

support its basis that the tires are safe for use. This additional testing was performed at loads, speeds, and timing greater than the minimum requirements of FMVSS No. 119 with a duration of 121.6 hours of testing which is 74.6 hours beyond the minimum requirements. Yet the agency does not agree that the additional data is sufficient to support the overload condition in the dual configuration because the tires would be expected to operate for much longer than 121.6 hours in the field.

The subject tires as improperly marked indicate a maximum dual load rating capacity value above that designed for the tire. A tire loaded above its designed maximum load rating capacity creates a potential safety problem for the driver of that motor vehicle and others on the road.

For the reasons stated above, NHTSA does not believe that the "DUAL" marking noncompliance on the subject MILESTAR BS623 225/70R19.5 G/14 tires is inconsequential to motor vehicle safety. *NHTSA Decision:* NHTSA has decided to deny Tireco's petition in part and grant it in part.

In the case of the subset of the subject tires that were marked "DUAL" instead of "SINGLE," Tireco has not met its burden of persuasion that the noncompliance with paragraph S6.5(d) of FMVSS No. 119 is inconsequential to motor vehicle safety. Accordingly, Tireco is obligated to provide notification of and a free remedy for that noncompliance under 49 U.S.C. 30118 and 30120.

In the cases of the described load range letter marking noncompliances, NHTSA has decided that Tireco has met its burden of persuasion that the noncompliances with paragraph S6.5(j) of FMVSS No. 119 are inconsequential to motor vehicle safety and that Tireco is therefore exempted from the obligation of providing notification of, and a remedy for, the load range letter marking noncompliances under 49 U.S.C. 30118 and 30120.

NHTSA notes that the statutory provisions (49 U.S.C. 30118(d) and 30120(h)) that permit manufacturers to file petitions for a determination of inconsequentiality allow NHTSA to exempt manufacturers from only the duties found in sections 30118 and 30120, respectively, to notify owners, purchasers, and dealers of a defect or noncompliance and to remedy the defect or noncompliance. Therefore, any decision on this petition applies only to the subject tires that Tireco no longer controlled at the time it determined that the noncompliance existed. However,

any decision on this petition does not relieve equipment distributors and dealers of the prohibitions on the sale, offer for sale, or introduction or delivery for introduction into interstate commerce of the noncompliant tires under their control after Tireco notified them that the subject noncompliance existed.

Authority: 49 U.S.C. 30118, 30120; delegations of authority at 49 CFR 1.95 and 501.8.

Agency Information Collection Activities: Information Collection Revision; Comment Request; Diversity Self-Assessment Template for Entities Regulated by the OCC

AGENCY: Office of the Comptroller of the Currency (OCC), Treasury.

ACTION: Notice and request for comment.

SUMMARY: The OCC, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on a revised information collection, as required by the Paperwork Reduction Act of 1995 (PRA). The OCC may not conduct or sponsor, and a respondent is not required to respond to, an information collection unless it displays a currently valid Office of Management and Budget (OMB) control number. The OCC previously received OMB approval for a voluntary information collection in the Final Interagency Policy Statement Establishing Joint Standards for Assessing the Diversity Policies and Practices of Entities Regulated by the Agencies (Policy Statement). The OCC now is soliciting comment on a revised information collection which adds a "Diversity Self-Assessment Template for Entities Regulated by the OCC" (Template) to facilitate the self-assessment described in the Policy Statement.

DATES: Comments must be submitted on or before October 24, 2016.

ADDRESSES: Because paper mail in the Washington, DC area and at the OCC is subject to delay, commenters are encouraged to submit comments by

email, if possible. Comments may be sent to: Legislative and Regulatory Activities Division, Office of the Comptroller of the Currency, Attention: 1557-0334, 400 7th Street, SW., suite 3E-218, mail stop 9W-11, Washington, DC 20219. SUPPLEMENTARY INFORMATION: Under the PRA (44 U.S.C. 3501-3520), certain Federal agencies must obtain approval from OMB for each collection of information that they conduct or sponsor. "Collection of information" is defined in 44 U.S.C. 3502(3) (and 5 CFR 1320.3(c) of the PRA implementing regulations) to include agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. The PRA (44 U.S.C. 3506(c)(2)(A)) directs these Federal agencies to provide a 60-day notice in the **Federal Register** concerning each proposed collection of information before submitting the collection to OMB for approval. To comply with this requirement, the OCC is publishing this notice of a proposed revision to the collection of information.

Title: Diversity Self-Assessment Template for Entities Regulated by the OCC.

OMB Control No.: 1557-0334.

Description: The OCC previously received OMB approval for a voluntary information collection with respect to the Policy Statement, pursuant to which

entities regulated by the OCC voluntarily self-assess their diversity policies and practices.¹ This proposed revision to that collection would add the Template to assist with the self-assessment. The Template (1) asks for general information about a respondent; (2) includes a checklist of the standards set forth in the Policy Statement; (3) seeks additional diversity data; and (4) provides an opportunity for a respondent to provide other information regarding or comment on the self-assessment of its diversity policies and practices. The OCC estimates that use of the Template would reduce the average response time for this collection per respondent from 12 hours to 8 hours. A draft of this Template can be viewed at www.occ.gov/divselfassessment. The OCC may use the information submitted by the entities it regulates to monitor progress and trends in the financial services industry with regard to diversity and inclusion in employment and contracting activities and to identify and highlight those policies and practices that have been successful. The OCC will continue to reach out to the regulated entities and other interested parties to discuss diversity and inclusion in the financial services industry and share leading practices. The OCC may also publish information disclosed by the entity, such as any identified leading practices, in any form that does not identify a particular institution or individual or disclose confidential business information.

Type of Review: Revision.

Affected Public: Businesses or other for-profit.

Burden Estimates:

Number of Respondents: 215.

Revised Annual Burden for Policy Statement and Template: 8 hours.

Frequency of Response: Annual.

Comments: The comments submitted in response to this notice will be summarized and included in the request for OMB approval. All comments will become a matter of public record. Comments are invited on:

(a) Whether the collection of information is necessary for the proper performance of the functions of the OCC, including whether the information has practical utility;

(b) The accuracy of the OCC's estimate of the information collection burden;

(c) Ways to enhance the quality, utility, and clarity of the information to be collected;

(d) Ways to minimize the burden of the collection on respondents, including through the use of automated collection

techniques or other forms of information technology; and

(e) Estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information.

Dated: August 18, 2016.
