

Secretary, 999 E Street NW., Washington, DC 20463. Requestors are advised that if they submit a request, electronically or otherwise, to a different address than designated in this Policy, the processing of the request may be delayed. Upon receipt of a request, the Commission Secretary shall forward a copy of any request to each Commissioner, the General Counsel, and the Staff Director.

Any request for an extension of time to file will be considered on a case-by-case basis and will only be granted if good cause is shown, and the Commission approves the extension request by four affirmative votes within five business days of receipt of the extension request. Within five business days of notification to the Commissioners of a request for consideration of a legal question, if two or more Commissioners agree that the Commission should consider the request, OGC may, at that time, attempt to resolve the matter informally over the course of five business days. Within 15 business days from the date upon which OC and OGC conclude that the matter cannot be resolved informally, or from the expiration of the five business day period, whichever occurs first, OGC will prepare and circulate a recommendation in accordance with all applicable Commission Directives. If the matter is resolved informally, OC and OGC will notify the Commission that the matter has been resolved, and notify the Requestor in writing of the notification to the Commission. Informal resolution of a matter does not prevent the Requestor from seeking Commission consideration, in an additional or subsequent determination, subject to the requirements of this program.

After the recommendation is circulated for a Commission vote, in the event of an objection, the matter shall be automatically placed on the next meeting agenda consistent with the Sunshine Act, 5 U.S.C. 552b(g), and applicable Commission regulations, 11 CFR part 2. However, if within 60 business days of the filing of a request for consideration, the Commission has not resolved the issue or provided guidance on how to proceed with the matter by the affirmative vote of four or more Commissioners, the OC may proceed with the matter. After the 60 business days has elapsed, any requestor will be provided a copy of OGC's recommendation memorandum and an accompanying vote certification, or if no such certification exists, a cover page stating the disposition of the memoranda. Confidential information will be redacted as necessary.

After the request review process has concluded, or a Final Audit Report has been approved, a copy of the request for consideration, as well as the recommendation memorandum and accompanying vote certification or disposition memorandum, will be placed with the Committee's filings or audit documents on the Commission's Web site within 30 days. These materials will also be placed on the Commission's Web page dedicated to legal questions considered by the Commission under this program.

This procedure is not intended to circumvent or supplant the Advisory Opinion process provided under 52 U.S.C. 30108 and 11 CFR part 112. Accordingly, any legal issues that qualify for consideration under the Advisory Opinion process are not appropriate for consideration under this new procedure. Additionally, this policy statement does not supersede the procedures regarding eligibility and entitlement to public funds set forth in Commission Directive 24 and 11 CFR 9005.1, 9033.4, 9033.6 or 9033.10.

II. Annual Review

No later than July 1 of each year, the OC and OGC shall jointly prepare and distribute to the Commission a written report containing a summary of the requests made under the program over the previous year and a summary of the Commission's consideration of those requests and any action taken thereon. The annual report shall also include the Chief Compliance Officer's and the General Counsel's assessment of whether, and to what extent, the program has promoted efficiency and fairness in both the Commission's report review process and in the audit process, as well as their recommendations, if any, for modifications to the program.

The Commission may terminate or modify this program through additional policy statements at any time by an affirmative vote of four of its members.

On behalf of the Commission.

Dated: May 5, 2016.

Matthew S. Petersen,
Chairman, Federal Election Commission.

SUPPLEMENTARY INFORMATION:

I. Background

Section 531(b) of the Medicare, Medicaid, and SCHIP Benefits Improvement and Protection Act of 2000 (BIPA) (Pub. L. 106–554) requires the Secretary of the Department of Health and Human Services (the Secretary) to establish procedures for coding and payment determinations for new clinical diagnostic laboratory tests under Part B of title XVIII of the Social Security Act (the Act) that permit public consultation in a manner consistent with the procedures established for implementing coding modifications for International Classification of Diseases (ICD–9–CM). The procedures and public meeting announced in this notice for new tests are in accordance with the procedures published on November 23, 2001 in the **Federal Register** (66 FR 58743) to implement section 531(b) of BIPA.

Section 942(b) of the Medicare Prescription Drug, Improvement, and Modernization Act of 2003 (MMA) (Pub. L. 108–173) added section 1833(h)(8) of the Act. Section 1833(h)(8)(A) of the Act requires the Secretary to establish by regulation procedures for determining the basis for, and amount of, payment for any clinical diagnostic laboratory test with respect to which a new or substantially revised Healthcare Common Procedure Coding System (HCPCS) code is assigned on or after January 1, 2005 (hereinafter referred to as “new tests”). A code is considered to be substantially revised if there is a substantive change to the definition of the test or procedure to which the code applies (such as, a new analyte or a new methodology for measuring an existing analyte-specific test). (See section 1833(h)(8)(E)(ii) of the Act.)

Section 1833(h)(8)(B) of the Act sets forth the process for determining the basis for, and the amount of, payment for new tests. Pertinent to this notice, section 1833(h)(8)(B)(i) and (ii) of the Act requires the Secretary to make available to the public a list that includes any such test for which
