Updated List of Goods and Services Produced by Independent Cuban Entrepreneurs Authorized for Importation

AGENCY: Department of State.

Subagency: Bureau of Economic and Business Affairs.

ACTION: Notice, publication of updated list of goods and services produced by independent Cuban entrepreneurs authorized for importation into the United States.

SUMMARY: On April 22, 2016, the Department of State published on its Web site an updated list of goods and services produced by independent Cuban entrepreneurs whose importation into the United States is authorized by the Department of the Treasury's Cuban Assets Control Regulations ("CACR"). This list updates the version of the list published on February 13, 2015. These changes allow for more engagement with Cuba's private sector through new business opportunities.

DATES: April 22, 2016.

FOR FURTHER INFORMATION CONTACT: Office of Economic Sanctions Policy and Implementation, tel.: 202-647-7489; Office of the Coordinator for Cuban Affairs, tel.: 202-647-9273, Department of State, Washington, DC 20520 (not toll-free numbers).

SUPPLEMENTARY INFORMATION:

Electronic Availability

This document and additional information concerning the List are available from the Department of State's Web site (<http://www.state.gov/e/eb/tfs/spi/cuba/515582/237471.htm>). Additional information about the President's new course on Cuba is also on the Web site (www.state.gov/p/wha/ci/cu/cuba/).

Background

On January 16, 2015, the Department of the Treasury's Office of Foreign Assets Control (OFAC) published a final rule in the **Federal Register** (80 FR 2291, Jan. 16, 2015) amending the Cuban Assets Control Regulations (CACR), 31 CFR part 515, to implement the President's December 17, 2014, policy announcement on Cuba. Section 515.582 of the CACR was added to authorize persons subject to U.S. jurisdiction to engage in all transactions, including payments, necessary to import certain goods and services produced by independent Cuban entrepreneurs as determined by the State Department as set forth on the State Department's Section 515.582 List. Empowering the Cuban people and Cuban civil society is central to the Administration's approach to Cuba, which seeks to create new opportunities for Cuba's nascent private sector. The State Department's Section 515.582 List was first published February 13, 2015 on its Web site and went into effect immediately upon publication.

On April 22, 2016, the State Department updated the Section 515.582 List, authorizing persons subject to U.S. jurisdiction to import coffee and additional textiles and textile articles produced by independent

Cuban entrepreneurs, in addition to the items previously authorized. The updated List also removes the requirement that imports of authorized goods need to be made directly from Cuba. These changes allow for more engagement with Cuba's private sector through new business opportunities.

The List published on the State Department's Web site on April 22, 2016, replaces in full the version of the List published on February 13, 2015. The List is as follows, and may be updated by the State Department periodically.

Services

The authorized services pursuant to 31 CFR 515.582 are services supplied by an independent Cuban entrepreneur in Cuba, as demonstrated by documentary evidence. SURFACE TRANSPORTATION BOARD

[Docket No. FD 35995]

South Carolina Division of Public Railways d/b/a Palmetto Railways—Acquisition Exemption—Hampton & Branchville Railroad Company

South Carolina Division of Public Railways d/b/a Palmetto Railways (Palmetto), a Class III rail carrier, has filed a verified notice of exemption under 49 CFR 1150.41 to acquire three connecting line segments that constitute the entire rail line of Hampton & Branchville Railroad Company (H&B), a total distance of approximately 45.77 miles in Colleton and Hampton Counties, S.C. (H&B Line): (1) From a connection with CSX Transportation, Inc., at milepost 0.0 in Hampton to milepost 16.8 at H&B Junction, a distance of 16.8 miles; (2) from the end of track at milepost 462.37 in Lodge through H&B Junction and Stokes to the end of track at milepost 443.18 in Walterboro, a distance of 19.19 miles; and (3) from approximately milepost 447 at Stokes to the end of track at milepost 456.78 in Canadys, a distance of 9.78 miles.¹

Palmetto has certified that the transaction does not involve any provision or agreement that would limit future interchange with a third-party connecting carrier.

Palmetto states that its projected annual revenues as a result of this transaction will not result in Palmetto's

becoming a Class II or Class I rail carrier, but that its projected annual revenues will exceed \$5 million. Accordingly, Palmetto is required, at least 60 days before this exemption is to become effective, to send notice of the transaction to the national offices of the labor unions with employees on the affected line, post a copy of the notice at the workplace of the employees on the affected line, and certify to the Board that it has done so. 49 CFR 1150.42(e). Palmetto's verified notice, however, includes a request to waive that requirement. Palmetto states that H&B has not conducted any rail operations in more than three years and does not have any employees, other than its president. Palmetto asserts that providing the 60-day notice would serve no useful purpose because it is merely acquiring the Line to prevent abandonment. Palmetto's waiver request will be addressed in a separate decision.

Palmetto states that it expects to consummate the transaction on or after August 5, 2016.² The Board will establish in the decision on the waiver request the earliest date this transaction may be consummated.

If the verified notice contains false or misleading information, the exemption is void ab initio. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the effectiveness of the exemption. Petitions to stay must be filed no later than May 25, 2016.

An original and 10 copies of all pleadings, referring to Docket No. FD 35995, must be filed with the Surface Transportation Board, 395 E Street SW., Washington, DC 20423-0001. In addition, a copy of each pleading must be served on Thomas J. Litwiler, Fletcher & Sippel LLC, 29 North Wacker Drive, Suite 920, Chicago, IL 60606.

Board decisions and notices are available on our Web site at "WWW.STB.DOT.GOV".

Decided: May 13, 2016.

² Palmetto states that H&B and Palmetto have agreed upon the terms of an Asset Purchase and Sale Agreement providing for Palmetto's acquisition of all of H&B's right, title, and interest in the H&B Line. According to Palmetto, the Agreement will be fully executed after Palmetto receives the necessary state agency approvals. Palmetto states that it will concurrently execute a Loan and Security Agreement with Colleton County Intermodal Corporation (CCIC) and Colleton County providing for CCIC's financing of the acquisition transaction through the issuance of economic development revenue bonds.

By the Board, Rachel D. Campbell,
Director, Office of Proceedings.

Tammy Lowery,
Clearance Clerk.
