

centers that are not registered exchanges would be able to implement changes to comply with the Plan, but the Exchange would not. The Exchange believes that a disapproval of the Exchange's proposed rules would therefore put the Exchange at a competitive disadvantage vis-à-vis the over-the-counter markets because such trading centers would be able to modify the behavior of non-displayed orders in Test Group Three without restriction. The Exchange further notes that the proposed rule change will apply equally to all member organizations that trade Pilot Securities.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange respectfully requests accelerated effectiveness of this proposed rule change pursuant to Section 19(b)(2) of the Act.⁵⁴ The Exchange believes that there is good cause for the Commission to accelerate effectiveness because the proposed rule changes are designed to specify procedures for the handling, executing, re-pricing and displaying of certain order types and order type instructions applicable to Pilot Securities in Test Groups One, Two, and Three. In determining the scope of these proposed changes to implement the Plan, the Exchange reviewed its order types and identified which orders and instructions would be inconsistent with the Plan and propose to modify the operation of such order types so they will comply with the Plan, or, to the extent inconsistent with the Plan, eliminate them. These proposed changes are consistent with the protection of investors and the public interest because they are designed to comply with the Plan and to allow the Exchange to meet its regulatory obligations under the Plan. Because the Plan will be implemented beginning on October 3, 2016, the Exchange believes there is good cause to accelerate effectiveness so that the Exchange may implement the proposed changes concurrent with the implementation date of the Plan.

Within 45 days of the date of publication of this notice in the **Federal Register** or up to 90 days (i) as the Commission may designate if it finds such longer period to be appropriate

and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

- (A) By order approve or disapprove the proposed rule change, or
- (B) institute proceedings to determine whether the proposed rule change should be disapproved.

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE., Washington, DC 20549-2736.

Extension:

Rule 15Bc3-1 and Form MSDW, SEC File No. 270-93, OMB Control No. 3235-0087.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 ("PRA") (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget ("OMB") a request for approval of extension of the previously approved collection of information provided for in Rule 15Bc3-1 (17 CFR 240.15Bc3-1) and Form MSDW (17 CFR 249.1110) under the Securities Exchange Act of 1934 (17 U.S.C. 78a *et seq.*).

Rule 15Bc3-1 provides that a notice of withdrawal from registration with the Commission as a bank municipal securities dealer must be filed on Form MSDW. The Commission uses the information contained in Form MSDW in determining whether it is in the public interest to permit a bank municipal securities dealer to withdraw its registration. This information is also important to the municipal securities dealer's customers and to the public, because it provides, among other things, the name and address of a person to contact regarding any of the municipal securities dealer's unfinished business.

Based upon past submissions, the staff estimates that, on an annual basis, approximately five bank municipal securities dealers will file a notice of withdrawal from registration with the Commission as a bank municipal securities dealer on Form MSDW. The staff estimates that the average number of hours necessary to comply with the notice requirements set out in Rule 15Bc3-1 and Form MSDW is 0.5 per

respondent, for a total burden of 2.5 hours per year. The staff estimates that the average internal compliance cost per hour is approximately \$343. Therefore, the estimated total cost of compliance for the respondents is approximately \$858.

Providing the information on the application is mandatory in order to withdraw from registration with the Commission as a bank municipal securities dealer. The information contained in the notice will not be kept confidential.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.

SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE., Washington, DC 20549-2736.

Extension:

Rule 15Ba2-1 and Form MSD; SEC File No. 270-0088; OMB Control No. 3235-0083.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 ("PRA") (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget ("OMB") a request for extension of the previously approved collection of

information provided for in Rule 15Ba2-1 (17 CFR 240.15Ba2-1) and Form MSD (17 CFR 249.1100) under the Securities Exchange Act of 1934 ("Exchange Act") (17 U.S.C. 78a *et seq.*).

Rule 15Ba2-1 provides that an application for registration with the Commission by a bank municipal securities dealer must be filed on Form MSD. The Commission uses the information obtained from Form MSD filings to determine whether bank municipal securities dealers meet the standards for registration set forth in the Act, to maintain a central registry where members of the public may obtain information about particular bank municipal securities dealers, and to develop risk assessment information about bank municipal securities dealers.

Based upon past submissions, the staff estimates that approximately 21 respondents will utilize this application procedure annually. The staff estimates that the average number of hours necessary to comply with the requirements of Rule 15Ba2-1 and Form MSD is 1.5 hours per respondent, for a total burden of approximately 31.5 hours per year. The staff estimates that the average internal compliance cost per hour is approximately \$343. Therefore, the estimated total annual cost of compliance for the respondents is approximately \$10,805.

Rule 15Ba2-1 does not contain an explicit recordkeeping requirement, but the rule does require the prompt correction of any information on Form MSD that becomes inaccurate, meaning that bank municipal securities dealers need to maintain a current copy of Form MSD indefinitely. Providing the information on the application is mandatory in order to register with the Commission as a bank municipal securities dealer. The information contained in the application will not be kept confidential.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.
