Each video entry must be accompanied by a written transcript.

Public Voting

After the submission period is closed, a public voting period will commence on www.challenge.gov/domestic-violence-video-challenge. To assist FVPSPA in making this award, voters should vote for a video based on some of the criteria discussed in the Video Criteria section.

Voting will be open for 2 weeks (14 calendar days) that will begin after the submission deadline and end no later than November 30, 2016. The actual dates and deadline for public voting period will be posted on the www.challenge.gov/domestic-violence-video-challenge Web site.

Winner Selection

The top 15 videos with highest scores at the public voting deadline will move on to the next round of judging. Title: Provision of Child Support Services in IV–D cases under the Hague Child Support Convention; Federally Approved Forms.

OMB No.: New Collection.

Description: On January 1, 2017, the 2007 Hague Convention on the International Recovery of Child Support and Other Forms of Family Maintenance will enter into force for the United States. This Convention contains groundbreaking provisions that, for the first time on a worldwide scale, will establish uniform, simple, fast, and inexpensive procedures for the processing of international child support cases. Once the Convention is in effect, U.S. states will process child support cases with other countries that have ratified the Convention under the requirements of the Convention and Article 7 of the Uniform Interstate Family Support Act (UIFSA 2008). In order to comply with the Convention, the U.S. must implement the Convention's case processing forms.

State and Federal law require states to use Federally-approved case processing forms. Section 311(b) of UIFSA 2008, which has been enacted by all 50 states, the District of Columbia, Guam, Puerto Rico and the Virgin Islands, requires States to use forms mandated by Federal law. 45 CFR 303.7 also requires child
