates, and pricing, as well as government policies and programs that directly or indirectly affect aluminum production and exporting in these countries;

- In countries where unwrought aluminum capacity has significantly increased, identify factors driving those capacity and related production changes; and

- A qualitative and, to the extent possible, quantitative assessment of the impact of government policies and programs in major foreign aluminum producing and exporting countries on their aluminum production, exports, consumption, and domestic prices, as well as on the U.S. aluminum industry and on aluminum markets worldwide.

As requested, the report will focus primarily on the 2011-2015 time period, but examine longer term trends since 2001 when appropriate.

The Committee asked that the Commission transmit its report not later than 16 months after receipt of the request, and the Commission will transmit its report by June 26, 2017. The Committee also stated that it intends to make the Commission's report available to the public in its entirety and asked that the report not include any confidential business information.

Public Hearing: A public hearing in connection with this investigation will be held at the U.S. International Trade Commission Building, 500 E Street SW., Washington, DC, beginning at 9:30 a.m. on September 29, 2016. Requests to appear at the public hearing should be filed with the Secretary, no later than 5:15 p.m., September 5, 2016 in accordance with the requirements in the "Submissions" section below. All pre-hearing briefs and statements should be filed not later than 5:15 p.m., September 12, 2016; and all post-hearing briefs and statements should be filed not later than 5:15 p.m., October 7, 2016. In the event that, as of the close of business on September 5, 2016, no witnesses are scheduled to appear at the hearing, the hearing will be canceled. Any person interested in attending the hearing as an observer or nonparticipant should contact the Office of the Secretary at 202-205-2000 after September 5, 2016, for information concerning whether the hearing will be held.

Written Submissions: In lieu of or in addition to participating in the hearing, interested parties are invited to file written submissions concerning this investigation. All written submissions should be addressed to the Secretary, and should be received not later than

5:15 p.m., February 21, 2017. All written submissions must conform to the provisions of section 201.8 of the Commission's Rules of Practice and Procedure (19 CFR 201.8). Section 201.8 and the Commission's Handbook on Filing Procedures require that interested parties file documents electronically on or before the filing deadline and submit eight (8) true paper copies by 12:00 p.m. eastern time on the next business day. In the event that confidential treatment of a document is requested, interested parties must file, at the same time as the eight paper copies, at least four (4) additional true paper copies in which the confidential information must be deleted (see the following paragraphs for further information regarding confidential business information). Persons with questions regarding electronic filing should contact the Office of the Secretary, Docket Services Division (202-205-1802).

Confidential Business Information.

Any submissions that contain confidential business information must also conform to the requirements of section 201.6 of the Commission's Rules of Practice and Procedure (19 CFR 201.6). Section 201.6 of the rules requires that the cover of the document and the individual pages be clearly marked as to whether they are the "confidential" or "non-confidential" version, and that the confidential business information is clearly identified by means of brackets. All written submissions, except for confidential business information, will be made available for inspection by interested parties.

As requested by the Committee, the Commission will not include any confidential business information in the report that it sends to the Committee or makes available to the public. However, all information, including confidential business information, submitted in this investigation may be disclosed to and used: (i) By the Commission, its employees and Offices, and contract personnel (a) for developing or maintaining the records of this or a related proceeding, or (b) in internal investigations, audits, reviews, and evaluations relating to the programs, personnel, and operations of the Commission including under 5 U.S.C. Appendix 3; or (ii) by U.S. government employees and contract personnel for cybersecurity purposes. The Commission will not otherwise disclose any confidential business information in a manner that would reveal the operations of the firm supplying the information.

Summaries of Written Submissions: The Commission intends to publish

summaries of the positions of interested persons. Persons wishing to have a summary of their position included in the report should include a summary with their written submission. The summary may not exceed 500 words, should be in MS Word format or a format that can be easily converted to MS Word, and should not include any confidential business information. The summary will be published as provided if it meets these requirements and is germane to the subject matter of the investigation. The Commission will identify the name of the organization furnishing the summary and will include a link to the Commission's Electronic Document Information System (EDIS) where the full written submission can be found.

By order of the Commission.

Issued: April 6, 2016.

Lisa Barton,

Secretary to the Commission.
