SUPPLEMENTARY INFORMATION: Pursuant to the PRA (44 U.S.C. 3501-3520), the OCC is requesting that OMB extend its approval of the following information collection:

Title: Fiduciary Activities.

OMB Control No.: 1557-0140.

Description: The OCC regulates the fiduciary activities of national banks and federal savings associations (FSAs), including the administration of collective investment funds (CIFs), pursuant to 12 U.S.C. 92a and 12 U.S.C. 1464(n), respectively. Twelve CFR part 9 contains the regulations that national banks must follow when conducting fiduciary activities, and 12 CFR part 150 contains the regulations that FSAs must follow when conducting fiduciary activities. Regulations adopted by the former Office of Thrift Supervision, now recodified as OCC rules pursuant to Title III of the Dodd-Frank Wall Street Reform and Consumer Protection Act,¹ have long required FSAs to comply with the requirements of the OCC's CIF regulation.² Thus, 12 CFR 9.18 governs CIFs managed by both national banks and FSAs.

Twelve CFR 9.8 and 150.410-150.430 require that national banks and FSAs document the establishment and termination of each fiduciary account and maintain adequate records. Records must be retained for a period of three years from the later of the termination of the account or the termination of any litigation. The records must be separate and distinct from other records of the institution.

Twelve CFR 9.9 and 12 CFR 150.480 require national banks and FSAs to note the results of an audit (including significant actions taken as a result of the audit) in the minutes of the board of directors. National banks and FSAs that adopt a continuous audit system must note the results of all discrete audits

performed since the last audit report (including significant actions taken as a result of the audits) in the minutes of the board of directors at least once during each calendar year.

Twelve CFR 9.17(a) and 150.530 require that a national bank or FSA seeking to surrender its fiduciary powers file with the OCC a certified copy of the resolution of its board of directors evidencing that intent.

Twelve CFR 9.18(b)(1) (and 12 CFR 150.260 by cross-reference) require national banks and FSAs to establish and maintain each CIF in accordance with a written plan approved by the board of directors or a committee authorized by the board. The plan must include provisions relating to:

- Investment powers and policies with respect to the fund;
- Allocation of income, profits, and losses;
- Fees and expenses that will be charged to the fund and to participating accounts;
- Terms and conditions regarding admission and withdrawal of participating accounts;
- Audits of participating accounts;
- Basis and method of valuing assets in the fund;
- Expected frequency for income distribution to participating accounts;
- Minimum frequency for valuation of fund assets;
- Amount of time following a valuation date during which the valuation must be made;
- Bases upon which the institution may terminate the fund; and
- Any other matters necessary to define clearly the rights of participating accounts.

Twelve CFR 9.18(b)(1) (and 150.260 by cross-reference) require that a national bank or FSA make a copy of any CIF plan available for public inspection at its main office and provide a copy of the plan to any person who requests it.

Twelve CFR 9.18(b)(4)(iii)(E) (and 150.260 by cross-reference) require that national banks and FSAs adopt portfolio and issuer qualitative standards and concentration restrictions for short-term investment funds (STIFs), a type of CIF.

Twelve CFR 9.18(b)(4)(iii)(F) (and 150.260 by cross-reference) require that national banks and FSAs adopt liquidity standards and include provisions that address contingency funding needs for STIFs.

Twelve CFR 9.18(b)(4)(iii)(G) (and 150.260 by cross-reference) require that national banks and FSAs adopt shadow pricing procedures for STIFs that calculate the extent of difference, if any, of the mark-to-market net asset value

² See 12 CFR 150.260(b)(3).

per participating interest from the STIF's amortized cost per participating interest, and to take certain actions if that difference exceeds \$0.005 per participating interest.

Twelve CFR 9.18(b)(4)(iii)(H) (and 150.260 by cross-reference) require that national banks and FSAs adopt, for STIFs, procedures for stress testing the STIF's ability to maintain a stable net asset value per participating interest and provide for reporting the results.

Twelve CFR 9.18(b)(4)(iii)(I) (and 150.260 by cross-reference) require that national banks and FSAs adopt, for STIFs, procedures that require a national bank or FSA to disclose to the OCC and to STIF participants within five business days after each calendar month-end the following information about the fund: total assets under management; mark-to-market and amortized cost net asset values; dollar-weighted average portfolio maturity; dollar-weighted average portfolio life maturity as of the last business day of the prior calendar month; and certain other security-level information for each security held.

Twelve CFR 9.18(b)(4)(iii)(J) (and 150.260 by cross-reference) require that national banks and FSAs adopt, for STIFs, procedures that require a national bank or FSA that manages a STIF to notify the OCC prior to or within one business day thereafter of certain events.

Twelve CFR 9.18(b)(4)(iii)(K) (and 150.260 by cross-reference) require that national banks and FSAs adopt, for STIFs, certain procedures in the event that the STIF has repriced its net asset value below \$0.995 per participating interest.

Twelve CFR 9.18(b)(4)(iii)(L) (and 150.260 by cross-reference) require that national banks and FSAs adopt, for STIFs, procedures for initiating liquidation of a STIF upon the suspension or limitation of withdrawals as a result of redemptions.

Twelve CFR 9.18(b)(6)(ii) (and 150.260 by cross-reference) require, for CIFs, that national banks and FSAs, at least once during each 12-month period, prepare a financial report of the fund based on the audit required by 12 CFR 9.18(b)(6)(i). The report must disclose the fund's fees and expenses in a manner consistent with applicable state law in the state in which the national bank or FSA maintains the fund and must contain:

- A list of investments in the fund showing the cost and current market value of each investment;
- A statement covering the period after the previous report showing the

following (organized by type of investment):

- A summary of purchases (with costs);
- A summary of sales (with profit or loss and any investment change);
- Income and disbursements; and
- An appropriate notation of any investments in default.

Twelve CFR 9.18(b)(6)(iv) (and 150.260 by cross-reference) require that a national bank or FSA managing a CIF provide a copy of the financial report, or provide notice that a copy of the report is available upon request without charge, to each person who ordinarily would receive a regular periodic accounting with respect to each participating account. The national bank or FSA may provide a copy to prospective customers. In addition, the national bank or FSA must provide a copy of the report upon request to any person for a reasonable charge.

Twelve CFR 9.18(c)(5) (and 150.260 by cross-reference) require that, for special exemption CIFs, national banks and FSAs must submit to the OCC a written plan that sets forth:

- The reason the proposed fund requires a special exemption;
- The provisions of the fund that are inconsistent with 12 CFR 9.18(a) and (b);
- The provisions of 12 CFR 9.18(b) for which the national bank or FSA seeks an exemption; and
- The manner in which the proposed fund addresses the rights and interests of participating accounts.
