[Docket No. FDA-2010-N-0155]

Veterinary Feed Directive Common Format Questions and Answers; Guidance for Industry; Availability

AGENCY: Food and Drug Administration, HHS.

ACTION: Notice of availability.

SUMMARY: The Food and Drug Administration (FDA or Agency) is announcing the availability of a guidance for industry #233 entitled "Veterinary Feed Directive Common Format Questions and Answers." FDA had received comments requesting that we require a uniform Veterinary Feed Directive (VFD) form. We declined this request because we think that requiring a specific VFD form would be too prescriptive. However, we acknowledge that a common VFD format would help veterinarians, their clients (*i.e.*, animal producers), and distributors (including feed mills) quickly identify relevant information on the VFD. We are issuing this guidance to recommend a common VFD format. We expect this guidance will reduce potential errors on VFDs.
