

SUMMARY: The Department of Justice, Civil Rights Division, Office of Special Counsel for Immigration-Related Unfair Employment Practices, will be submitting the following information collection request to the Office of Management and Budget for review and approval in accordance with the Paperwork Reduction Act of 1995. This proposed information collection was previously published in the **Federal Register** at 81 FR 24129, on April 25, 2016, allowing for a 60-day comment period.

DATES: The purpose of this notice is to allow for an additional 30 days for public comment until August 1, 2016.

FOR FURTHER INFORMATION CONTACT: If you have comments especially on the estimated public burden or associated response time, suggestions, or need a copy of the proposed information collection instrument with instructions or additional information, please contact Alberto Ruisanchez, Deputy Special Counsel, USDOJ-CRT-OSC, 950 Pennsylvania Avenue NW-NYA, Washington, DC 20530. Written comments and/or suggestions are requested from the public and affected agencies concerning the proposed collection of information. Your comments should address one or more of the following four points:

(1) Evaluate whether the collection of information is necessary for the proper performance of the function of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden of the collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, mechanical, or other technological collection techniques or other forms of information technology.

The information collection is listed below:

(1) Type of information collection: Extension of Currently Approved Collection.

(2) The title of the form/collection: Office of Special Counsel for

Immigration-Related Unfair Employment Practices Charge Form [OSC Charge Form].

(3) The agency form number and applicable component of the Department sponsoring the collection. Form OSC-1. Office of Special Counsel for Immigration-Related Unfair Employment Practices, Civil Rights Division, U.S. Department of Justice.

(4) Affected public who will be asked to respond, as well as a brief abstract: Primary: The Office of Special Counsel for Immigration-Related Unfair Employment Practices (OSC) enforces the anti-discrimination provision (§ 274B) of the Immigration and Nationality Act (INA), 8 U.S.C. 1324b. The statute prohibits: (1) Citizenship or immigration status discrimination in hiring, firing, or recruitment or referral for a fee, (2) national origin discrimination in hiring, firing, or recruitment or referral for a fee, (3) unfair documentary practices during the employment eligibility verification (Form I-9 and E-Verify) process, and (4) retaliation or intimidation for asserting rights covered by the statute. OSC, within the Department's Civil Rights Division, investigates and, where reasonable cause is found, litigates charges alleging discrimination. OSC also initiates independent investigations, at times based on information developed during individual charge investigations. Independent investigations normally involve alleged discriminatory policies that potentially affect many employees or applicants. These investigations may result in complaints alleging a pattern or practice of discriminatory activity. If the Department lacks jurisdiction over a particular charge but believes another agency with which OSC has a Memorandum of Understanding providing for cross referrals (OSC has over fifty MOU partners) has jurisdiction over the claim, the completed form will be forwarded to the appropriate agency, thus avoiding any duplicative requests for information. OSC will also refer Respondents to non-MOU partner agencies where appropriate.

(5) An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond: 210 respondents per year at 30 minutes per charge form.

(6) An estimate of the total public burden (in hours) associated with the collection: 105 hours annual burden hours associated with this collection.

FOR FURTHER INFORMATION CONTACT: Jeannette Flowers, 200 Constitution Avenue NW., Room N-4716, Washington, DC 20210; Telephone: 202-693-3322.

SUPPLEMENTARY INFORMATION: ETA is reopening the SCSEP FOA open period for 30 days to both new applicants and to applicants who applied for funding under this FOA during the previous open period. This reopening is intended to ensure adequate coverage of the necessary geographic areas and associated participant slots. Details on

how to apply for new applicants and for existing applicants which wish to submit a new application are available in the FOA as well as any subsequent amendments to the FOA, which are described in further detail on ETA's Web site at https://www.doleta.gov/grants/find_grants.cfm or on <http://www.grants.gov>. The Web sites provide application information, eligibility requirements, review and selection procedures, and other program requirements governing this funding opportunity. SCSEP is the only Federally-sponsored employment and training program targeted specifically to low-income older individuals who are able to enter or reenter the workforce. Program participants receive paid work experience at local public or non-profit agencies and are paid the higher of the Federal, State, or local minimum wage, or the prevailing wage for similar employment, for approximately 20 hours per week while in community service and other job training (OAA Amendments § 502(b)(1)(J); 20 CFR 641.565(a)). We anticipate awarding approximately 10-22 grants ranging from \$2 million to \$50 million each under this FOA. This is a four-year grant, renewable annually for each of those four years based on annual Departmental application requirements and subject to the availability of funds. The grant may be extended for a fifth year at the Department's discretion, contingent upon the grantee meeting or exceeding the minimum negotiated performance measures as required by section 514(a) of the OAA Amendments and 20 CFR 641.700.
