**Statement of Findings: Crow Tribe
Water Rights Settlement Act of 2010**

AGENCY: Office of the Secretary, Interior.

ACTION: Notice.

SUMMARY: The Secretary of the Interior
is publishing this notice as required by
section 410(e) of the Crow Tribe Water
Rights Settlement Act of 2010
(Settlement Act). Congress enacted the
Settlement Act as Title IV of the Claims
Resolution Act of 2010 (Pub. L. 111-
291). The publication of this notice
causes certain waivers and releases of
claims to become effective as required
by the Settlement Act.

DATES: This notice is effective June 22,
2016.

FOR FURTHER INFORMATION CONTACT:

Address all comments and requests for
additional information to Douglas Davis,
Chair, Crow Water Rights Settlement
Implementation Team, Department of
the Interior, Bureau of Reclamation,
Great Plains Region, P.O. Box 36900
(GP-1230), Billings, MT 59107, (406)
247-7710.

SUPPLEMENTARY INFORMATION: The
Settlement Act was enacted to resolve
the water rights claims of the Crow
Tribe (Tribe) in the State of Montana
(State). The Tribe and the State
negotiated the Crow Tribe-Montana
Water Compact (Mont. Code. Ann. 85-

20-901) (Compact) prior to enactment of
the Settlement Act. As described in
section 402 of the Settlement Act, the
purposes of the Settlement Act are:

(1) To achieve a fair, equitable, and
final settlement of claims to water rights
in the State of Montana for the Crow
Tribe and for the United States for the
benefit of the Tribe and allottees;

(2) to authorize, ratify, and confirm
the Compact;

(3) to authorize and direct the
Secretary of the Interior (Secretary) to
execute the Compact and to take any
other action necessary to carry out the
Compact in accordance with the
Settlement Act; and

(4) to ensure the availability of funds
necessary for the implementation of the
Compact and the Settlement Act.

Section 415 of the Settlement Act
provided for repeal of the Settlement
Act and other consequences if certain
conditions were not fulfilled on or
before March 31, 2016, or by an
extended date agreed to by the Tribe
and the Secretary after reasonable notice
to the State, whichever is later. On
March 21, 2016, after providing
reasonable notice to the State, the
Secretary and the Tribe agreed to extend
the deadline for publication to June 30,
2016.

Statement of Findings

In accordance with section 410(e) of
the Settlement Act, I find as follows:

1. The Montana Water Court has
issued a final judgment and decree
approving the Compact;

2. all of the funds made available
under subsections (c) through (f) of
section 414 of the Settlement Act have
been deposited in the Crow Settlement
Fund;

3. the Secretary has executed the
agreements with the Tribe required by
sections 405(a) and 406(a) of the
Settlement Act;

4. the State has appropriated and paid
into an interest-bearing escrow account
any payments due as of the date of
enactment of the Settlement Act to the
Tribe under the Compact;

5. the Tribe has ratified the Compact
by submitting the Settlement Act and
the Compact to a vote by the tribal
membership for approval or disapproval
and the tribal membership voted to
approve the Settlement Act and the
Compact by a majority of votes cast on
the day of the vote, as certified by the
Secretary and the Tribe;

6. the Secretary has fulfilled the
requirements of section 408(a) of the
Settlement Act; and

7. the waivers and releases authorized
and set forth in section 410(a) of the

Settlement Act have been executed by
the Tribe and the Secretary.

Sally Jewell,

Secretary of the Interior.

SUPPLEMENTARY INFORMATION:

I. *Background:* The fourth round of the Trade Adjustment Assistance Community College Career Training (TAACCCT) grants program continues to provide community colleges and other eligible institutions of higher education with funds to expand and improve their ability to deliver education and career training programs that can be completed in two years or less and are suited for workers who are eligible for training under the Trade Adjustment Assistance for Workers program and other adults in need of new or upgraded skills. The evaluation of Round 4 funded by the Department of Labor will include an outcomes study, an implementation analysis, and a study of employer relationships.

This **Federal Register** Notice provides the opportunity to comment on a

proposed new information collection activity for the TAACCCT Round 4 National Evaluation: (1) Collecting updated participant contact information, (2) conducting a follow-up survey of participants enrolled in programs in the Round 4 grantees selected for the outcomes study, (3) surveying staff in all colleges that are part of a Round 4 grant, and (4) interviewing staff from employers that have partnered with Round 4 grantees.

The purposes of the outcomes study are to capture participants' training experiences while in their programs, receipt of job search assistance as they near program completion, and employment and wage outcomes upon program exit and, for shorter programs, several months thereafter. The employer study will seek to understand how DOL can encourage the workforce system to build productive and sustainable employer relationships through Workforce Innovation and Opportunity Act implementation and its grants programs.

II. *Desired Focus of Comments:* Currently, the Department of Labor is soliciting comments concerning the above data collection for the national evaluation of Round 4 of the TAACCCT grants program. Comments are requested to:

* Evaluate whether the proposed collection of information is necessary

for the proper performance of the functions of the agency, including whether the information will have practical utility;

* evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

* enhance the quality, utility, and clarity of the information to be collected; and

* minimize the burden of the information collection on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

III. *Current Actions:* At this time, the Department of Labor is requesting clearance for data collection for the national evaluation of Round 4 of the TAACCCT grants program via collection of updated participant contact information, survey data on participants and colleges, and employer discussions.

Type of review: New information collection request.

OMB Control Number: 1205-0NEW.
