SUPPLEMENTARY INFORMATION:

Title: New Markets Tax Credit Program Allocation Tracking System.
OMB Number: 1559–0024.

Abstract: Title I, subtitle C, section 121 of the Community Renewal Tax Relief Act of 2000 (the Act), as enacted by section 1(a)(7) of the Consolidated Appropriations Act, 2001 (Pub. L. 106–554, December 21, 2000), amended the Internal Revenue Code (IRC) by adding IRC § 45D, New Markets Tax Credit. Pursuant to IRC § 45D, the Department of the Treasury, through the CDFI Fund, administers the NMTC Program, which provides an incentive to investors in the form of tax credits over seven years and stimulates the provision of private investment capital that, in turn, facilitates economic and community development in low-income communities. In order to qualify for an allocation of NMTC authority, an entity must be certified as a qualified Community Development Entity and submit an allocation application to the CDFI Fund. Upon receipt of such applications, the CDFI Fund conducts a competitive review process to evaluate applications for the receipt of NMTC allocations. Entities selected to receive an NMTC allocation must enter into an allocation agreement with the CDFI Fund. The allocation agreement contains the terms and conditions, including all reporting requirements, associated with the receipt of a NMTC allocation. The CDFI Fund requires each allocatee to use an electronic data collection and submission system, known as the Allocation Tracking System (ATS), to report on the information related to its receipt of a Qualified Equity Investment.

The CDFI Fund developed the ATS to, among other things: (1) Enhance the allocatee's ability to report to the CDFI Fund timely information regarding the issuance of its Qualified Equity Investments; (2) enhance the CDFI Fund's ability to monitor the issuance of Qualified Equity Investments to ensure that no allocatee exceeds its allocation authority and to ensure that Qualified Equity Investments are issued within the timeframes required by the allocation agreement and IRC § 45D; and (3) provide the CDFI Fund with basic investor data which may be aggregated and analyzed in connection with NMTC evaluation efforts.

Current Actions: Renewal of Existing Information Collection.

Type of Review: Regular Review.

Affected Public: NMTC Program allocatees.

Estimated Number of Respondents: 658.

Estimated Annual Time per Respondent: 18 hours.

Estimated Total Annual Burden Hours: 11,844 hours.

Requests for Comments: Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. All comments will become a matter of public record. Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information has practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; (d) ways to minimize the burden of the collection of information on respondents, including through the use of technology; and (e) estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services required to provide information.

Agency Information Collection Activities; Proposals, Submissions, and Approvals

AGENCY: Community Development Financial Institutions Fund, Treasury.

ACTION: Notice and request for comments.

SUMMARY: The U.S. Department of the Treasury, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed information collections, as required by the Paperwork Reduction Act of 1995, Public Law 104–13 (44 U.S.C. 3506(c)(2)(A)). Currently, the Community Development Financial Institutions Fund (the CDFI Fund), the Department of the Treasury, is soliciting comments concerning modifying the Bank Enterprise Award Program (BEA Program) Report Form to a form that may be used for the Community

Development Financial Institutions Program (CDFI Program) and Native American CDFI Assistance Program (NACA Program). The form will be renamed the Uses of Award Report Form in an effort by the CDFI Fund to create uniform reporting requirements.

DATES: Written comments should be received on or before September 27, 2016 to be assured of consideration.

ADDRESSES: Submit your comments via email to Michael Banks, Associate Program Manager, CDFI Fund, at cdfihelp@cdfi.treas.gov.

FOR FURTHER INFORMATION CONTACT:

Michael Banks, Associate Program Manager, CDFI Fund, U.S. Department of the Treasury, 1500 Pennsylvania Avenue NW, Washington, DC 20220. The Uses of Award Report Form may be obtained from the CDFI Fund's Web site at <http://www.cdfifund.gov/bea> under How to Apply Step 5: Compliance and Reporting or <http://www.cdfifund.gov/cdfi> under How to Apply Step 4: Compliance and Reporting.

SUPPLEMENTARY INFORMATION: Title: Uses of Award Report Form (formerly BEA Program Award Report Form).

OMB Number: 1559-0032.

Abstract: The purpose of the BEA Program is to provide an incentive to insured depository institutions to increase their activities in the form of loans, investments, services, and technical assistance within distressed communities and provide financial assistance to certified Community Development Financial Institutions (CDFIs) through grants, stock purchases, loans, deposits, and other forms of financial and technical assistance. Applicants submit applications and are evaluated in accordance with statutory and regulatory requirements (12 CFR 1806), and requirements that are set forth in the annual Notice of Funds Availability. The CDFI Fund requires BEA Program Award Recipients to use BEA Program Awards for BEA Program Qualified Activities, as defined in the BEA Program regulations. Recipients are required to report to the CDFI Fund on their Qualified Activities per their Assistance Agreements.

The CDFI Program is authorized by the Riegle Community Development Banking and Financial Institutions Act of 1994 (Pub. L. 103-325, 12 U.S.C. 4701 *et seq.*). The CDFI Program uses federal resources to invest in and build the capacity of CDFIs to serve low-income people and communities lacking adequate access to affordable financial products and services. The CDFI Fund created the Native Initiatives, which includes the NACA Program, to further support the creation and expansion of

Native CDFIs. Through the CDFI Program and NACA Program, the CDFI Fund provides: (i) Financial Assistance (FA) awards to CDFIs and Native CDFIs that have Comprehensive Business Plans for creating demonstrable community development impact through the deployment of credit, capital, and financial services within their respective Target Markets or the expansion into new Investment Areas, Low-Income Targeted Populations, or Other Targeted Populations, and (ii) Technical Assistance (TA) grants to CDFIs and Native CDFIs and entities proposing to become CDFIs or Native CDFIs in order to build their capacity to better address the community development and capital access needs of their existing or proposed Target Markets and/or to become certified CDFIs. CDFI Program applicants submit applications and are evaluated in accordance with statutory and regulatory requirements (12 CFR 1805), and requirements that are set forth in an annual Notice of Funds Availability. NACA Program applicants submit applications and are evaluated in accordance with requirements that are set forth in an annual Notice of Funds Availability. Recipients with FA or TA awards are required to report to the CDFI Fund on the uses of those funds per their Assistance Agreements.

In an effort to create uniformity in reporting across the CDFI Fund, the CDFI Fund seeks to revise the BEA Program Award Report Form and rename it the "Uses of Award Report Form." The BEA Program Award Report Form is currently required for Recipients of awards under the BEA Program. These revisions would allow the form to also be used by the Community Development Financial Institutions Program (CDFI Program) and Native American CDFI Assistance Program (NACA Program). This request for public comment seeks to gather information on the revised Use of Award Report Form.

Current Actions: Renewal and revision of an existing Information Collection.

Type of Review: Regular Review.

Affected Public: Recipients of BEA Program awards.

Estimated Number of BEA Program Respondents: 80.

Estimated Annual Time per BEA Program Respondent: 1 hour.

Affected Public: Recipients of CDFI or NACA Program awards.

Estimated Number of CDFI and NACA Program Respondents: 245.

Estimated Annual Time CDFI and NACA Program per Respondent: 1 hour.

Estimated Total Annual Burden Hours: 325 hours.

Requests For Comments: Comments submitted in response to this notice will be summarized and/or included in the request for Office of Management and Budget (OMB) approval.
