SBDCs provide clients with professional business assistance regarding business plans, market research, financial preparation packages, cash flow, and procurement contracts. Special emphasis areas include: Manufacturing; international trade and export assistance; e-commerce; technology transfer;

assistance for veterans, both active duty and personnel returning from deployment; disaster recovery assistance; IRS, EPA, and OSHA regulatory compliance; as well as research and development. Based on client needs, business trends and individual business requirements, SBDCs modify their services to meet the evolving needs through more than 900 local service delivery points across the nation and all U.S. Territories.

SBDCs deliver these services to small business concerns using an effective education network of 63 Lead Centers reaching out to both rural and urban areas, serving entrepreneurs of all types throughout a state or region. SBDCs can
