

Personnel Management, 1900 E Street NW., Room 3316-L, Washington, DC 20415, Attention: Cyrus S. Benson, or sent by email to Cyrus.Benson@opm.gov or faxed to (202) 606-0910.

SUPPLEMENTARY INFORMATION:

The Office of Management and Budget is particularly interested in comments that:

1. Evaluate whether the proposed collection of information is necessary for the proper performance of functions of OPM, including whether the information will have practical utility;

2. Evaluate the accuracy of OPM's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

3. Enhance the quality, utility, and clarity of the information to be collected; and

4. Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

RI 38-47 outlines the procedures required to request reconsideration of an initial OPM decision about Civil Service or Federal Employees retirement, Federal or Retired Federal Employees Health Benefits requests to enroll or change enrollment or Federal Employees' Group Life Insurance coverage. This form lists the procedures

and time periods required for requesting reconsideration.

BILLING CODE 6325–39–P

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–77821; File No. SR–ISE–2016–13]

Self-Regulatory Organizations; International Securities Exchange, LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend the Schedule of Fees

May 12, 2016.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),¹ and Rule 19b–4 thereunder,² notice is hereby given that on May 2, 2016, the International Securities Exchange, LLC (the “Exchange” or the “ISE”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change, as described in Items I, II, and III below, which items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The ISE proposes to eliminate Priority Customer complex order rebates for certain “net zero” complex orders. The text of the proposed rule change is available on the Exchange’s Web site (<http://www.ise.com>), at the principal

office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Currently, the Exchange provides rebates to Priority Customer³ complex orders that trade with non-Priority Customer complex orders in the complex order book or trade with quotes and orders on the regular order book. Rebates are tiered based on a member’s average daily volume (“ADV”) executed during a given month as follows: 0 to 29,999 contracts (“Tier 1”), 30,000 to 59,999 contracts (“Tier 2”), 60,000 to 99,999 contracts (“Tier 3”), 100,000 to 149,999 (“Tier 4”), 150,000 to 199,999 contracts (“Tier 5”), and 200,000 or more contracts (“Tier 6”). In Select Symbols the rebate is \$0.30 per contract for Tier 1, \$0.35 per contract for Tier 2, \$0.41 per contract for Tier 3, \$0.44 per contract for Tier 4, \$0.46 per contract for Tier 5, and \$0.47 per contract for Tier 6. In Non-Select Symbols the rebate is

\$0.63 per contract for Tier 1, \$0.71 per contract for Tier 2, \$0.79 per contract for Tier 3, \$0.81 per contract for Tier 4, \$0.83 per contract for Tier 5, and \$0.84 per contract for Tier 6.

Recently, a market participant has been entering a large volume of valueless complex orders that trade at a net price at or near \$0.00 (*i.e.*, “net zero” complex orders) with the sole intention of earning a rebate.⁴ While these complex orders would generally not find a counterparty in the complex order book, they may leg in to the regular order book where they are typically executed by Market Makers⁵ on the individual legs. The fee that Market Makers quoting in Select Symbols pay when a complex order legs into their quote is substantially higher than their fee or rebate for regular orders that trade against their quotes. In particular, a Market Maker providing liquidity on the individual leg would typically pay a maker fee of only \$0.10 per contract,⁶ or in the case of Market Makers that achieve Market Maker Plus status,⁷ would earn a maker rebate

⁴ For example, a market participant could enter a “net zero” complex order that buys 500 contracts of the \$193 March 6, 2016 SPY Put at a price of \$0.03 and sells 500 contracts of the \$193.50 March 6, 2016 SPY Put at a price of \$0.03 for a net price of \$0.00.

⁵ The term “Market Makers” refers to “Competitive Market Makers” and “Primary Market Makers” collectively. See ISE Rule 100(a)(25).

⁶ This maker fee also applies to Non-ISE Market Maker, Firm Proprietary/Broker Dealer and Professional Customer orders in Select Symbols. Priority Customer orders are not charged a maker fee in Select Symbols for orders entered on the regular order book.

A “Non-ISE Market Maker” is a market maker as defined in Section 3(a)(38) of the Securities Exchange Act of 1934, as amended, registered in the same options class on another options exchange.

A “Firm Proprietary” order is an order submitted by a member for its own proprietary account.

A “Broker-Dealer” order is an order submitted by a member for a broker-dealer account that is not its own proprietary account.

A “Professional Customer” is a person or entity that is not a broker/dealer and is not a Priority Customer.

⁷ A Market Maker Plus is a Market Maker who is on the National Best Bid or National Best Offer a

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b–4.

³ A “Priority Customer” is a person or entity that is not a broker/dealer in securities, and does not place more than 390 orders in listed options per day on average during a calendar month for its own beneficial account(s), as defined in ISE Rule 100(a)(37A).
