DISS requires personal data collection to facilitate the initiation, investigation and adjudication of information relevant to DoD security clearances and employment suitability determinations for active duty military, civilian

employees and contractors seeking such credentials. As a Personnel Security System it is the authoritative source for clearance information resulting in accesses determinations to sensitive/classified information and facilities. Specific uses include the facilitation for DoD Adjudicators and Security Managers to obtain accurate up-to-date eligibility and access information on all personnel (military, civilian and contractor personnel) adjudicated by the DoD. The DoD Adjudicators and Security Managers are also able to update eligibility and access levels of military, civilian and contractor personnel nominated for access to sensitive DoD information. By completing the OPM Shared Forms SF 86, SF 86A, SF 86C, SF 85, or SF 85P, individuals are consenting to the specific uses of their PII. Information contained in this system is derived from the appropriate DoD personnel systems; Case Adjudication Tracking System (CATS); records maintained by the DoD adjudicative agencies; and records maintained by security managers, special security officers, or other officials requesting and/or sponsoring the security eligibility determination for the individual.
