SUPPLEMENTARY INFORMATION:

Scope of the Order

The merchandise subject to this order covers narrow woven ribbons with woven selvedge.¹ The merchandise subject to this order is classifiable under the Harmonized Tariff Schedule of the United States (HTSUS) statistical categories 5806.32.1020; 5806.32.1030; 5806.32.1050; and 5806.32.1060. Subject merchandise also may enter under subheadings 5806.31.00; 5806.32.20; 5806.39.20; 5806.39.30; 5808.90.00; 5810.91.00; 5810.99.90; 5903.90.10; 5903.90.25; 5907.00.60; and 5907.00.80 and under statistical categories 5806.32.1080; 5810.92.9080; 5903.90.3090; and 6307.90.9889. The HTSUS statistical categories and subheadings are provided for convenience and customs purposes; however, the written description of the merchandise covered by this order is dispositive.

Methodology

The Department is conducting this review in accordance with section 751(a)(2) of the Tariff Act of 1930, as amended (the Act). Export price is calculated in accordance with section 772 of the Act. NV is calculated in accordance with section 773 of the Act. Because mandatory respondent A-Madeus failed to respond to the Department's questionnaire, we preliminarily determine to apply adverse facts available (AFA) to this respondent, in accordance with sections 776(a) and (b) of the Act and 19 CFR 351.308. For a full discussion of the rationale underlying our preliminary results, as well as a description of the methodology used, *see* the Preliminary Decision Memorandum.

A list of the topics included in the Preliminary Decision Memorandum is attached as an Appendix to this notice. The Preliminary Decision Memorandum

is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>, and it is available to all parties in the Central Records Unit, room B-8024 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <http://enforcement.trade.gov/frn/>. The signed and the electronic versions of the Preliminary Decision Memorandum are identical in content.

Preliminary Determination of No Shipments

On November 24, 2015, both Xiamen Yi He and Fujian Rongshu timely filed statements reporting that they made no shipments of subject merchandise to the United States during the POR. Subsequently, we received information from U.S. Customs and Border Protection (CBP) confirming Xiamen Yi He's and Fujian Rongshu's no shipment claims. Based on the foregoing, the Department preliminarily determines that Xiamen Yi He and Fujian Rongshu did not have any reviewable transactions during the POR. For additional information regarding this determination, *see* the Preliminary Decision Memorandum. Consistent with our practice, we are not preliminarily rescinding the review with respect to Xiamen Yi He and Fujian Rongshu but, rather, we will complete the review with respect to these companies and issue appropriate instructions to CBP based on the final results of this review.²

Preliminary Results of the Review

The Department preliminarily determines that the following weighted-average dumping margins exist:

Producer/Exporter	Dumping margin (percent)
Roung Shu Industry Corporation	0.00
A-Madeus Textile Ltd	137.20

Disclosure and Public Comment

The Department intends to disclose the calculations performed in connection with these preliminary results to interested parties within five days after the date of publication of this notice.³ Pursuant to 19 CFR 351.309(c), interested parties may submit case briefs to the Department no later than seven days after the date of the final verification report issued in this review. Rebuttal briefs, limited to issues raised in the case briefs, may be filed no later than five days after the time limit for filing case briefs.⁴ Parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.⁵ Case and rebuttal briefs should be filed using ACCESS.⁶

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance within 30 days of the date of publication of this notice.⁷ Requests should contain: (1) The party's name, address, and telephone number; (2) the number of participants; and (3) a list of issues parties intend to discuss. Issues raised in the hearing will be limited to issues raised in the respective case and rebuttal briefs. If a request for a hearing is made, parties will be notified of the time and date for the hearing to be held at the U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230.⁸

The Department intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any written briefs, no later than 120 days after the date of publication of this notice, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h), unless this deadline is extended.

Assessment Rates

Upon issuance of the final results, the Department shall determine, and CBP shall assess, antidumping duties on all appropriate entries covered by this review.⁹

We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific assessment rate

calculated in the final results of this review is not zero or *de minimis*. Where the respondent's weighted-average dumping margin is zero or *de minimis*, or an importer-specific rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties. Where assessments are based upon total facts available, including AFA, we instruct CBP to assess duties at the AFA margin rate. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.¹⁰

Consistent with the Department's refinement of its assessment practice, for any entries of subject merchandise during the POR produced by Rong Shu for which it did not know that the merchandise was destined for the United States, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.¹¹ Further, if we continue to find in the final results that Xiamen Yi He and Fujian Rongshu had no shipments of subject merchandise during the POR, we will instruct CBP to liquidate any suspended entries that entered under their antidumping duty case numbers (*i.e.*, at that exporter's rate) at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.

We intend to issue liquidation instructions to CBP 15 days after publication of the final results of this review.

Cash Deposit Requirements

The following deposit requirements will be effective upon publication of the notice of final results of administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for each specific company listed above will be equal to the dumping margins established in the final results of this administrative review, unless the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for merchandise exported by manufacturers or exporters not covered in this review

but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment; (3) if the exporter is not a firm covered in this review, or the original investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recently completed segment for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 4.37 percent, the all-others rate determined in the less-than-fair-value investigation.¹² These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: October 3, 2016.

Ronald K. Lorentzen,

Acting Assistant Secretary for Enforcement and Compliance.
